- **Fundraising for Skyline Park and Valley View Park** - Garri Mauch shared a fundraising webpage set up by the People's Park and Recreation Foundation. Sue Dickenson suggested that we change the generic main photograph to display an image of Skyline Park. Garri Mauch said the new QR Code will provide a link to a PayPal account for the pavilion fundraiser. Eric Peterson will add that code to the fundraising letter. Garri would like Eric Peterson to send an updated image of Skyline-Optimist Park for use on the webpage. Council members divided up businesses and selected five to write and send fundraising letters to. Eric Peterson said he would make changes to the fundraising letter and forward them to the council members. Sue Dickenson suggested contacting a member of the neighborhood council that worked on park improvements in the Russell Addition to get insights on what worked and didn't work. Garri Mauch said she would like to see park memorials offered. She said it would be a good opportunity to have additional trees placed into the parks. Eric Peterson said he would create a park fundraiser continuity folder for her to use during the fundraising event.
