Agenda Item #15

Will there be a complete itemized presentation detailing exactly what will be included in the proposed base contract and Alternate No. 19?

One of the primary reasons for the new Aquatics complex was the need for the Air Force personnel to use the facility for training purposes. However in the bid proposal the Military Training Equipment - Alternate No. 4 is not included. Has the City notified the Wing Commander at Malmstrom of this decision?

The total budget for the project is \$20,000,000.00. To date the City has executed contracts in the amounts of \$1,828,659.00 and \$136,860.00 which totals \$1,965,519.00 leaving a balance of \$18,034,481.00. The bid proposal to be voted on is in the amount of \$18,349,000.00 or \$314,519.00 over the remaining funds. How does the City intend to pay for the additional costs?

Regards,
Jimmy Fulton
