Item: Removal of a Member of Neighborhood Council #2.
From: Sara Sexe, City Attorney
Initiated By: Neighborhood Council #2
Presented By: Sara Sexe, City Attorney
Action Requested: The City Commission remove Michael McCoy as a member of Neighborhood Council #2.

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission remove Michael McCoy as a member of Neighborhood Council #2.”

2. Mayor requests a second to the motion, Commission discussion, public comment, and calls for the vote.

Staff Recommendation:

City Staff recommends that the City Commission remove Mr. McCoy as a member of Neighborhood Council #2.

Summary:

Recently, Neighborhood Council #2 reported to the City staff that Council Member Michael McCoy has missed several regularly scheduled meetings. According to meeting records he has missed five meetings since September 2016. He holds the position of Secretary for the meetings and has not submitted his draft minutes for the October 2016 meeting for Council review. No explanation was provided for Mr. McCoy's absence and other Council members were not able to reach him for an extended period of time.

Background:

In accordance with Ordinance 3149, the City sent Mr. McCoy a letter on March 22, 2017 providing him an opportunity to provide a response regarding the absences. Mr. McCoy did stop into the Manager's Office on April 3, 2017 requesting an extension to provide a written reason for the absences. He was provided an extension of Wednesday April 5, 2017 at 5:00. The City has not received such a response.

A second letter was sent certified mail to Mr. McCoy on April 7, 2017 providing him notice for this meeting.

All City Board, Commission and Council Members are required to follow the Attendance Policy as adopted in Ordinance 3149. Ordinance 3149 is located in Title 2 of the Official Code of the City of Great Falls (OCCGF); the pertinent text of the Ordinance is as follows:

Chapter 56

BOARDS/COMMISSIONS/COUNCILS ATTENDANCE

2.56.010 Scope

The provisions of this chapter shall apply to all boards, commissions and councils appointed by the City Commission except as follows: Where a conflicting provision appears in state statutes or in city ordinances relating to a particular board, commission or council, the specific statute or ordinance shall apply. (Ord. 2793, 2001)

2.56.20 Removal of members of boards, commissions and councils.

A member of any board, commission, or council, including Neighborhood Council, may be removed from office, by majority vote of the City Commission, if: The member misses more than one-third (1/3) of the regular meetings in a calendar year without a health or medical excuse;...

A. If a member is to be removed from any board, commission, or council and be replaced by the City Commission, the member will be provided written notice of removal, stating the reasons for removal, by certified mail, postage prepaid, return receipt requested, or by hand delivery. Notice will be provided no less than ten (10) days prior to the City Commission hearing where said removal will be subject to the vote of the Commission. (Ord. 3149, 2017; Ord. 2793, 2001).

Alternatives:

The Commission could maintain Michael McCoy as a member of Neighborhood Council #2.

Concurrences:

Chair of Neighborhood Council #2, Brittany Rae Olson, submitted a letter regarding Mr. McCoy's attendance and the impacts to the Council.

To whom it may concern:

My name is Brittany Rae Olson. I am the Chair of Neighborhood Council #2. I am aware of 3149 Exhibit A and I would like to note that one of my elected co-members of our Council has not been to over half our meetings. We only meet 9 months in the year, and he has missed at least 5 meetings, 4 of which have been in a row- November, December, January, and February. I believe he also missed September. He was our secretary and he has not turned in his notes for October, which puts us in a bind as community members have asked for notes or have asked why we have notes outstanding for months. Mike simply is failing to do his duties.

We also just had another council member resign so it leaves only 3 of us currently active on the council, and all 3 of us need to be there to establish a quorum. Mike has made zero effort to reach out and let any of us know, nor has he answered or returned the calls we have placed.

Could we please consider removing him from his seat on Council 2 to elect someone who is willing to show up and be an active member of our Council.

I thank you for your time and attention to this matter.

Brittany Rae Olson

Mr. Michael J. McCoy
910 3rd Avenue NW
Great Falls, MT 59404

Dear Mr. McCoy:

It was brought to our attention that you have missed a significant amount of Neighborhood Council #2 meetings this year. According to the record you have missed five meetings this year. No excuse was provided to the Council so these absences are considered unexcused at this time.

It is imperative that a council member be in attendance for all meetings to provide input and recommendations on behalf of the City. This letter is to provide you the opportunity to provide justification allowed under the Official Code of the City of Great Falls (OCCGF) for the absences. If you are unable to provide this, we are kindly asking that you consider resigning from this neighborhood council before being replaced by the City Commission.

All City Board, Commission and Council Members are required to follow the Attendance Policy as adopted in Ordinance 3149. Ordinance 3149 is located in Title 2 of the Official Code of the City of Great Falls (OCCGF); the full text of the Ordinance is as follows:

2.56.20 Removal of members of boards, commissions and councils.

A member of any board, commission, or council, including Neighborhood Council, may be removed from office, by majority vote of the City Commission, if:

We look forward to your response. If a response is not received by April 3, 2017 we will proceed in accordance with 2.56.020.

Sincerely,

Gregory T. Doyon

Dear Mr. McCoy:

A letter was sent to you on March 22, 2017 requesting a reason for unexcused absences for the Neighborhood Council #2 Meetings this year. According to the meeting records you have missed five meetings this year.

Thank you for stopping by the Manager's Office on Monday April 3, 2017. You had asked for and were given an extension to the deadline to submit a written response regarding the absences. The extended deadline was Wednesday, April 5, 2017 at 5:00 p.m. No response was received.

Since the City has not received a written response from you regarding this request; we will move forward with recommending the City Commission remove you from Neighborhood Council #2. The City Commission will be reviewing this recommendation during the April 18, 2017 Commission Meeting. If you wish to address the Commission you may do so during this time.

