From: Melissa Kinzler, Fiscal Services Director

Initiated By: Fiscal Services

Presented By: Melissa Kinzler, Fiscal Services Director

Action Requested: Adoption of Resolution 9999

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (adopt/deny) Resolution 9999.”

2. Mayor calls for a second, discussion, public comment, and calls for the vote.

Staff Recommendation: Staff recommends adoption of Resolution 9999 (Resolution), authorizing the amendment and restatement of Sanitary Sewerage System Revenue Bonds, Series 2002B.

Background: The City of Great Falls was approached by the Montana Department of Natural Resources (DNRC) in July, 2012 about reducing interest rates for outstanding loans under the State revolving loan fund programs. The City currently has three sewer bonds under the program, Series 2002B at an interest rate of 4%, Series 2009B at 1.75%, and Series 2012 at 3%. The Series 2002B bonds qualify for the reduction of interest rate from 4.00% to 2.00% saving the City an estimate \$633,887. The other bonds will remain at the current rates. The Resolution also addresses the City's plan on using the cost savings to payoff interest and principal on the Series 2002B Bond. The reduction in the interest rate and payoff on the bonds will require less cash reserves which is where the cash will come from to make the payments. The Resolution also amends Article VI of the 2002B Resolution regarding indemnification.

Dorsey & Whitney, LLC will serve as bond counsel. In this capacity, they prepare necessary documents requiring action by the City Commission, staff, and the DNRC. They will provide assurance that the procedures used to issue the bonds are in compliance with rules and regulations regarding the issuance of tax exempt revenue bonds. They will also insure the City is in compliance with existing bond ordinances of the outstanding Sewer System Revenue Bonds.

Fiscal Impact: Total savings in interest on the Series 2002B Bonds will be \$633,887. The cost of issuance will be \$2,500.

Alternatives: The City Commission may deny passage of the Resolution and the lowering of the interest rate.

RESOLUTION NO. 9999

RESOLUTION RELATING TO AMENDED AND RESTATED SANITARY SEWERAGE SYSTEM REVENUE BOND (DNRC WATER POLLUTION CONTROL STATE REVOLVING LOAN PROGRAM)

BE IT RESOLVED by the City Commission of the City of Great Falls, Montana (the “City”), as follows:

Section 1. Recitals.

1.01. Issuance of Prior Bonds. Pursuant to Resolution No. 9227 adopted by the City Commission on May 7, 2002 (the “2002A Resolution”), as amended and supplemented by Resolution No. 9228 adopted on May 7, 2002 (the “2002B Resolution”), Resolution No. 9454 adopted on January 18, 2005, Resolution No. 9863 adopted on September 1, 2009 and Resolution No. 9986 adopted on July 17, 2012 (collectively, the “Prior Resolutions”), the City authorized the issuance of its Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2002B, in the maximum principal amount of \$12,100,000 (the “Series 2002B Bond”), in order to finance improvements (collectively, the “Improvements”) to its municipal sewer system (the “System”), as more particularly described in the 2002B Resolution. The Series 2002B Bond was originally issued as of May 15, 2002, and was purchased and is currently held by the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”). There are no other bonds or indebtedness of the City that are outstanding and payable from revenues of the System, except the Sanitary Sewerage System Revenue Bonds, Series 2005, issued in the maximum principal amount of \$5,005,000 (the “Series 2005 Bonds”), the Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2009B, issued in the maximum principal amount of \$359,300 (the “Series 2009B Bond”) and the Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2012, issued in the maximum principal amount of \$3,800,000 (the “Series 2012 Bond”). Terms with initial capital letters used but not defined herein have the meanings given them in the Prior Resolutions.

1.02. Interest Rate Reduction. Pursuant to the Intended Use Plan for fiscal year 2013 (the “IUP”) for the Water Pollution Control State Revolving Loan Program (the “Program”), the DNRC and the Department of Environmental Quality of the State of Montana have determined that it is in the best interests of borrowers of loans made under the Program and the Program to reduce the interest rates available under the Program.

1.03. Reduction in Interest Rate on Series 2002B Bond. It is proposed that debt service on the Series 2002B Bond be reduced in accordance with the interest rate reduction proposal under the IUP, thereby reducing the interest rate on the Series 2002B Bond from four percent (4.00%) per annum to two percent (2.00%) per annum from and after the date of delivery of the First Amended and Restated Series 2002B Bond.

Section 2. Amendment of the Prior Resolutions and Prior Bonds.

2.01. Authorization for Amendment. The City in Section 9.02 of the 2002A Resolution reserved the right to amend the 2002A Resolution or any Supplemental Resolution with the consent of the Holders of all Bonds issued thereunder and affected thereby. Amendment of the 2002B Resolution also requires the consent of the DNRC.

