2. **AAUW** completed their book sale in October and all remaining items were moved out of the building on November 7. Their sales were down compared to last year, but they do not yet have final figures. The Friends of the GFPL will begin planning for their spring sale next month.
3. The library will be hosting a **Red Cross blood drive** on December 31 from 11:00 – 3:00. We typically host two drives each year. If you are interested in donating, please let me know.
4. Join me in congratulating **Nola Huey** in completing the requirements for the Montana Certification Program through the State Library. The certification requires 60 continuing education credits earned in a 4-year period which includes: minimum of 10 credits in each of these categories: Library Administration, Library Services to the Public, Collection Management and Technical Services, and Technology.