Sincerely,

Item: Appointments, Advisory Commission on International Relationships.
From: City Manager's Office
Initiated By: City Commission
Presented By: City Commission
Action Requested: Appoint members to the Advisory Commission on International Relationships.

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission appoint _____, _____, _____,
_____ and _____ to the Advisory Commission on International Relationships for
three-year terms through March 31, 2020.”

2. Mayor calls for a second to the motion, Commission discussion, public comment, and calls for the vote.

Summary:

Ruslan Soldyshev, Don Sims, Elizabeth Guidara and Susan Effertz resigned from the Advisory Commission on International Relationships (ACIR) between 2015 and 2016. Kay Silk has served two terms and is not eligible for reappointment. This leaves five vacancies on the Commission.

Advertising began with the first notice of vacancy in 2015 and has been posted on the City's Website. Notice has also been distributed to the local media several times. Applications were received from Brian C. Nosich, Veranika Marozava, Lana Kadoshnikov and Charity Jacobson.

Applications were sent to ACIR on March 9, 2017 for review during their meeting on March 28, 2017. An additional application was received from Max Mauch after the initial applications were sent for consideration.

During the March 28, 2017 meeting, the applications were reviewed and the Commission recommended appointment of Mr. Nosich, Ms. Marozava, Ms. Kadashnikov, and Ms. Jacobson. The Commission did not review or make a recommendation on Mr. Mauch's application.

Kathryn Kruthoff's first term expired on March 31, 2017 and she is considering serving another term; this will be reviewed during the next ACIR meeting.

Background:

International programs are growing for many reasons. Rapid changes in communications technology, globalization of the marketplace, and political changes in the last decade have all contributed to an increasing awareness these trends will accelerate in the future. Communities, as well as individuals, businesses, and institutions will need to learn to participate in the “global village,” or be left behind economically or in other ways.

In order for the City to take a leadership role in nurturing and coordinating some of the international efforts, the Advisory Commission on International Relationships was created by Ordinance 2788 on November 8, 2000, and amended by Ordinance 2863 on October 21, 2003. The Commission provides support, coordination, and exchange of information for international programs in the community.

The Commission consists of nine to eleven members.

	Appointed date:	Date Resigned
Don Sims	4/7/15	2015
Ruslan Soldyshev	11/19/14	2015

CITY MANAGER

6. MISCELLANEOUS REPORTS AND ANNOUNCEMENTS FROM THE CITY MANAGER.

The MMIA board voted to authorize Allegiance Health Care to begin negotiating state wide, which includes the Benefis Hospital and the Great Falls Clinic. MMIA and Allegiance will continue to negotiate with health care providers in Great Falls in hopes that an agreement can be in place by June 30. Manager Doyon further explained that if an agreement is not in place by that time, employees that are under the current plan could be balanced billed. He commented that the labor groups have concerns with regard to being balanced billed and summarized that active negotiations with the Montana Public Employees Association (MPEA), Fire, and Police may have to wait.

Manager Doyon reported that there was good news with regard to workers comp and property liability modification factors. There was a drop of about 4% in the experience modification and property was down .14. Referring to insurance as a pooled risk management program, Manager Doyon reported that the health insurance preliminary rate, regardless of what happens with the negotiations, is about a 7.2 % increase and that last year there was a 12.5 % increase. Commissioner Bronson and Mayor Kelly noted that they recused themselves from the vote on Item 7G pertaining to CDBG contract with Great Falls Development Authority (GFDA).

PUBLIC HEARINGS

12. ORDINANCE 3158, AMENDING TITLE 9, OF THE OFFICIAL CODE OF THE CITY OF GREAT FALLS (OCCGF) PERTAINING TO PUBLIC PEACE, MORALS AND WELFARE.

Assistant City Attorney Joe Cik reported that Ordinance 3158 is a code revision to make Title 9 of the OCCGF more readable, better organized and to fall into the

appropriate chronological order. The substantive changes to fireworks possession and discharge are: increasing the minimum age of unsupervised possession and discharge, amending park rules to allow fireworks discharge in the City parks under certain circumstances, eliminating the ability of law enforcement to arrest minors that are out after curfew, and allowing the City Manager, after consultation with the Fire Chief, to ban fireworks in emergency circumstances.

Mayor Kelly declared the public hearing open.

No one spoke in support of Ordinance 3158.

Speaking in opposition to Ordinance 3158 was:

Ron Gessaman, 1006 36th Avenue NE, opined that age 10 and 10 feet were unrealistic numbers with regard to discharging fireworks. Mr. Gessaman expressed opposition with regard to the City Manager receiving more power. He further commented that it's the City Commissions job to decide issues.

There being no one further to address the Commission, Mayor Kelly closed the public hearing and asked if there was any discussion amongst the Commissioner.

Commissioner Houck expressed appreciation with regard to the legal language that was incorporated into Ordinance 3158. Responding to a comment Mr. Gessaman made, Commissioner Houck commented that the Commission and Staff deserve the public's civil respect.

With regard to the authority granted to the City Manager, Commissioner Bronson explained that it was appropriate to update the OCCGF and that granting the authority to the City Manager goes with the form of government that we have. Commissioner Bronson further pointed out that if the Commission feels that the City Manager is abusing the authority, under the charter, the Commission could counter act the decision. The City has the obligation to respond to an emergency as quickly as possible and the Fire Chief has the initial authority to contact the City Manager to have him make the decision. Commissioner Bronson summarized that is a responsible form of government.

There being no further discussion, Mayor Kelly asked the will of the Commission.

Commissioner Houck moved, seconded by Commissioner Bronson, that the City Commission adopt Ordinance 3158.

Mayor Kelly called for the vote.

Motion carried 5-0.

