Subject: Agenda Item #14 - Ordinance 3221

Mayor & Commissioners,

The Board of Directors of the Great Falls Business Improvement District, representing over 177 parcels in Downtown Great Falls, are in favor of Ordinance 3221. This Ordinance will benefit businesses throughout the City and will remove the hurdles to development that have existed in the past. It is good that Great Falls is following other cities in the state with enactment of this ordinance and the BID encourages the Commission to support this ordinance. Thank you.

Thank you,

Joan Redeen

Community Director

The Business Improvement District (BID) is the focal point of regional commerce for social, cultural, governmental, business and residential activity in downtown Great Falls. The goal of the BID is to maintain, beautify, and stimulate development in Great Falls' historic downtown district.

As a Main Street America™ Accredited program, Great Falls is a recognized leading

program among the national network of more than 1,200 neighborhoods and communities who share both a commitment to creating high-quality places and to building stronger communities through preservation-based economic development. All Main Street America™ Accredited programs meet a set of National Accreditation Standards of Performance as outlined by the National Main Street Center.
