Staff Recommendation: Staff recommends the City Commission conduct the public hearing and adopt Resolution 10150.

Background: Prior to the adoption of the City’s annual budget the City is required to hold public hearings on 1) the intent to increase revenue from property taxation, and 2) the proposed annual budget.

The City of Great Falls has a limited ability to increase property tax revenue because of a statewide property tax cap. Under Section 15-10-420, MCA, the City is authorized to increase property tax revenue by “one-half of the average rate of inflation for the prior 3 years.”

For Fiscal Year 2017 (Tax Year 2016) as provided by the Montana Department of Administration, the allowable inflationary adjustment is .50%. This amounts to \$70,515 of additional revenue.

Sections 15-10-420 and 2-9-212(2)(a), MCA, also allow property tax levy increases for premium contributions for group benefits. The City is proposing an additional 2.48% property tax levy increase for health insurance premiums. This would provide \$350,000 in additional revenue to help offset the health insurance increases in the General Fund. Health insurance premiums increased 12.8% for Fiscal Year 2017.

The total proposed allowable property tax levy increase is 2.98%.

The hearing on Resolution 10150 is to Increase Property Tax, additional action by the City Commission will be needed in the future to set the increased mill levy. This will occur after the City receives its certified taxable value from the Montana Department of Revenue in August.

Concurrences: The proposed Fiscal Year 2017 budget was presented by the City Manager on June 28, 2016, June 30, 2016 and July 5, 2016 at the City Commission Budget Work Sessions and City Commission Work Session.

Fiscal Impact: The fiscal impact of the proposed increase for inflation for a residential home with a taxable market value of \$100,000 would be approximately \$1.09 for Fiscal Year 2017. The fiscal impact of the proposed increase for the “Permissive Medical Levy” is \$5.58. The total impact on a residential home with a taxable market value of \$100,000 would be \$6.67 for the year. The fiscal impact of not authorizing the increase for inflation mills to the General Fund would result in a revenue shortfall of \$420,515 for the proposed budget.

Alternatives: If the hearing on Intent to Increase Property Taxes is not held, the General Fund would need to determine alternative revenues from non-property tax sources. Other options include reducing proposed expenditures by \$420,515 or using General Fund fund balance of \$420,515. The General Fund fund balance is projected to be \$5.9 million (21% of expenditures) at the end of Fiscal Year 2017 without any additional use of General Fund fund balance. The City of Great Falls fund balance policy set in the Annual Budget resolution is 17%.
