

2/20/24 WS.
Mayor Reeves

Vision Statement:

The Great Falls City Commission envisions a city that embodies the spirit of unity, progress, and unparalleled quality of life. We aspire to cultivate a community that celebrates its rich heritage while embracing innovation and sustainable growth. Our vision is to be a model city where all residents thrive in a safe, and welcoming environment. By fostering collaboration, promoting economic vitality, and championing environmental stewardship, we aim to ensure Great Falls remains a beacon of resilience, opportunity, and civic pride for generations to come. Our core values of honesty, respect and openness will constantly guide our actions.

Mission Statement:

To serve and empower the community of Great Falls, Montana, the City Commission is dedicated to fostering a safe, inclusive, and thriving environment. Committed to transparent governance, responsible stewardship, and collaborative decision-making, we strive to enhance the quality of life for all residents.
