

Item: Two New Tandem Axle Trucks with New Sideload Refuse Packers
From: Ross Bartell, Sanitation Supervisor
Initiated By: Public Works Department
Presented By: Jim Rearden, Public Works Director
Action Requested: Award Bid

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (approve/reject) the bid award for two new Peterbilt 320 tandem axle trucks with new Heil DPF 7000 33 yard sideload refuse packers to Montana Peterbilt of Great Falls for \$508,300, including trade-ins.”

2. Mayor calls for a second, discussion, public comment, and calls for the vote.

Staff Recommendation: Staff recommends that the City Commission award the bid for two new Peterbilt 320 tandem axle trucks with new Heil DPF 7000 33 yard sideload refuse packers to Montana Peterbilt of Great Falls for \$508,300, including trade-ins.

Background:

Purpose

These units will be used for residential solid waste collection.

Evaluation and Selection Process

The specifications were advertised two times in the Great Falls Tribune, placed on the City of Great Falls website, and mailed to five prospective bidders. The bids were opened on October 8, 2014 with three bidders responding, each with alternative bids. The City Commission postponed the bid award at the October 21, 2014 City Commission meeting to allow staff additional time to further review the bids.

Staff recommends accepting the trade-in offer of \$6,000 for the 2002 Volvo WXR 64, VIN #4V2EC6UE03N340033, Unit #908; and \$5,000 for the 2002 Volvo WXR 64, VIN #4V2EC6UE81N317418, Unit #923.

Conclusion

The bid by Montana Peterbilt meets specifications for the tandem axle trucks with sideload refuse packers. Montana Peterbilt submitted four bids with the same Peterbilt 320 cab/chassis and four different packers. The lowest bid was for a Labrie Automizer; mainly produced and used in Canada. City Sanitation has never worked with or owned this type of packer, so replacement parts would be an issue. Staff went to Billings to view the new Heil packer in use and receive feedback from the Billings Sanitation staff. Finding no issues with the Heil packer staff recommends awarding the second lowest of the four bids (difference of \$3,392).

Fiscal Impact: Funds for this purchase are provided in the FY 2014 Sanitation Budget.

Alternatives: Reject the bids for the purchase of two new tandem axle trucks with new sideload refuse packers.