2.02. Consent of DNRC. The DNRC has agreed to the amendment of the 2002B Resolution and the Series 2002B Bond in order to effect the reduction in interest rates described in Section 1.03 of this Resolution.

2.03. Amendment of Prior Resolutions. Pursuant to the authority cited in Sections 2.01 and 2.02 of this Resolution:

(a) The 2002B Resolution is hereby amended effective as of the date of delivery of the First Amended and Restated Series 2002B Bond (as hereinafter defined) to read as follows:

(i) all references to the aggregate interest rate, or that interest rate that includes the interest rate and all surcharges, on the Series 2002B Bond are hereby amended to read 2.00% per annum, instead of 4.00% per annum; (ii) all references to the interest rate on the Series 2002B Bond exclusive of any surcharges are hereby amended to read 1.25% per annum, instead of 2.25% per annum; (iii) the administrative expense surcharge on the Series 2002B Bond will continue in effect at 0.75% per annum; and (iv) the loan loss reserve surcharge on the Series 2002B Bond will discontinue and be of no further force or effect; and

(ii) the total principal amount of the First Amended and Restated Series 2002B Bond is \$5,590,000.

(b) Article VI of the 2002B Resolution is hereby amended effective as of the date of delivery of the First Amended and Restated Series 2002B Bond (as hereinafter defined) to read as follows:

“The Borrower shall, to the extent permitted by law, indemnify and save harmless the DNRC, and the DEQ and their officers, employees and agents (each an “Indemnified Party” or, collectively, the “Indemnified Parties”) against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2002B Project. The Borrower shall also, to the extent permitted by law, indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys’ fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of such claim or demand, the Borrower shall, upon notice from an Indemnified Party, defend such proceeding on behalf of the Indemnified Party.”

(c) Except as expressly noted herein, other interest rates or surcharges are not adjusted, including, without limitation, interest on past-due amounts.

2.04. Amendment of Form of Bond. Pursuant to the authority cited in Sections 2.01 and 2.02 of this Resolution, effective as of the date of delivery, the Series 2002B Bond attached as Appendix B to the 2002B Resolution is hereby amended and restated in its entirety substantially as set forth on the attached Appendix A (the “First Amended and Restated Series 2002B Bond”).

2.05. Effect of Amendments. Except as amended by Sections 2.03 and 2.04 of this Resolution, the Prior Resolutions shall remain in full force and effect as amended by Sections 2.03 and 2.04 of this Resolution for the benefit of the holders from time to time of the First Amended and Restated Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond and the Series 2012 Bond and any other Bonds now outstanding and any Additional Bonds that may be issued thereunder.

Section 3. Preparation and Delivery of Amended and Restated Bonds. The First Amended and Restated Series 2002B Bond shall be prepared under the direction of the City Fiscal Services Director and shall be executed on behalf of the City by the signatures of the Mayor, the City Manager, the City Fiscal Services Director and the City Clerk and sealed with the official corporate seal of the City. When the First Amended and Restated Series 2002B Bond has been executed, the City Fiscal Services Director shall cause it to be dated as of the date of delivery and delivered to the DNRC, as purchaser thereof, in anticipation of the surrender of the Series 2002B Bond.

Section 4. Debt Service Account; Reserve Account. The City Fiscal Services Director is authorized and directed to transfer amounts in the Debt Service Account to pay interest owing on the Series 2002B Bond as of the date of delivery of the First Amended and Restated Series 2002B Bond. The City Fiscal Services Director is further authorized and directed to transfer amounts made available in the Reserve Account because of the foregoing interest rate adjustments to the Debt Service Account to prepay the Series 2002B Bond or any other Bonds outstanding as of the date of delivery of the First Amended and Restated Series 2002B Bond, to pay costs of issuance of the First Amended and Restated Series 2002B Bond, or to any other eligible fund or account or for any other eligible purpose, as described more particularly in certificates or documents delivered in conjunction with the delivery of the First Amended and Restated Bond Series 2002B Bond.

Section 5. Tax Matters.

5.01. General Covenants. The City covenants and agrees with the owners from time to time of the First Amended and Restated Series 2002B Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the First Amended and Restated Series 2002B Bond to become includable in gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”), and applicable Treasury Regulations (the “Regulations”), and covenants to take any and all actions within its powers to ensure that the interest on the First Amended and Restated Series 2002B Bond will not become includable in gross income for federal income tax purposes under

the Code and the Regulations. The Improvements and the System are each owned and maintained by the City and available for use by members of the general public on a substantially equal basis. The City agrees not to enter into any lease, use or other agreement with any non-governmental person relating to the use of the Improvements or the System or security for the payment of the First Amended and Restated Series 2002B Bond which might cause the First Amended and Restated Series 2002B Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

