Thank you for standing up for the constitutional rights of all and not passing the NDO for a small minority. I appreciate the hard decisions that are put before you all and how you have handled them. Thank you again for not folding because other cities have. Thanks again, I am a grateful business owner and community member.

Sincerely, Kathy Workman

CITY CLERK

Dear City Commission,

This letter is in regards of the proposed NDO, Because the Supreme Court of the United States decided that the recognized protection by Title VII of the Civil Rights Act of 1964 exists for the protections proposed in the NDO draft.

If its good enuf for the U.S. Supreme Court --- it should be good enuf for Great Falls, MT.!

Don't waste any more time on this matter.

Sincerely,

C. Robinson

CITY CLERK

Dear Mayor Kelly  
City Commissioners

I am sending this letter to address the Non-Discrimination Ordinance being discussed Tuesday on September 8, 2020. My husband and I are residents of Great Falls, and we are concerned parents, grandparents and great grandparents. We are asking you to vote NO on the NDO.

It is not right that any group receive special rights and privileges that trample on the rights and freedom of another group. Since moving here one year ago we have seen the LGBT movement demanding special rights and privileges and they have received a number of them. No More. Please vote No.

Thank you for your attention to our letter.

Respectfully,
