(a) the property is owned and operated by an entity, including but not limited to a limited partnership, limited liability corporation, or limited liability partnership in which a general partner is a nonprofit corporation exempt from taxation under section 26 U.S.C. 501(c)(3), as amended, and incorporated and admitted under the Montana Nonprofit Corporation Act as provided in Title 35, chapter 2, or is a housing authority as defined in 7-15-4402 and the nonprofit general partner actively participates in accordance with the definition found in 26 U.S.C. 469(i). (b) the board of housing, established in 2-15-1814, has allocated low-income housing tax credits to the owner under 26 U.S.C. 42, which requires that:

(i) at least 20% of the residential units in the property are rent-restricted, as defined in 26 U.S.C. 42, and rented to tenants whose household incomes do not exceed 50% of the median family income, adjusted for family size, for the county in which the property is located; or

(ii) at least 40% of the residential units in the property are rent-restricted, as defined in 26 U.S.C. 42, and rented to persons whose household incomes do not exceed 60% of the median income, adjusted for family size, for the county in which the property is located;

(d) the property meets a public purpose in providing housing to an underserved population and provides a minimum of 50% of the units in the property to tenants at 50% of the median family income for the area, with rents restricted to a maximum of 30% of 50% of median family income, as calculated under 26 U.S.C. 42; and

(2) Prior to the allocation of low-income housing tax credits to the owner, as provided in subsection (1)(b), the unit of local government where the proposed project is to be located shall give due notice, as defined in 76-15-103, and hold a public hearing to solicit comment on whether the proposed qualifying low-income rental housing property meets a community housing need. A record of the public hearing must be forwarded to the board of housing for consideration in granting the allocation of tax credits.

(3) For purposes of this section the following definitions apply:

(a) "Median family income" means the household income, adjusted for family size, determined annually by the United States department of housing and urban development, or its successor agency, to be the median family income for persons residing within each county of the state.

(b) A residential unit is "rent-restricted" if it satisfies the criteria of 26 U.S.C. 42(g)(2).

Pursuant to the public notice requirements in 76-15-103, MCA, public hearing notices have been published in the *Great Falls Tribune* Legal Section on February 28, 2014, and March 14, 2014.