5.02. Arbitrage Rebate. The City acknowledges that the First Amended and Restated Series 2002B Bond is subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the First Amended and Restated Series 2002B Bond from gross income for federal income tax purposes. In furtherance of the foregoing, the City Fiscal Services Director is hereby authorized and directed to execute a Rebate Certificate, substantially in the form of the Rebate Certificate prepared by Bond Counsel and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

5.03. Certification. The Mayor, the City Manager, the City Fiscal Services Director and the City Clerk, being the officers of the City charged with the responsibility for issuing the First Amended and Restated Series 2002B Bond pursuant to this resolution, are authorized and directed to execute and deliver to the DNRC certifications to satisfy the provisions of Sections 1.148-2(b) of the Treasury Regulations relating to a reasonable expectation that the proceeds of the First Amended and Restated Series 2002B Bond will be used in a manner that will not cause it to be an arbitrage bond.

5.04. Information Reporting. The City shall file with the Secretary of the Treasury, not later than May 15, 2013, a statement concerning the First Amended and Restated Series 2002B Bond containing the information required by Section 149(e) of the Code.

5.05. No Bank Qualification or Counting Toward Qualified Small Issuer Status. Because the reissuance effected by the First Amended and Restated Series 2002B Bond is a deemed current refunding and the principal amount of the First Amended and Restated Series 2002B Bond does not exceed the principal amount of the outstanding Series 2002B Bond, pursuant to Section 265(b)(3)(C)(ii)(III) of the Code, the First Amended and Restated Series 2002B Bond is hereby not taken into account in determining the City’s status as a qualified small issuer under Section 265(b)(3) of the Code.

5.06. Program Covenants. The City agrees that (i) neither it nor any “related person” to the City (within the meaning of Section 147(a)(2) of the Code) shall, whether pursuant to a formal or informal arrangement, acquire bonds issued by the State under the Trust Indenture for the Program in an amount related to the amount of the First Amended and Restated Series 2002B Bond; and (ii) for purposes of the Program, the issuance of the First Amended and Restated Series 2002B Bond constitutes a “deemed” refunding of the Series 2002B Bond effective as of the date of delivery of the First Amended and Restated Series 2002B Bond and the DNRC shall

be deemed to have relented the proceeds of the Series 2002B Bond under the Program effective as of such date.

Section 6. Certification and Effective Date.

6.01. Certification. The officers of the City are authorized and directed to prepare and furnish to the DNRC and to the attorneys rendering an opinion as to the legality of the First Amended and Restated Series 2002B Bond, certified copies of all ordinances, resolutions and records and such other certificates, affidavits and other instruments as may be required to evidence the validity, status of tax-exempt interest, or marketability of the First Amended and Restated Series 2002B Bond and all such certified copies, certificates and affidavits shall constitute representations of the City as to the truth of all statements of fact contained therein.

6.02. Effective Date. This Resolution shall be in full force and effect from and after its passage. The amendments to the First Amended and Restated Series 2002B Bond noted herein, however, shall be effective only from and after the date of delivery of the First Amended and Restated Series 2002B Bond.

Adopted by the City Commission of the City of Great Falls, Montana, on this 20th day of November, 2012.

FOR VALUE RECEIVED, THE CITY OF GREAT FALLS, MONTANA (the “Borrower”), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and, for value received, hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”), or its registered assigns, solely from the Debt Service Account of its Sanitary Sewerage System Fund, the principal amount of FIVE MILLION FIVE HUNDRED NINETY THOUSAND DOLLARS (\$5,590,000), with interest thereon from the date hereof at the rate of one and twenty-five hundredths percent (1.25%) per annum on the unpaid balance until paid. In addition, the Borrower shall pay an Administrative Expense Surcharge on the outstanding principal amount of this Bond at the rates of seventy-five hundredths of one percent (0.75%) per annum. Principal, interest and Administrative Expense Surcharge shall be payable in semiannual installments payable on each January 1 and July 1 (each a “Loan Repayment Date”), commencing January 1, 2013. Each installment shall reflect interest and surcharges at an aggregate rate of two percent (2.00%) per annum and shall be in the amount set forth opposite its due date in Schedule A hereto under “Total Loan Payment.” The portion of each such payment consisting of principal, the portion consisting of interest and the portion consisting of Administrative Expense Surcharge shall be as set forth in Schedule A hereto. Interest and Administrative Expense Surcharge shall be calculated on the basis of a 360-day year comprising 12 months of 30 days each. All payments under this Bond shall be made to the registered holder of this Bond, at its address as it appears on the Bond Register, in lawful money of the United States of America.

