

Item: Set Public Hearing for Resolution 10037 to Levy and Assess Properties within Special Improvement Lighting Districts

From: Judy Burg, Taxes and Assessments

Initiated By: Annual Assessment Process

Presented By: Melissa Kinzler, Fiscal Services Director

Action Requested: City Commission set Public Hearing date for Resolution 10037 to levy and assess properties within Special Improvement Lighting Districts

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission set a Public Hearing date on Resolution 10037 for September 17, 2013 at 7:00 p.m. to levy and assess properties within Special Improvement Lighting Districts.”

2. Mayor calls for a second, discussion, public comment, and calls the vote.

Staff Recommendation: Staff recommends the City Commission set a public hearing date for September 17, 2013.

Background: There are currently 26 Special Improvement Lighting Districts (SLD’s) with approximately 9,420 roadway lights, lighting over 76% of the city. The majority (97%) of the roadway lights are owned by Northwestern Energy. The City pays a maintenance fee to Northwestern Energy for the lights in addition to a fee which covers the electrical supply and distribution. The remaining 3% of roadway lighting is City-owned. The Special Improvement Lighting District funds are administered by the Fiscal Services Department. The purpose of the fund is to maintain the light poles and furnish electrical current for the lighting districts throughout the year. After determining financial factors pertinent to the operation of the special improvement lighting districts, an assessment amount for the next fiscal year is calculated, budgeted and presented to the City Commissioners for approval.

As part of the annual budget development and adoption procedures, the Special Improvement Lighting Districts Assessment Resolution must be submitted for City Commission action. A public notice and hearing is required prior to final passage of the assessment resolution.

Concurrences: Fiscal Services staff is responsible for the operational expenses, along with assessing and collecting the revenues; Public Works is responsible for the maintenance of all City-owned lighting districts.

Fiscal Impact: Adoption of Resolution 10037 will allow the City to fund the operational and maintenance costs required in the Special Improvement Lighting Districts for the fiscal year.

ASSESSMENT ANTICIPATED

The anticipated assessment amount for the Special Improvement Lighting District funds for the next fiscal year is ONE MILLION NINE HUNDRED SEVENTY-SIX THOUSAND FOUR HUNDRED TWENTY-SEVEN DOLLARS (\$1,976,427.) After review of the budget and the estimated assessment for Fiscal Year 13/14, the assessment amounts were adjusted to reflect the same assessment as last year with the exception of three lighting districts. Special Lighting Districts 1269, 1294 and 1304 were increased to compensate for the deficiencies in their cash balances from the prior fiscal year.

<u>BUDGETED</u> <u>TOTAL ASSESSMENT</u>	<u>FISCAL YEAR</u>
\$1,390,777	09/10 (26 Districts)
\$1,595,981	10/11 (26 Districts)
\$1,766,640	11/12 (26 Districts)
\$1,955,853	12/13 (26 Districts)
\$1,976,427	13/14 (26 Districts)

The 13/14 assessment per district is indicated on the SLD Cost Assessment Projection Sheet attached as Exhibit "A" and made a part of Resolution 10037.

Alternatives: The City Commission could choose to not set the public hearing and thereby deny the adoption of Resolution 10037; however, the reduction in services to the community could be hazardous to the safety and welfare of the general public.
