**Petitions and Communications:**

Lanni provided some information about the Soccer Park which is leased by the City to the Soccer Association. Part of the land is owned by GFPS. The Soccer Park is leased and privately maintained and is not considered a public park. It was suggested to Lanni that Steve Herrig, or Patty Rearden from City Park and Recreation speak to NC4 regarding the Bond issue with the Soccer Park.

- Bonding history and process for the Soccer Park.
- Privately leased but public doesn't have access even though taxpayers are paying the bond.
- What involvement does GFPS have with the Soccer Park?
- When is the Bond paid off, and when it's finally paid for who does the ownership go to?
- Where does the lease revenue go?

Richard Ashley said the road on 7<sup>th</sup> Ave N from 44 -52<sup>nd</sup> Street is poorly maintained. It was determined that the County is responsible for the maintenance of that road.
