

Item: Sale of Surplus Equipment
From: Tom Hugg, Vehicle Maintenance Supervisor
Initiated By: Public Works Department
Presented By: Jim Rearden, Public Works Director
Action Requested: Declare Equipment Surplus

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (approve/reject) the declaration of the attached list of property as surplus.”

2. Mayor calls for a second, discussion, inquiries from the public, and calls for the vote.

Staff Recommendation: Staff recommends that the City Commission declare the attached list of property as surplus.

Background:

Purpose:

City Code Section 3.04.070 requires that any property with an estimated value of \$1,000 or more be formally declared surplus by the City Commission before the property may be sold.

Significant Impacts:

The City is no longer holding public auctions for the sale of surplus equipment. In 2011 a sealed bid process was used. The City sold 25 pieces of equipment for the amount of \$63,187.81, less the advertising costs of \$260.60.

This year the City has 45 pieces of equipment to sell and will start that process in early March.

Alternatives: The City Commission could vote to reject the declaration of the equipment as surplus.

Attachments/Exhibits: Attachment A – List of property for sealed bid sales that may sell for \$1,000 or more.