13. RESOLUTION 10180 TO ANNEX, ORDINANCE 3159 ASSIGNING PLI-PUBLIC LANDS AND INSTITUTIONAL ZONING, AND RESOLUTION 10181 FOR A CONDITIONAL USE PERMIT TO CONSTRUCT A WATER TOWER UPON THE

PROPERTY DESCRIBED AS TRACT 1A OF TRACT 1 OF COS 3347 LOCATED IN THE NE ¼ AND SE ¼ SECTION 21, TOWNSHIP 20 NORTH, RANGE 3 EAST, PMM, CASCADE COUNTY, MONTANA, IN THE VICINITY OF THE AIRPORT INTERCHANGE.

Planning and Community Development Director Craig Raymond reported that there are three related items related to Ordinance 3159. The purpose of the public hearing is to receive testimony on Ordinance 3159 which assigns "PLI-Public Lands Institutional" zoning to the property upon annexation, as well as to consider Resolution 10180 annexing the subject property, and Resolution 10181 approving of a Conditional Use Permit to construct a city water tower.

The Public Works Department is requesting annexation of ±2.07 acres, described as "Tract 1A of Tract 1 of COS 3347 located in the NE ¼ and SE ¼ Section 21, Township 20 North, Range 3 East" into the City of Great Falls to construct what is known as the "Gore Hill Water Tower" on the Subject Property.

Montana Code Annotated (MCA) 7-2-4211 requires annexation of adjoining rights-of-way. Therefore, the annexation would include portions of I-15 and 31st St SW, shown on the attached Exhibit A to the agenda report, and generally described in the "Description of Rights-of-Way", also attached to the report. This inclusion of I-15 into the City limits will not increase city responsibilities or maintenance costs for roadways. MDT will continue to control and maintain the entire system.

A Conditional Use Permit is also being requested to allow for the construction of the 140 foot high water tower, which is needed to continue reliable water service to the citizens of the city.

At the conclusion of a public hearing held on February 14, 2017, the Planning Advisory Board/Zoning Commission recommended the City Commission approve the annexation, assign a PLI – Public Lands and Institutional zoning classification upon annexation, and approve a Conditional Use Permit for the construction of a water tower on the property, legally described above, subject to certain conditions as listed in the agenda report.

Mayor Kelly declared the public hearing open.

No one spoke in support of Resolution 10180, Ordinance 3159 and Resolution 10181.

Speaking in opposition to Resolution 10180, Ordinance 3159 and Resolution 10181 was:

John Hubbard, 615 7th Avenue South, inquired if the old water tower could be fixed instead of building a new one. Mr. Hubbard expressed concern with regard to the amount of money needed to build a new water tower.

Mayor Kelly responded that the old water tower is worn out and that it is inefficient.

There being no one further to address the Commission, Mayor Kelly closed the public hearing and asked the will of the Commission.

Commissioner Jones moved, seconded by Commissioner Bronson, that the City Commission adopt Resolution 10180 to Annex Tract 1A of Tract 1 of Certificate of Survey 3347.

Mayor Kelly asked if there was any discussion amongst the Commissioners. Hearing none, Mayor Kelly called for the vote.

Motion carried 5-0.

Commissioner Jones moved, seconded by Commissioner Bronson, that the City Commission adopt Ordinance 3159 to assign a City zoning classification of PLI-Public Lands and Institutional to Tract 1A of Tract 1 of Certificate of Survey 3347.

Mayor Kelly asked if there was any discussion amongst the Commissioners. Hearing none, Mayor Kelly called for the vote.

Motion carried 5-0.

Commissioner Jones moved, seconded by Commissioner Houck, that the City Commission adopt Resolution 10181 for a Conditional Use Permit to construct a water tower on Tract 1A of Tract 1 of Certificate of Survey 3347.

Mayor Kelly asked if there was any discussion amongst the Commissioners. Hearing none, Mayor Kelly called for the vote.

Motion carried 5-0.

ORDINANCES/RESOLUTIONS

14. ORDINANCE 3152. AN ORDINANCE TO REZONE THE PROPERTIES LEGALLY DESCRIBED AS: MARKS 2, 3, 5, 11, BLOC 3, COUNTRY CLUB ADDITION AND LOTS 1B, 1, 1A-1, BLOCK 1, TIETJEN TRIANGLE ADDITION AND LOT 1, BLOCK 1, MONTANA ADDITION FROM C-1 NEIGHBORHOOD COMMERCIAL TO C-2 GENERAL COMMERCIAL.

Planning and Community Development Director Craig Raymond reported that on March 7, 2017, after the conclusion of a public hearing, action on Ordinance 3152 was tabled until April 4th and remanded back to staff with specific instructions to staff to consider amendments to the ordinance.

After that time a representative of the applicants requested additional time so that the applicants could dig deeper into possible solutions to the instructions that the Commission gave.

The City has been working with the applicants to explore these options, and provide the Commission with a complete and thoughtful proposal. Additional time was needed to fully vet all options.

Commissioner Bronson explained that the motion to remove Ordinance 3152 from the table for discussion purposes and further action was a procedural matter only. The motion to set a public hearing for consideration of Ordinance 3152 for May 2, 2017 was to obtain substantive comments; however May 2nd would be the time that the Commission would consider all of the changes and recommendations made by staff.

Commissioner Bronson moved, seconded by Commissioner Burow, that the City Commission remove Ordinance 3152 from the table for discussion purposes and further action.

Mayor Kelly asked if there was any discussion amongst the Commissioners or comments from the public.

Ron Gessaman, 1006 36th Avenue NE, referred to the motion that was made on the March 7th Minutes not having a date and expressed concern that there was no motion to remove Ordinance 3152 from the table.

Commissioner Bronson responded that the motion is still alive and has not died.

There being no one further to address the Commission, Mayor Kelly called for the vote.

Motion carried 5-0.

Commissioner Bronson moved, seconded by Commissioner Jones, that the City Commission set a public hearing for consideration of Ordinance 3152 for May 2, 2017.

