Subject: Work Session - Item 2 - Financing Options for Civic Center Facade
Commissioners,
The Business Improvement District, representing 177 tax-paying parcels that are contributing to the downtown urban renewal district, is in support of the work that is necessary to repair the façade of the Civic Center. However, we are not in support of utilizing Tax Increment Financing funds for this project.

Thank you,

Joan Redeem

The Business Improvement District (BID) is the focal point of regional commerce for social, cultural, governmental, business and residential activity in downtown Great Falls. The goal of the BID is to maintain, beautify, and stimulate development in Great Falls' historic downtown district.

As a Main Street America™ Accredited program, Great Falls is a recognized leading program among the national network of more than 1,200 neighborhoods and communities who share both a commitment to creating high-quality places and to building stronger communities through preservation-based economic development. All Main Street America™ Accredited programs meet a set of National Accreditation Standards of Performance as outlined by the National Main Street Center.
