My name is Shyla Patera. I am a resident of the City of Great Falls. I am employed by North Central Living Services, Inc. NCILS is a center for independent living and disability advocacy agency meaning we assist all north central Montanans with disabilities as they navigate service systems. I wish to comment on item 18 on tonight's city commission agenda. As a long time accessibility advocate, housing advocate, as well as transportation advocate, North Central Independent Living Services, Inc living advocates for accessible and contiguous sidewalks and transportation networks throughout the city of Great Falls and beyond. NCILS supports the use of CDBG funds to enhance the contiguous as well as the ADA accessibility sidewalk network around Carter Park. As always, if there are Community and or individual and disabilities accessibility, ADA and fair housing Issues that need to be which North Central independent living can help address, NCILS encourage all residents and city staff to contact North Central Independent Living Services Inc. Thank you for your time and consideration of viewpoints expressed.
