Thank you for your comments Katie. I will pass along your comments to the City Commission and appropriate staff for consideration of this topic during tonight's work session.

Take care!

Best,

*Lisa Kunz*

**Subject:** email to the commission regarding tonight's work session

Mrs. Kunz,

Please share the following statement with the City Commission.

The Home Builders Association of Great Falls is committed to finding a good working solution to the Geo-Technical/foundation policies of the City of Great Falls. Our industry will continue to work with the Planning Staff on this and all other residential building issues. Planning Staff has worked very well with our industry in the past and we anticipate that partnership to continue with this topic. We look forward to Mr. Raymond's presentation tonight. We will send in written questions and comments after we review his presentation. Sadly, due to the COVID 19 virus, we will watch the work session from our homes.

Once again, thank you, for taking our comments and to the Planning Staff for their openness to working with our Association.

Katie Hanning  
Home Builders Association of Great Falls
