NEW BUSINESS:

Susie McIntyre, Library Director, gave a very informative report on the Great Falls Public Library (GreatFallsLibrary.org) and the various programs available. She also talked about what they are doing during the pandemic. She urged us to download the MontanaLibrary2Go app. If there are any questions about the library or the app, please call the library.

PETITIONS AND COMMUNICATIONS

The gopher problem in Russell Park is being handled with a new smoke machine.
The trash problem at Park Place is greatly improved. The staff has done a good job with the issue.
The trash issue at Sand Hills Park has been dealt with.
There is still a trash issue at River Run Apartments.
People who walk their dogs in Russell Park are letting the dogs off leash. This could be a safety issue for dogs kept on their leashes and other walkers in the park. Leashes are required in the park.

OLD BUSINESS

Reports: We still need suggestions for a replacement for Tom Kotynski. Also, please consider signing the petition to request a common-sense impact study of the proposed Madison Food Park Slaughterhouse by PROTECTTHEFALLS.ORG, if you have not already done so.

NEXT MEETING –the next meeting is July 20.

ADJOURN - The meeting was adjourned on a motion by Terry and second by Pat.

Respectfully submitted,
