Some people who received this message don't often get email from spatera@ncils.org. [Learn why this is important](#)

My name is Shyla Patera. I am a city resident . In my employment life, I am as the peer and policy coordinator for North Central Independent living in Black Eagle Montana. I want to support funding and projects that enhance. accessibility universal design, as well as competitive integrated employment for people with disabilities. As a community I feel Great Falls is making incremental strides in many of these areas while the strides that have been made are monumental for many residents and businesses.