Mayor Kelly asked if there was any discussion amongst the Commissioners.

Mayor Kelly referred to electronic correspondence that was received by the Commissioner and explained that there was no stalling motion going on. Mayor Kelly further explained that they want to get this decision right and that it is a big decision.

Referring to correspondence that alluded to the fact that the City was allowing the excavation to take place, Commissioner Burow clarified that an excavation permit is different from a permit to build.

Mayor Kelly asked if there were any comments from the public.

Dan Oakland, 1730 Alder Drive, commented that Alder Drive is a dangerous street since there are no sidewalks and the increased number of vehicles and pedestrians. Mr. Oakland expressed opposition with regard to the zone change and noted that adding a four story hotel would create a dangerous situation. He requested that the Commission not approve the current four story hotel unless the traffic issues could be handled.

Roy Volk, 1700 Fox Farm Road, reported that traffic is horrendous and needs to be addressed. Mr. Volk commented that growth is important for the City, but that it needs to be done right. Mr. Volk further expressed concern with regard to spot zoning.

Bruce Cusker, 2220 Beach Drive, thanked Commissioner Burow for clarifying the difference between an excavating and building permit.

Russ Kendall, 2801 Bonita Drive, Inquired why there is a need of a C2 zoning from Dahlquist Realty, Beef O'Bradys, Dairy Queen and Holiday gas station. Mr. Kendall commented that the traffic is an impossible problem. He concluded that the study should not go any further until the Montana Department of Highways has rendered an opinion with regard to providing safe access and egress to the hotel.

Steve Gillespie, 9 12th Street North, commented that if a Planned Unit Development (PUD) is considered for the proposed zoning it should go back through the same process to include a new public hearing, and Neighborhood Council and Zoning Commission meetings to review the PUD request. Mr. Gillespie noted that if there is an increase to the intensity of the zoning or allowing any commercial activity on the lot, there would need to be a traffic flow which would accommodate the additional traffic.

Ron Gessaman, 1006 36th Avenue NE, referred to the Fox Farm intersection and concurred with previous speakers that it is a disaster area. Mr. Gessaman expressed concern with regard to parking issues. Referring to the Westgate Mall, Mr. Gessaman expressed concern with regard to this parcel not going back to the Planning Board Zoning Commission.

John Hubbard, 615 7th Avenue South, discussed tax revenue and water rate increases.

Commissioner Bronson commented that the City is trying to get it right and that it's disheartening that citizens think that the City is stalling the process to achieve a particular outcome. Commissioner Bronson further noted that City staff deserves credit for addressing such a difficult problem.

Commissioner Burow explained that Town Pump has the right to ask for rezoning and that the casino issue is regulated by the state.

Commissioner Houck commended the public for reaching out to the Commission with regard to emails and for being active.

Mayor Kelly requested that a visual of a map be available at the May 2 Commission meeting.

There being no one further to address the Commission, Mayor Kelly called for the vote.

Motion carried 5-0.

Item: Construction Contract Award: 8th Avenue North Water Main Replacement - 18th Street to 24th Street and 32nd Street to 34th Street, O. F. 1716
From: Engineering Division
Initiated By: Public Works Department
Presented By: Jim Rearden, Public Works Director
Action Requested: Consider Bids and Approve Contract for Office File 1716

Suggested Motion:

1. Commissioner Moves:

"I move the City Commission (award/not award) a contract in the amount of \$923,135 to United Materials of Great Falls, Inc. for the 8th Avenue North Water Main Replacement Project - 18th Street to 24th Street and 32nd Street to 34th Street, and authorize the City Manager to execute the construction contract documents."

2. Mayor requests a second to the motion, Commission discussion, public comment, and calls for the vote.

Staff Recommendation:

Approve construction contract award.

Background:

This project will replace water main located along 8th Avenue North as well as 7th Avenue North, by Morningside School. These water mains have been failing with increasing frequency, causing damage to property, roadways and disrupting water service to local residents and businesses.

This project is being completed in cooperation with the Montana Department of Environmental Quality (DEQ) and Montana Department of Transportation (MDT).

City Engineering staff designed the project and will perform construction inspection and contract administration duties.

MDT has an overlay project scheduled to start this summer on 8th Avenue North from 15th Street to 26th Street. This water main replacement project is needed to prevent any future damage to the roadway once MDT's overlay project has been completed.

The water main breaks are primarily due to corrosive soils, age and type of pipe material used. The water mains

along 8th Avenue North were installed between 1903 and 1950 and the mains around Morningside School were installed in 1960.

This project will replace approximately 6,175 lineal feet of 6-inch, 8-inch and 12-inch cast iron water main with 8-inch and 12-inch PVC water main; replace 12 fire hydrants; 140 water service connections; 1- 4-inch domestic water service connection; 5,500 square yards of gravel; and 6,500 square yards of asphalt pavement. The project locations include:

- 8th Avenue North from 18th Street to 24th Street.
- 21st Street from 7th Avenue North to 8th Avenue North.
- 8th Avenue North from 32nd Street to 34th Street.
- 32nd Street from 7th Avenue North to 8th Avenue North.
- Big Spur Road from 7th Avenue North to approximately 400 feet North.
- 7th Avenue North from Big Spur Road to 42nd Street.
- 42nd Street from 7th Avenue North to 6th Alley North.

This project is scheduled to begin May 3, 2017.

There were six bids received and opened for this project on April 5, 2017. The bids for this project ranged from \$923,135.00 to \$1,750,375.00. United Materials submitted the low bid. United Materials is an established responsible contractor and has done a number of projects within the City.

City Staff recommends awarding the contract to United Materials in the amount of \$923,135.00. United Materials has executed all the necessary documents.

Fiscal Impact:

Replacement of the water main will save on maintenance due to man hours and resources necessary to repair water main breaks, street repairs, and save on damage to surrounding buildings and property.

