Good Afternoon -

Thank you for your comments Jon. Your comments will be shared with the Commission and appropriate staff for consideration of Ordinance 3230 (Item 17) on the September 7th Commission meeting agenda - <https://greatfallsmt.net/citycommission/city-commission-meeting-september-7-2021>.

Best regards,

Subject: Dear Mayor and Commissioners

Jon Legan here, City employee in I.T. (living at 120 41st Ave NE).
I am writing in support of the RV ordinance.
My wife and I recently moved into a townhome, in part to escape the plethora of RV's and boats parked throughout our old neighborhood.

The HOA does not allow them which is a welcome change.

Ps. Sadly, 41st Ave NE is not far enough to escape the train noise. I'd suggest everyone who cares about Great Falls to go out and read many of our hotel reviews to better understand what a nuisance the train horns are here. Other Montana towns have added the needed crossings to rid themselves of the excessive horns blowing at all hours of the night (and day).

Thank you and sincerely,

Jon L

George McNew (Jrmcnew@Hotmail.com) sent a message using the contact form at <https://greatfallsmt.net/>.

I feel strongly about having an law put in place. I don't feel safe as they make it hard to see at uncontrolled intersections. The one next to my father's house hasn't moved in years. It is just unsafe to park them on the residential streets.

I understand the need to establish a more firm system of limiting the parking of RV's, Travel Trailers, boats/boat trailers & other large vehicles & equipment on city streets. However, rather than limiting the amount of time that vehicle/item can remain parked on the street to such a short time frame (36 hours), I would advocate simply tightening the enforcement/penalties for an owner who chooses to leave that item on the street. The state code that has been in existence for many years allows a bit longer timeframe (72 hours). I do not see why the City c/would not simply use that time frame but raise the penalties for someone who allows that vehicle to remain on the public right of way. Many properties were never designed to allow a large item to be parked on the property. Having such a short time frame will severely limit many owners from having the time they need to properly fit, unload and/or make the seasonal adjustments or repairs that might be needed for such an item.

Good Morning - thank you for your comments Gary. Your comments will be shared with the Commission and appropriate staff for consideration. At last night's meeting, the Commission postponed action on the Ordinance until the October 19, 2021 Commission meeting.

Best regards,

Lisa Kunz
City Clerk
