Subject: Vince Bakke Appointment
Date: Monday, January 20, 2020 3:15:33 PM

Hi Krista,

This is Casey Lalonde, I am the junior member of the Airport Authority board representing Cascade County. I wanted to take a moment to share my support for the reappointment of Vince Bakke to another term on the Airport Authority board.

I have known Vinnie personally and through the Air National Guard for over 10 years. As the newest member of the board it was immediately clear how he is respected and acknowledged as a leader on the board. It would be a tremendous loss of institutional knowledge if he were to not be reappointed.

I would be there in person for him tomorrow if work didn't have me on the other side of the country. I hope you will share my sentiments with the City.

As always, thank you for the work you do for our community. Please do not hesitate to contact me regarding his appointment.

Casey Lalonde

Dear Krista,

I am unable to attend the interviews for the Airport Authority Board in person, so I would like to email you a short note in support of Vince Bakke's reappointment as city representative to the board. As you know I am completing my second year on the board as a city representative and I have found Vince to be a leader on the board. His experience as a captain for United Airlines is invaluable to some of our discussions about airport operations. There are no other airline pilots on the board and losing his perspective would be a significant loss to the board. He has also gained valuable corporate knowledge from his first term that would also be a significant loss. I wholeheartedly support the renewal of Vince for a second term on the board.

Sincerely,

Dr. Tony Aretz
Commissioner
Airport Authority Board