This project is being funded through the Water Capital Improvement Fund.

The attached bid tabulation summarizes bids that were received.

Alternatives:

The City Commission could vote to deny award of the construction contract and re-bid the project or do nothing and repair future water main breaks as they occur.

Concurrences:

DEQ has reviewed and approved the plans and specifications for this project.

Item: Set Public Hearing for the Lease of the Visitor Center located at 15 Overlook Drive.
From: Greg Doyon, City Manager
Initiated By: Great Falls Convention and Visitors Bureau (CVB)
Presented By: Greg Doyon, City Manager
Action Requested: Set Public Hearing for May 16, 2017 for the Lease of city owned property located at 15 Overlook Drive for the purpose of a Visitor Center.

Suggested Motion:

1. Commissioner moves:

“I move that the City Commission (set/not set) a public a hearing for May 16, 2017 to consider a month to month lease of city-owned property, the Visitor Center (15 Overlook Drive), to the Convention and Visitors Bureau (CVB).”

2. Mayor calls for a second to the motion, Commission discussion, public comment, and calls for the vote.

Background:

The Visitor Center was built by the City of Great Falls in 1993. Originally it was operated in partnership with the Great Falls Area Chamber of Commerce (Chamber). The Chamber proposed that if the City built a new Visitor Center, the Chamber would operate it. The City entered into an operating agreement/contract with the Great Falls Area Chamber of Commerce on December 21, 1993. For 11 years, the City and Chamber shared the costs of the Visitor Center.

The Chamber’s operating contract expired on September 1, 2004. In 2005 the Park and Recreation Department continued operating the Visitor Center due to a lack of interest by the Chamber to continue to fund operations. In July 2014, the CVB and Tourism Business Improvement District (TBID) as well as Great Falls Development Authority (GFDA) began operating the Visitors Center. The CVB is the lead agency.

The CVB recently decided to relocate the Visitor Center operations from 15 Overlook Dr, to the downtown tourism office location beginning October 1st. Since the current lease expires in on June 30, 2017, the CVB seeks a month to month lease until they relocate the Visitors Center by October 1, 2017. Staff will explore other potential uses and lease options in the coming months. Unfortunately, visitations at the facility have significantly dropped.

City Code 3.04.030 states: Before final consideration by the City Commission of the sale, trade or lease of City property, the City Commission shall hold a public hearing thereon and allow at least fifteen (15) days' notice of the time and place of such hearing to be published in a paper of general circulation in the City.

Fiscal Impact:

Current lease is \$1.00 annually or .08 per month.

Alternatives:

- Terminate lease at expiration date of June 30, 2017.
- Waive .08 Monthly Lease Amount.

VISITOR CENTER LEASE AGREEMENT

This Agreement, made and entered into this _____ day of _____, 2017, by and between the CITY OF GREAT FALLS, a municipal corporation, P.O. Box 5021, Great Falls, Montana 59403-5021, hereinafter called "City" and GREAT FALLS CONVENTION AND VISITORS BUREAU, _____, hereinafter called "Lessee."

WHEREAS, Lessee desires to enter into a lease a portion of City property (hereafter Visitor Center) for the purpose of providing an information center for citizens and visitors to the City of Great Falls, a public purpose, and;

WHEREAS, the City deems it to be in the public interest and serving a public purpose to lease the Visitor Center under the conditions as hereinafter set forth, and;

WHEREAS, the parties do hereby covenant and agree as follows:

WITNESSETH:

The City, for and in consideration of the lease amounts to be paid and the agreement to be performed by lessee, does hereby lease, and let unto the Lessee the building, contents and parking lot, (commonly identified herein as the Visitor Center), on property located at 15 Overlook Drive, Great Falls, Cascade County, Montana, Parcel Number 1896510. Other than the property identified herein to which this Agreement applies, the City shall retain the exclusive use of the remainder of the property identified above, without interference from Lessee.

TERM OF LEASE

The Lease will start on July 1, 2017 and will continue as a month-to-month tenancy. To terminate tenancy the City or Lessee must give the other party a written 30 day notice of Lease non-renewal. The Lessee may only terminate their Lease on the last day of any month and the City must receive a written notification of non-renewal at least 15 days prior to the last day of that month.

Notwithstanding the above term of lease, this lease is terminated if the Lessee's use of the Visitor Center ceases to be for a public purpose, in such event, the use of the Visitor Center immediately reverts to the City of Great Falls.

RENTAL

In consideration therefore, the Lessee agrees to pay to the City the sum of eight cents per month and other valuable consideration, commencing on the effective date of this agreement, payable on or before the 1st day of each month during the term of the lease. If an extension to this agreement is granted, the City has the right to increase the monthly rental amount for the period of the extension by an amount based upon the Consumers Price Index-Urban for the immediate previous calendar year.

ACCEPTANCE OF CONDITION

Lessee acknowledges familiarity with the condition of said Visitor Center states that no representation, statement or warranty, expressed or implied, has been made by or on behalf of the City as to such condition. In no event shall the City be liable for any defect in such property or for any limitation on its use. The taking of possession of the Visitor Center shall be conclusive evidence that Lessee accepts the same "as is" and that the Visitor Center was in good condition at the time possession took place. Lessee agrees to accept the Visitor Center in the condition in which it exists at the date of taking possession, without representation or warranty, express or implied, in fact or by law, by the City, and without recourse to the City as to the nature, condition or unsuitability thereof, or as to the uses to which the premises may be put.

