Mike noted an e-mail from Barney to members regarding missed meetings. He inquired that since it was to all members, if it should have been included in the Agenda. Barney explained that it was intended as a no-reply informational email and therefore did not qualify as formal business between a quorum of members. A further conversation ensued about this and other possible items in the By Laws and Neighborhood Council Charter regarding missed meetings. Mike and Barney are going to do research on this and other items including required notification of the chairman and the possibility of proxy voting.

Barney is going to inquire with the SRO of Great Falls High School for a possible appearance at a future meeting regarding the number of incidents at both high schools.

Mike motioned to adjourn. Judy seconded. Unanimously approved.
