

Item: Resolution 9987 to Levy and Assess Properties within the Tourism Business Improvement District

From: Judy Burg, Taxes and Assessments

Initiated By: Annual Assessment Process

Presented By: Melissa Kinzler, Fiscal Services Director

Action Requested: City Commission adopt Resolution 9987

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (adopt/deny) Resolution 9987.”

2. Mayor calls for a second, discussion, inquiries from the public, and calls the vote.

Staff Recommendation: Staff recommends the City Commission adopt Resolution 9987 to levy and assess properties within the Tourism Business Improvement District (TBID).

Background: The Tourism Business Improvement District was established by Resolution 9792 on December 2, 2008, for a period of ten years by petition of the property owners within the District. Its overall purpose is to utilize assessments through the TBID tax assessment and direct those monies for the purpose of promoting tourism, conventions, trade shows and travel to the City of Great Falls.

As required by State statute 7-12-1132 M.C.A., the TBID presented a proposed work plan and budget and recommended a method of levying an assessment on the properties within the district that best ensures the assessment on each lot or parcel is equitable in proportion to the benefits to be received for fiscal year 2012/2013. This presentation was held by the City Commission regular session on July 17, 2012. Following the public hearing held on August 7, 2012, the City Commission moved to adopt the 2013 Work Plan and budget for the TBID.

Concurrences: The TBID partners with several organizations, such as the 4-Seasons Sports Foundation, Great Falls Public Schools, and the Great Falls Convention and Visitors Bureau to carry out the overall purpose of promoting tourism, conventions, trade shows and travel to the City of Great Falls. Fiscal Services staff is responsible for assessing and collecting the revenues.

Fiscal Impact: The assessment formula as presented to the property owners and recommended to the City Commission is as follows:

- The applicable hotels shall be subject to an annual assessment of one dollar (\$1.00) per occupied room night as prescribed in Section 7-12-1133 (c) MCA

The assessment requested for 2012/2013 is based on the above assessment formula and will generate approximately FOUR HUNDRED FOURTEEN THOUSAND FIVE HUNDRED FOURTEEN DOLLARS (\$414,514) in assessment revenue. The 2012/2013 estimated assessment per lot or parcel is indicated on the assessment projection summary as Exhibit "A" incorporated and made a part of Resolution 9987.

Alternatives: The City Commission could choose to deny the adoption of Resolution 9987 to assess the property owners within the Tourism Business Improvement District. However, on August 7, 2012, the City Commission approved the Tourism Business Improvement District budget which identifies the Tourism Business Improvement District assessment as 100% of the operating revenues. Denial of Resolution 9987 will prevent the Tourism Business Improvement District from carrying out the City Commission previously approved budget.