COVENANTS OF THE LESSEE

The Lessee hereby covenants and agrees that the Lessee will:

1. Use and occupy said Visitor Center in a careful and proper manner and not commit any waste therein;
2. Not use or occupy said Visitor Center for any unlawful purpose, and will conform to and obey all present and future laws, ordinances, and all rules and regulations of all governmental authorities or agencies, respecting the use and occupation of the premises;
3. Not use the Visitor Center for any purpose other than for providing a visitor's center and other Convention and Visitors Bureau purposes for the Great Falls area and for vehicle parking, without written consent of Landlord;
4. Provide routine maintenance of the flower pots near the entry of the building;
5. Not assign the lease, nor sublet said Visitor Center, nor any part thereof, without the written consent of the City;

7. To not make any alterations, changes, remodeling or capital improvements to the Visitor Center, without prior written permission signed by the City Manager, and in addition thereto, shall make such changes in compliance with the law and shall obtain all permits required for such work under City ordinance. Approval for such proposed work shall not be unreasonably withheld. Any such alterations or additions shall be the sole responsibility of the Lessee, inclusive of any and all financial, material, or labor considerations and will become the property of the City upon termination of this or any subsequent lease with the exception of trade fixtures not affixed to the building, which shall remain the property of the Lessee;
8. Permit the City to enter upon the said premises at all reasonable times and with 24-hour notice (except in case of emergent or safety reasons) to examine the condition of same;
9. Ensure that routine janitorial, trash removal, and cleaning is effectively accomplished;
10. Pay all utilities, including electricity, water, gas, or other utilities servicing the Visitor Center in a timely manner;
11. Provide the Lessor the opportunity to reclaim any and all personal property which is in the building at the time of the initiation of the lease term, if Lessee intends to discard or not use such property;

12. Independently arrange with the Retired Senior Volunteer Program, any continuation of assignment of volunteer workers in the Visitor's Center building;
13. Be responsible for all damage to property, public or private, that may be caused by this operation in the performance of this agreement; and
14. Leave Visitor Center at the expiration or prior to termination of this lease and any extension thereof in as good condition as received, except for reasonable wear and tear.

REPAIRS AND MAINTENANCE

1. **Lessee Maintenance of Leased Premises.** Subject to a limitation of \$1,000.00 per occurrence in actual costs with a \$3,000.00 per year maximum, Lessee shall, throughout the term of this Lease Agreement, and at its own cost and without any expense to Lessor, keep and maintain the leased premises, including the building and improvements, and all appurtenances thereto, excepting sidewalks adjacent thereto and parking lots, in good condition and repair by conducting ordinary day-to-day maintenance and repair, including but not limited to, timely removal of rubbish and trash. Lessee shall maintain the Visitor Center in a functional condition, inspect premises on a regular basis to determine any hazardous conditions which may exist, and take immediate action to correct such conditions if they exist.

For items less than \$1,000.00 per occurrence in which the \$3,000.00 per year maximum has not been met, Lessor shall not be obligated to make any repairs, replacements or renewals of any kind, nature or description whatsoever to the leased premises or any improvements thereon; PROVIDED further that Lessor shall not be responsible for repairs or maintenance resulting from the negligence of Lessee, its employees, agents, or invitees, which shall be the sole responsibility of Lessee.

For items more than \$1,000.00 per occurrence or after the \$3,000.00 maximum maintenance amount by Lessee has been reached, Lessor shall be obligated to make reasonable repairs, replacements or renewals of any kind, nature or description whatsoever to the leased premises or any improvements thereon; PROVIDED further that Lessor shall not be responsible for repairs or maintenance resulting from the negligence of Lessee, its employees, agents, or invitees, nor will Lessor be responsible for remodeling costs or expenses undertaken by Lessee, which shall be the sole responsibility of Lessee.

2. **Maintenance by Lessor.** Notwithstanding the paragraph above, Lessor agrees to maintain the foundation of the building, all structural components, concrete slabs, exterior walls and façade, roof, ceiling and all utility lines serving the premises regardless of the cost of repairs. Lessor also agrees to provide maintenance, repair and snow removal of the parking lot, sidewalks, and remaining parkland surrounding the leased premises.
3. **Entry by Lessor for Maintenance.** Should Lessee at any time fail, neglect or refuse to fulfill this obligation to repair and maintain after receiving written notice of such default and a minimum of 30 days to correct such default,

Lessor may, but need not, enter the leased premises and make such repairs or alternations as in its opinion it may deem necessary, and may charge the costs of the same to Lessee to be paid upon the first day of the following month as part of the rental, and should said costs not be so paid, this Lease Agreement shall be considered in default.

MUTUAL COVENANTS:

It is mutually agreed by and between the City and Lessee that:

1. If the Lessee pays the rental as herein provided, and keeps, observes and performs all of the other covenants of this lease, the Lessee may, peaceably and quietly, have, hold and enjoy the said premises for the term aforesaid;
2. That all merchandise stored or displayed in the Visitor Center at the Lease initiation date shall become the property of Lessee;
3. This lease and all the covenants and provisions herein contained shall inure to the benefit of and be binding upon the successors and assigns of the parties and the public hereto; provided, however, that no assignment by, from, through or under the Lessee in violation of any of the provisions hereof shall vest in the assigns any right, title or interest whatsoever;
4. The City is not and never shall be liable to any creditor of Lessee or any claimant against the estate or property of Lessee for any debt, loss, contract or other obligation of Lessee. The relationship between the City and Lessee is solely that of landlord and tenant, and does not and never shall be deemed a partnership or joint venture.
5. Lessor's interest in and to said leased premises shall not be subject to or permitted to become subject to any lien or claims from or arising out of the use and occupation of the leased premises by Lessee. If and in the event such liens or claims arise or occur, Lessee shall promptly and forthwith cause the same to be released or discharged to the extent that the interest of the City is encumbered thereby.

INSURANCE REQUIREMENTS

During the term of the Lease and its extensions the Lessee agrees to carry Commercial General Liability insurance in at least the following amounts: \$1,000,000 per occurrence; \$2,000,000 annual aggregate.

