CALL TO ORDER: The meeting was called to order by Chairman Eric Ray with the Pledge of Allegiance at 7:00.

ROLL CALL: Members present: Terry Albrecht, Pat Bolton, Zachary Bumgarner, Eric Ray, and Marcia Anderson. There were 18 members present, including Brad Eatherly, CDGF Planner and Judge David Grubich.

NEW BUSINESS: Brad Eatherly, CDGF Planner, presented information on the progress of the Touro Doctor College project, and preliminary plans for eight residential buildings and MSU Nursing School, and walking trail easement connecting the trail behind the Clinic Hospital and Sandhills Park. He discussed the re-zoning needed to complete the project. He answered questions. Unanimous support for the project was given. Judge David Grubich gave a report on his duties as district judge since he was appointed to the position and his background. He is running for the position in the next election.

OLD BUSINESS

Approve Minutes: The minutes were read and approved on a motion by Pat and second by Terry.

Reports: Eric and Zachary attended the Council of Councils meeting. Issues concerning fireworks: large parking lot areas will probably not work, different dates in the city and county are a concern, and possibly banning fireworks all together.

Zachary presented the new policy of RV, trailer, large vehicle parking goes into effect on March 15th. The enforcement is complaint driven. He suggested we act as good neighbors when approaching our neighbors, rather than “going after” them. The first fine is \$20.

OTHER BUSINESS: Pat gave the Neighborhood Watch Ambassador report. He said the Crime Mapping site is open to the public and it shows where different types of crimes are committed throughout the city.

NEXT MEETING – March 21, 2022 - Update from the Clinic expansion projects.

ADJOURN The meeting was adjourned on a motion by Pat and second by Zachary.

Respectfully submitted,
Marcia Anderson, Secretary
