## Opportunities, Inc. Housing Stability Services

### Phase 4

#### Monitor Outcomes and Tenancy Sustainability

Client/Family has strong supports and ties to the community, and is ready to branch out on their own. Stabilization plan/assessment tool/narrative is reassessed as necessary, client is held accountable to rules and to engage in supports/community, coaching continues. May include developing an "after care" crisis support plan.

### Phase 3

#### Develop Housing Plan & Provide Housing Stability Services

Beginning use of stabilization plan, client housed or sheltered in accordance with plan, coaching commences, narrative continues to develop, client agrees to try on change (engaging in community and supports/processing experiences with them), client is held accountable to basic rules. \*\*\*\*\* This includes going to "Day Center" - Life Skills will be part of this.

### Phase 2

#### Assess for Housing Needs

Complete the intake paperwork – assessment tool, client housed or sheltered, coaching commences, narrative continues to develop, client agrees to participate in "this partnership" and the process continues.

Note: May shelter for 1 to 3 days during this phase.

### Phase 1

#### Screening for Eligibility & Potential Referral Summary

Initial joining with client, relationship is focus to establish trust, narrative of the family/client is used as initial assessment tool to guide establishment of supports.