The insurance policy or policies must be issued by a company licensed to do business in the State of Montana and having at least an "A" rating in the current A.M. Best's Manual. All such policies will be written on an occurrence basis. The policy must include the City as a named insured and primary with no right of subrogation against the City. The Lessee shall furnish to the Parks and Recreation Director on or before possession and thereafter on or before July 1 of each year, the certificate of insurance including a copy of the Additional Insured Endorsement. Claims-made policies are not acceptable and do not constitute compliance with the Lessee's obligation under this paragraph.

Lessee shall comply with the applicable requirements of the Workers' Compensation Act, Title 39, Chapter 71, MCA, and the Occupational Disease Act of Montana, Title 39, Chapter 71,

MCA. Lessee shall maintain workers' compensation coverage for all members, employees and volunteers of Lessee's business, except for those members who are exempted as independent contractors under the provisions of §39-71-401, MCA.

Lessee shall furnish Lessor with a certificate of insurance for workers' compensation coverage by an insurer licensed and authorized to provide workers' compensation insurance in the State of Montana.

Should the Lessee fail to maintain this coverage or to provide such certificate(s) or make other arrangements as required by this Lease, this failure constitutes a breach of this Lease.

INDEMNIFICATION

The Lessee agrees to defend, indemnify, and hold the City harmless against claims, demands, suits, damages, losses, and expenses connected therewith that may be asserted or claimed against, recovered from or suffered by the City by reason of any injury or loss, including but not limited to, personal injury, including bodily injury or death, property damage, occasioned by, growing out of, or in any way arising or resulting from Lessee's use of the premises, including use by his agents, assigns, renters, employees and others using the Visitor Center.

NONDISCRIMINATION

Lessee agrees that in the use of this Visitor Center Lessee will not discriminate on the basis of race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin, or any other classification protected under the law.

DEFAULT AND TERMINATION

If either party fails to comply with any condition of this Agreement at the time or in the manner provided for, the other party, at its option, may terminate this Agreement and be released from all obligations if the default is not cured within thirty (30) days after written notice is provided to the defaulting party. Said notice shall set forth the items to be cured. Additionally, the non-defaulting party may bring suit for damages, specific performance, and any other remedy provided by law. These remedies are cumulative and not exclusive. Use of one remedy does not preclude use of the others. Notices shall be provided in writing and hand-delivered or mailed to the parties at the addresses set forth in the first paragraph of this Agreement.

ENFORCEMENT

In the event either party resorts to judicial proceedings to enforce any rights under this Lease or to obtain relief for the breach of any covenant hereof, the party ultimately prevailing in such proceedings shall be entitled to recover from the defaulting party the costs of such proceedings, including reasonable attorneys' (including city attorneys') fees and costs.

INVALIDITY

The invalidity or ineffectiveness, for any reason, of any portion of this Lease Agreement shall in no way affect the validity or enforceability of the remaining portion thereof and any invalid or unenforceable provisions shall be deemed severed from the remainder of the Lease Agreement.

WAIVER

The waiver by the City of, or the failure of the City to take action with respect to, any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition, or subsequent breach of same, or any other term, covenant or condition herein contained.

EFFECT OF LESSEE'S HOLDING OVER

Any holding over after the expiration of the term of this Lease Agreement with the consent of the City shall be construed to be a tenancy from month to month, at the same monthly rental as required pursuant to the terms of this Lease Agreement, and shall otherwise be on the terms and conditions herein specified so far as applicable.

BINDING EFFECT

It is mutually understood and agreed that each and every provision of this Lease Agreement shall bind and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto. Masculine pronouns shall be construed as feminine or neuter pronouns and singular pronouns and verbs shall be construed as plural in any place in which the context may require such construction.

NOTICE

Any notice required to be given under this lease shall be in writing and may be served on either of the parties by mailing same in a sealed, postpaid envelope addressed to the City Manager at the Civic Center, Great Falls, Montana, and to the Lessee at address above stated, and by depositing such notice in any United States Post Office or letter receptacle, and which notice shall be deemed to have been made upon the date of mailing.

ENTIRE AGREEMENT

There are no conditions to the lease, either subsequent or precedent, except as set forth herein. This Lease constitutes the entire agreement between the parties and no representations or warranties have been made by the City to the Lessee save those contained herein.

APPLICABILITY

This Lease and any extensions hereof shall be governed and construed in accordance with the laws of the State of Montana.

Item: One 2016 Enforcer Pumper Fire Truck
From: Doug Alm, Vehicle Maintenance Supervisor
Initiated By: Public Works Department
Presented By: Jim Rearden, Public Works Director
Action Requested: Approve Purchase

Suggested Motion:

1. Commissioner moves:

"I move that the City Commission (approve/reject) the purchase of one 2016 Enforcer Pumper Fire Truck to Hughes Fire Equipment of Spokane, Washington; through H-GAC (Houston-Galveston Area Council) for \$411,375."

2. Mayor requests a second to the motion, Commission discussion, public comment, and calls for the vote.

Staff Recommendation:

Staff recommends that the City Commission approve the purchase of one 2016 Enforcer Pumper Fire Truck from Hughes Fire Equipment of Spokane, Washington for a total of \$411,375.

Background:

Purpose

This unit would be used by the Fire Department to respond to fire calls. It would replace the last "yellow engine" or the 1989 Ford L-9000, Unit #108. This vehicle has been identified by both the department and the vehicle maintenance supervisor to be replaced as soon as possible and has a number of functional issues.

Evaluation and Selection Process

On November 3, 2015 the City Commission approved a Cooperative Purchasing Agreement with H-GAC. The H-GAC Cooperative Purchasing Group is over 30 years old and has over 58 members in the Pacific Northwest alone. The group has significant group purchasing capability to negotiate favorable pricing. The H-GAC Cooperative utilizes a competitive bidding process that meets Montana State MCA section 7-5-2301 procurement standards and requirements.

