From: Jennifer Reichelt, Deputy City Manager

Presented By: Jennifer Reichelt, Deputy City Manager

Action Requested: Set a public hearing on Resolution 10071 for April 15, 2014.

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission set a public hearing on Resolution 10071 for April 15, 2014.”

2. Mayor calls for a second, discussion, public comment, and calls the vote.

Staff Recommendation: Set a public hearing on Resolution 10071, Revising Fees for the Mansfield Center for the Performing Arts, for April 15, 2014.

Background: In February 2014, the Commission adopted Resolution 10053, which set a new fee structure for the Mansfield Center for the Performing Arts (MCPA). Although the Commission adopted the Resolution as proposed, it acknowledged concerns from the public about some of the proposed fees, and invited interested parties to offer any fiscally sound alternatives that would address those concerns, without defeating the intent of the Resolution to reduce reliance upon general fund revenues to support activities at the Mansfield.

The City’s Mansfield Center for the Performing Arts Advisory Board met again in late February and March to re-examine the proposed fee structure and discuss fiscally sound alternative fee proposals. In addition, in March, the operation of the MCPA transitioned from the Park and Recreation Department to the City Manager’s Office. This management change resulted in a better understanding and appreciation of the Mansfield’s complex fee structures.

Over the past six weeks the Deputy City Manager, Fiscal Services Director, Events Supervisor and Chair of the MCPA Advisory Board have worked closely to review the new fee structure, evaluate revenue estimates and assess the language and intent of Resolution 10053, consistent with prior Commission direction.

During the review, it became apparent that the fee structure adopted in Resolution 10053 required additional clarification. Staff also realized that the pre-existing \$2 per ticket convenience fee, charged to tickets purchased online, by mail and phone was not included in the resolution; however a new per-order fee of \$2 was included. The MCPA began charging a \$2 convenience fee in August 2004, when staff began using their new ticketing software program, Showare.

The MCPA is a very complex operation. It consists of the Mansfield Theater, Mansfield Convention Center and several meeting rooms. The venue provides services – from staffing, to setup and teardown as well as equipment and box office services for an event. Other services provided include professional backstage crew, box office staff, ushers, and staff to sell merchandise as well as high speed internet access and concessions.

The Mansfield Theater was built in the 1930s as part of the Civic Center. Its historical elegance, intricate architectural design and acoustics are unrivaled throughout the state. The Theater seats 1,782 and the space is adaptable for concerts, ballet, grand opera, road shows, off-Broadway stage productions, travelogues, conventions and lectures.

The Mansfield Convention Center is 15,300 square feet in size and is a venue for conventions, trade shows, meetings, concerts, fundraisers, banquets and wedding receptions. The Convention Center offers a kitchen, concession room, restrooms, atriums and a mezzanine area. The floor space may be divided using pipe and drape. It most recently was the venue for The Russell: An Exhibition and Sale to Benefit the C.M. Russell Museum.

The five meeting rooms rented by MCPA include the Missouri Room, Ryan Room, Rainbow Room, Gibson Room and Commission Chambers. In total, the Theater, Convention Center and other meeting rooms consist of more than 48,000 square feet of meeting space; more space than that offered by any hotel in Great Falls.

MCPA also provides professional Box Office services. The Mansfield Box Office provides an internet-based, real-time solution for promoters to sell tickets. The Mansfield Box Office provides a store front with regular hours, phone number, internet site and professional staff dedicated to selling tickets. Tickets may be purchased 24/7 online or in person, by mail or phone during regular business hours. The ticketing system is not limited by type of event or the location of the venue, is PCI compliant and provides a certified audit trail of all ticket revenue.

Concurrences: The City Commission adopted Resolution 10053, at the February 18, 2014, Commission Meeting, setting new fees for the MCPA.

Since the adoption of Resolution 10053, the Mansfield Advisory Board has met on February 21, March 14, and March 28, 2014, to further discuss and refine the new fee structure, as well as further the Commission's intent to make the operation of the Mansfield less reliant on general fund support. Commissioners Bronson and Kelly have sat in on some of these discussions.

After much thoughtful discussion and review, the Mansfield Advisory Board is making the following recommendations regarding fee changes, related to ticketing, for consideration by the City Commission:

- Re-Establish the Convenience Fee of \$2.00 per ticket on Single Tickets
 - Applies to all tickets purchased online/mail/phone
 - While the Convenience Fee was not included in Resolution 10053, it has been collected since August 2004 and is not considered a “*new fee*.”
- Reduce the Convenience Fee to \$1.00 per ticket on tickets sold in a package
 - Applies to all package tickets purchased online/mail/phone
 - Package tickets may also be referred to as series tickets or a subscription purchase.
- Eliminate the \$2.00 per order fee set in Resolution 10053
 - Fee was created to cover the costs associated with mailing and staffing will-call.
 - At this time, staff and the Mansfield Advisory Board believe the Convenience Fee and the new ticket surcharge should be able to bear this cost.
- Reduce the ticket surcharge from \$2.00 per ticket to \$1.50 per ticket
 - The reduction is being made based on feedback received from users who sell package and series subscriptions and revenue estimates.
 - The ticket surcharge will be collected on all tickets
 - The fee is charged to the renter/promoter presenting an event

Fiscal Impact: Based on estimated ticket figures and the proposed fee structure for the MCPA, if the above fees are adopted new revenue is estimated at \$90,484 (this figure does not take into account the \$2 convenience fee, which is not considered new revenue, since it was previously being collected).

Alternatives: (1) The Commission could choose not to set the public hearing on Resolution 10071 and keep the fees for the MCPA as adopted in February; (2) The Commission could choose not to set the public hearing on Resolution 10071, and direct the Mansfield Advisory Board to consider other proposals.
