Good Morning Krista,

I am sending you the attached letter at the request of Mrs. Myhre.
Mrs. Myhre and her husband brought this letter to the Commission Office this morning.
As a time saver for the Myhre's. I offered to email this to you on their behalf as they were not sure where to go.
They are requesting that this be read at the next City Commission meeting.

Hope you have a good weekend.

Bonnie Fogerty

City & County Commissioners

My husband is a VietNam Veteran. Over the 4th of July weekend, we once again had to leave our home in Great Falls, because of the noise from the fireworks.

The sound of the explosions scares him to the point it brings back the fighting in Nam. It is very hard on him, but also on me.

I ask you why we have to leave our home where he should feel safe,

When we get home our front and back yards look like the aftermath of a war zone, and who is left to clean it up, we are.

I plead with you to make the fireworks illegal to set off in our city of Great Falls, let alone Cascade County. Or make designated areas where they are allowed, and illegal to fire them off in neighborhoods.

Thank you,
Sally Myhre

Dear Mayor Kelly and Commissioners:

Please update citizens on what the City is doing vis-à-vis the Animal Foundation/Maclean-Cameron Animal Adoption Center.

It appears the City is suddenly no longer accepting donations for the HUG Project. Donors and

taxpayers have the right to know why .

Thank you.