Participation in the program allows the City to get the best price on equipment based on the buying power of H-GAC. The purchasing group is better able to negotiate lower prices than any single member based on economies of scale and up front pricing discounts. The City also receives the exact equipment as specified from a manufacturer of their choice. Utilizing this program reduces the workload of City staff in the time and effort associated with the bid/proposal process.

Conclusion

The bid specifications from H-GAC meet specifications for the pumper fire truck.

Fiscal Impact:

The 2016 Enforcer 1500 GPM Engine is a company demonstrator model. The price for this demonstrator apparatus is \$411,375. There will be other demo models available in late July but the price of those models will be around \$510,000. If this unit was purchased brand new the cost would be about \$650,000.

Funds for this unscheduled purchase would come from the ERS (Equipment Revolving Schedule) Reserves. Through Resolution 10151, Annual Budget Resolution, Section 4 - Appropriated Reserves:

Reserves which have been established for specific purposes, such as Equipment Revolving Schedule (ERS) reserves, are hereby declared to be appropriations available for expenditure according to the reserve purpose. They shall be acknowledged as current appropriations upon the determination by the City Manager that they are currently needed to serve their intended purpose. Unexpended reserves shall be carried forward to meet future needs in accordance with their purpose.

The Central Garage Fund would pay for the fire truck in FY 2017 using ERS Reserves. As part of the budget process in FY 2018, the General Fund would pay back Central Garage for the purchase of the fire truck. Unit #108 will be declared surplus and sold at a later date.

Alternatives:

The City Commission could vote to reject the purchase of one 2016 Enforcer Pumper Fire Truck and purchase one elsewhere, although at a significantly higher price.

Item: CDBG Program Proposed Use of Funds and Public Hearing Date for 2017/2018 Annual Action Plan
From: Craig Raymond, Director, Planning and Community Development
Initiated By: Maria Porter, CDBG/HOME Administrator, Planning and Community Development
Presented By: Craig Raymond, Director, Planning and Community Development
Action Requested: Accept proposed use of CDBG funds and Set Public Hearing for the 2017/2018 Annual Action Plan for May 16, 2017.

Suggested Motion:

1. Commissioner moves:

"I move that the City Commission (accept/deny) the proposed use of CDBG Funds, as submitted, for the Public Facilities, Public Services, and Affordable Housing Projects, for the 2017/2018 Community Development Block Grant Program (CDBG) for inclusion in the 2017/2018 Annual Action Plan."

and

"I move that the City Commission (accept/deny) the proposed use of CDBG Funds, as submitted, for the Economic Development Project, for the 2017/2018 Community Development Block Grant Program (CDBG) for inclusion in the 2017/2018 Annual Action Plan"

and

"I move that the City Commission (set/not set) a public hearing for May 16, 2017."

2. Mayor calls for a second to the motion, Commission discussion, public comment, and calls for the vote.

Staff Recommendation:

Staff recommends the City Commission: (1) accept recommendations for funding the 2017/2018 Community Development Block Grant projects; and (2) set May 16, 2017, as the public hearing date for the 2017/2018 Annual Action Plan.

Summary:

The Community Development Council (CDC) has reviewed the 2017/2018 CDBG Grant applications and, using the funding priorities as a guide, recommends the identified projects to be funded with the 2017/2018 CDBG funding allocations. As part of the CDBG process the City Commission is asked to review and accept or modify the CDC's recommendations. Also, as part of the CDBG process, the City Commission is asked to set the Annual Action Plan Public Hearing Date.

Background:

CDBG and HOME programs are federal programs administered by HUD to help fund local community development programs including affordable housing, anti-poverty, public service, and community infrastructure projects. The primary goal of these programs is to assist low and moderate income (LMI) persons in their respective communities. State and local governments receive funding from HUD based on a formula derived from population statistics.

Citizen Participation

The Proposed Annual Action Plan will be made available to the citizens of Great Falls for review and comment for a 30-day period beginning April 28, 2017, continuing through May 30, 2017. The public hearing on May 16, 2017, is a forum to allow the citizens of Great Falls the opportunity to express their views on the proposed Annual Action Plan, the proposed use of federal CDBG dollars, as well as each program's policies and performance.

Workload Impacts

In accordance with federal regulations, administrative responsibilities will result from the acceptance and use of the CDBG and HOME funds. The CDBG/HOME Administrator will be responsible for the environmental reviews, contract development, project monitoring, invoice processing, federal reporting, and other HUD requirements.

Purpose

HUD requires that a public hearing be held regarding the proposed use of CDBG and HOME funds presented in the 2017/2018 Annual Action Plan for the upcoming funding year.

Evaluation and Selection Process

The 2017/2018 Annual Action Plan, as part of the 2015-2019 Consolidated Plan, will contain the proposed use of CDBG and HOME funds for the coming Fiscal Year. Community Development Block Grant project proposals were received on January 17, 2017. The Community Development Council, a 10-member citizen advisory board appointed by the City Commission to review applications for CDBG funds and develop funding recommendations to the City Commission, met on 2/8/17, 2/17/17, 2/21/17, 2/22/17, 2/23/17, and 4/3/2017. The CDC reviewed 23 CDBG applications totaling \$1,265,996, viewed 23 presentations, and participated in the discussion to score the 23 proposed CDBG projects. On February 23, 2017, the Community Development Council formulated its recommendations for the annual allocation of CDBG funds, and presented its funding recommendations to the City Commission during a work session held on March 7th, 2017. Due to a procedural issue in the CDC process, the CDC reconvened on April 3, 2017, reviewed the Public Facility presentations a second time, and formulated its Public Facility recommendations for the annual allocation of CDBG funds.

Conclusion

The public hearing provides the citizens of Great Falls an important opportunity to comment on the proposed HUD 2017/2018 Annual Action Plan, including projects recommended for funding during the 2017/2018 program year.
