Subject: Public Library dishonesty

Hello City Commissioners,

Unfortunately I am not able to attend the meeting tomorrow with the Library director. However, I find it dishonest & unbecoming of a public library director to first of all expose the children of our city to a drag queen story hour & second to lie about having done so when it was posted all over social media & then hidden in attempt to cover up the immoral act. Furthermore, I have found the financial information regarding the library & possible levy's to also be misleading & demonstrated to be utilized for inappropriate purposes such as hiring social workers. This is not the role of the public Library.

Please consider these things carefully & no longer allow this kind of disgraceful, untrustworthy, & manipulative behavior to continue in the leadership of our public library.

Thank You