This Bond is one of an issue of Sanitary Sewerage System Revenue Bonds of the Borrower authorized to be issued in one or more series from time to time, and constitutes a series in the maximum authorized principal amount of \$12,100,000 (the “Series 2002B Bond”). The Series 2002B Bond is issued to refinance costs of construction of certain improvements to the sewer system of the Borrower (the “System”). The Series 2002B Bond is issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 7, Parts 44 and 45, as amended, and

ordinances and resolutions duly adopted by the governing body of the Borrower, including Resolution No. 9227 (the "Original Resolution"), adopted by the City Commission on May 7, 2002, as amended and supplemented by Resolution Nos. 9228, 9454, 9863, 9986 and 9999, adopted May 7, 2002, January 18, 2005, September 1, 2009, July 17, 2012 and November 20, 2012 (as so amended and supplemented and as hereafter amended and supplemented in accordance with its terms, the "Resolution"). Terms used with initial capital letters but not defined herein have the meanings given them in the Resolution. The Series 2002B Bond is issuable only as a single, fully registered bond. The Series 2002B Bond is issued on a parity and is equally and ratably secured by Net Revenues of the System with the Borrower's outstanding Sanitary Sewerage System Revenue Bonds, Series 2005 (the "Series 2005 Bonds"), Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2009B (the "Series 2009B Bond"), and Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2012 (the "Series 2012 Bond") (all such Bonds, collectively, the "Outstanding Bonds").

Reference is made to the Resolution for a more complete statement of the terms and conditions upon which the Series 2002B Bond has been issued, the Net Revenues of the System pledged and appropriated for the payment and security thereof, the conditions upon which additional bonds may be issued under the Resolution and made payable from such Net Revenues on a parity with the Outstanding Bonds (collectively, the "Bonds") or otherwise, the conditions upon which the Resolution may be amended, the rights, duties and obligations of the Borrower, and the rights of the owners of the Series 2002B Bond.

The Borrower may prepay the principal of the Series 2002B Bond only if (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2002B Bond is prepaid in part, such prepayments shall be applied to principal payments in inverse order of maturity.

The Series 2002B Bond, including interest and any premium for the redemption thereof, are payable solely from the Net Revenues pledged for the payment thereof and do not constitute a debt of the Borrower within the meaning of any constitutional or statutory limitation or provision.

The Borrower may deem and treat the person in whose name this Series 2002B Bond is registered as the absolute owner hereof, whether this Series 2002B Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and the Borrower shall not be affected by any notice to the contrary. The Series 2002B Bond may be transferred as hereinafter provided.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that the Borrower will prescribe and collect reasonable rates and charges for all services and facilities afforded by the System, including all additions thereto and replacements and improvements thereof, and has created a special Sanitary Sewerage System Fund into which the gross revenues of the System will be paid, and a separate and special Debt Service Account in the Sanitary Sewerage System Fund, into which will be paid each month, from and as a first and prior lien on

the Net Revenues of the System then on hand, an amount equal to not less than the sum of one-sixth of the interest to become due within the next six months and one-twelfth of the principal to become due within the next twelve months with respect to all Bonds payable from the Debt Service Account; that the Borrower has created a Reserve Account in the Sanitary Sewerage System Fund into which shall be paid additional Net Revenues, after required credits to the Debt Service Account sufficient to maintain a reserve therein equal to the maximum amount of principal and interest payable on the Bonds in the current or any future fiscal year; that the Debt Service Account will be used only to pay the principal of, premium, if any, and interest on the Bonds and any other additional Bonds issued pursuant to the Resolution on a parity therewith; that the rates and charges for the System will from time to time be made and kept sufficient, to provide gross income and revenues adequate to pay promptly the reasonable and current expenses of operating and maintaining the System and to produce during each fiscal year Net Revenues not less than 125% of the maximum annual principal and interest payable on the outstanding Bonds in the current or any future fiscal year; that additional bonds may be issued and made payable from the Debt Service Account on a parity with the outstanding Bonds upon certain conditions set forth in the Resolution, but no obligation will be otherwise incurred and made payable from the Net Revenues of the System, unless the lien thereof shall be expressly made subordinate to the lien of the outstanding Bonds on such Net Revenues; that all provisions for the security of the holder of this Series 2002B Bond set forth in the Resolution will be punctually and faithfully performed as therein stipulated; that all acts, conditions and things required by the Constitution and laws of the State of Montana and the ordinances and resolutions of the Borrower to be done, to exist, to happen and to be performed in order to make this Series 2002B Bond a valid and binding special obligation of the Borrower according to its terms have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required; and that this Series 2002B Bond and the interest hereon are payable solely from the Net Revenues of the System pledged and appropriated to the Debt Service Account and do not constitute a debt of the Borrower within the meaning of any constitutional or statutory limitation or provision and the issuance of the Series 2002B Bond does not cause either the general or the special indebtedness of the Borrower to exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City of Great Falls, Montana, by its governing body, has caused this Bond to be executed by the signatures of its Mayor, City Manager, City Fiscal Services Director, and City Clerk, and has caused the official seal of the Borrower to be affixed hereto, and has caused this Bond to be dated as of the 16th day of January, 2013.
