Katy,

I spoke with Duane Herigon, the landlord of 1515 4th Ave N, last night. He has given 30 days notice to his tenant, to move out. She told him that she has been looking (TRUE or false?). Hopefully that is true. Duane had a ~~week~~ Guard weekend beginning last Friday, so he was not ^{going to be} able to give the paperwork to The Marshall until today. That means she would not have to be out before about June 10th. Of course, if she doesn't move he'll have to take her to court. Duane did go to talk with her at a time ^{that} she would not expect him. THE DOG came to the porch window & barked at him. He got a picture. ~~So it~~

So it looks like things are in the process of being resolved.

Katy Kerry & I have decided not to attend the Commissioners' meeting tonight because we don't have much to complain about the property and it's not about the dog.

Hoping for the best outcome even though not as fast as we would like. Regretting so much that we did not contact Duane Herigon when we first saw ~~him~~ the dog after the first supposed resolution.

Sincerely,
Beverly & Kerry
