CITY CLERK

Dear City Clerk,

I received the public notice regarding the increase for water, sewer and storm drain. I'm enclosing my latest MONTHLY bill from Montana and my QUARTERLY bill from Minnesota. Needless to say I am curious about the differences. I'm not questioning the water for the summer because we have a sprinkler system and put in sod and landscaping this summer. Normally my ^{MT} monthly bill is about the same as the quarterly bill in Montana.

This is not a complaint. I would just like to know why there is such a difference and an explanation. I'm sure there is.

Is there a website to read the Capital Improvement Plan? If so, could you email me the site so I can read it. margo4141@msn.com.

I thank you in advance for your assistance.

Sincerely,
[REDACTED]
