Details

Fox Farm Speeders... Recently, I solicited the efforts of patrol officers interested in speed enforcement on Fox Farm Road. This issue has been brought up multiple times to the police department by Neighborhood Council #1. In addition to asking for help from the police, the neighborhood council is pursuing other alternatives, to include a speed sign with radar.

I would like to recognize MPO Wilberding, SPO Stadel, PO Ritton, SPO Torres, PO Araujo, and SPO Edelman for their efforts.

Together, between the dates of January 29th and February 17th, they spent 7 ½ hours focused on speed enforcement on Fox Farm Road. During this time, they wrote 6 citations and 5 warnings, and certainly slowed countless other drivers.

I know Neighborhood Council #1 appreciates these efforts. And, I will pass the above stats onto their president.
