Department: City Commission

Department default assignee: lkunz

Details:

I applaud the Commission for passing Ordinance 3220 and support Resolution 10450 setting fines for illegally stored vehicles, trailers and boats. Fines for violating the ordinance should be set at least as high as those stated. I fear that many repeat offenders will ignore the ordinance, particularly if fines are low. Adequate enforcement will be critical and the penalty for violations must be greater than the cost of providing proper storage.
