

Neighborhood Council Minutes template

Minutes Neighborhood Council 3 (NC3)

Oct.4,2018

Riverview Elementary School---Music Room

Call to Order: Tim Austin

Council Members present: Tim Austin, Max Mauch, Sue Dickenson

Council Members absent: Kathleen Gessaman, Cyndi Baker

Unfinished Business: none

Minutes: Read and approved

Committee Reports

City Commission—commented on the presence of certain elements in GF drinking water but none are at the level of a health risk.

No other committee reports.

Calumet Report: Joe Downer reported that the annual turnaround was completed w/o incident, and that the storm water pipe issue has been resolved.

New Business:

Report from Donny Gerhart, community policing officer, indicated that traffic is on the rise in GF, commercial crime in our neighborhood continues to be a concern, still does not have stats to be comparing from one quarter to the next, one year to the next

Neighbor Concerns

Mike Wedekind, a member of the Planning Board , appeared as a private citizen. He asked that the city consider raising the speed limit on 36th Ave. NE to 35mph. Increased traffic since recent construction makes it a well used exit to Bootlegger Trail and on into GF. When 43rd Ave.

Is completed, that, too, will provide egress out of the newer area north of the water

tower. Jerry McKinley, traffic supervisor noted that urban speed limits by state law is 25mph but that cities have some flexibility. A study of that area was discussed. Tim Austin moved and

and Max Mauch seconded a motion to request a study from the city of the traffic and speed limit options for that NW/NE area. Motion passed.

Other Business:

MT House Candidates, Alex Rosendale and Lola Sheldon-Galloway introduced themselves, appreciated listening to what was happening in our area. Mr. Rosendale, developer of Eagle's Crossing, reported that it continues to grow.

Announcements: Submit Agenda suggestions by Oct. 23.

Council of Councils meets Oct. 30.

Advisory Council for International Relationships will be hosting representatives from Belarus

In November, with renewable energy being the focus of their visit to the state.

Next council meeting is Nov. 1, 2018.

Adjourned: Meeting adjourned at 7:30PM.
