From: Judy Burg, Taxes and Assessments

Initiated By: Annual Assessment Process

Presented By: Melissa Kinzler, Fiscal Services Director

Action Requested: City Commission Set Public Hearing Date for Resolution 10144 to Levy and Assess Special Improvement Portage Meadows Maintenance District No. 1195

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (set/not set) a Public Hearing date on Resolution 10144 for August 2, 2016 at 7:00 p.m. to levy and assess Special Improvement Portage Meadows Maintenance District No. 1195.”

2. Mayor requests a second to the motion, Commission discussion, public comment, and calls for the vote.

Staff Recommendation: Staff recommends the City Commission set a public hearing date for August 2, 2016.

Background: In February 1977, Resolution 6913 created Special Improvement Maintenance District 1195 for the purpose of maintaining the Green Belt of the Portage Meadows Addition. The assessment covers the costs of materials, snow removal labor, water, mowing labor, fertilizer costs and labor, aerification labor, and tree pruning, which was part of the original Planned Unit Development.

The budget development process begins in January of each year when the Natural Resources – Boulevard Division receives its midyear financial reports. The midyear reports and subsequent reports are used to determine the current financial position of the department. Information is gathered regarding the actual and anticipated expenses, future projects, goals and objectives of the department.

After calculating all factors pertinent to the operation of the Natural Resources – Boulevard Division, an assessment amount for the next fiscal year is calculated, proposed and presented to the City Commissioners for approval. No recommendation for an increase is proposed for Fiscal Year 2017.

In order to legally provide for the necessary assessment support, State laws require City Commission hearings and passage of authorizing resolutions. Section 7-12-4102, 7-12-4176 and 7-12-4179 M.C.A. authorizes the City Commission to create and assess the costs of work, improvements, and maintenance to the owners of property within the boundaries of such district.

As part of the annual budget development and adoption procedures, the Special Improvement Portage Meadows Maintenance District Assessment Resolution must be submitted for City Commission action. A public notice and hearing is required prior to final passage of the assessment resolution.

Concurrences: Park and Recreation staff are responsible for the operational expenses of the Portage Meadows District Fund. Fiscal Services staff are responsible for assessing and collecting the revenues necessary to carry out the operations.

Fiscal Impact: Adoption of Resolution 10144 will allow the City to finance the cost of repairs and maintenance required each year in the Special Improvement Portage Meadows Maintenance District.

ASSESSMENT ANTICIPATED

The anticipated assessment amount for Portage Meadows Boulevard Maintenance for the next fiscal year is the amount reflected in the FY 2017 Budget. The Portage Meadows Boulevard Area assessment will remain the same as last fiscal year. This equates to an assessment factor of \$0.069002 per square foot, for a total of \$58,079, and will result in an annual assessment of \$310.58 for an average lot of 4,501 square feet (4,501 sq ft x 0.069002 factor = \$310.58.)

Alternatives: The City Commission could choose to not set the public hearing and thereby deny the adoption of Resolution 10144 to Levy and Assess Special Improvement Portage Meadows Maintenance District; however, the City agreed to provide the services when the land area was donated to the City. The proposed assessment will allow for the recovery of costs incurred providing those services.
