Good Afternoon Commission members –

Although tonight's presentation is only an initial review/analysis of the proposal received in response to the RFP and no formal action is being taken at tonight's work session, I am passing along FYI Ms. Hendrickson's request to postpone the presentation for your consideration.

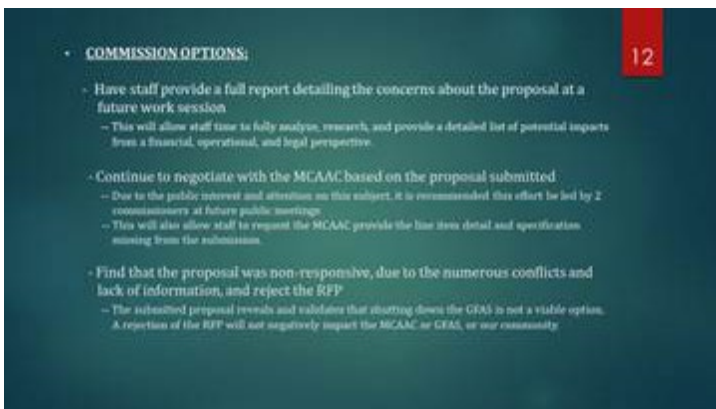

Thank you.

Thank you Lisa. Since I would like to review the original RFP myself, and do not have time yet today, I still request that the presentation be postponed.

Thanks

Pam

Good Morning Pam – the proposal was posted a little before 10 am:
<https://greatfallsmt.net/citycommission/work-session-meeting-march-3-2020>, and we expect the presentation will be posted before noon.

Touch base with me after you review the presentation summary regarding your #2 below.

Thanks Pam.

Good morning Lisa.

I see the animal shelter RFP is still not posted. I have questions:

1. Isn't an RFP supposed to be available to the public after the closing date? Regardless of staff's need to review it for presentation, the contents are still public information are they not?
2. I would like to request that the staff presentation be postponed until the public has reasonable access to the materials. I see no reason to schedule the presentation for today when staff is obviously not ready and interested parties will not have time to be informed prior to tonight's meeting.

I would appreciate your forwarding these questions to whomever is appropriate.

Thanks,

Pam Hendrickson

Hi Pam – because of the short time-frame (proposal received Monday/agendas posted Thursday), staff is still reviewing the voluminous proposal received to make an initial analysis for presentation at the Commission work session.

I am informed the presentation and proposal will be posted prior to the work session. Check back on the website this afternoon or tomorrow morning.

Thank you.

Subject: work session materials

Hi Lisa. I have been waiting for the work session agenda packet to be posted and now it says it won't be available until the meeting. So will there be printed copies of the Animal Shelter RFP available for the public? Or is there a way to get a copy beforehand?

Shouldn't things like RFPs be available prior to the meeting so the public can review it? It's hard to comment when you don't know what's happening.

Thanks,

Pam Hendrickson
