

How the City Communicates

Hello, Great Falls Community Member!

The City utilizes a variety of communication tools to reach its many stakeholders – including residents, business owners, developers and others. **The City relies on our stakeholders to seek out the tools they prefer to use** to get details on news, events, programs, and more. Subscribe to email notifications or RSS feeds; visit our Facebook page; check out the City calendar on the website — **in short, please use and peruse the tools at your disposal to find the information you need, when you need it.**
