

NEIGHBORHOOD COUNCIL  
NEIGHBORHOOD WATCH  
DISTRICT #5  
MOUNTAIN VIEW ELEMENTARY  
MOUNTAIN VIEW PTA  
MONDAY, JANUARY 21, 2013

Meeting was called to order at 7:00 pm by Chairman Eric Ray. The Pledge of Allegiance was recited by the 70 people in attendance.

Mountain View Principal Carole McKittrick opened the meeting with a nice Welcome and introductions. First on the agenda was Officer Brian Slavik who's talk was interesting and helpful. We in District #5 are happy to hear we have the least amount of police calls in the city!

City Commissioner Bill Bronson talked about Municipal Administration and then GFPS Central Administration was covered by Ruth Uecker and Dave Houtz. The school district is working hard to keep our children safe - Dave's talk was very interesting and informative.

Then the Mountain View Student Panel gave their thoughts on Community Awareness and that was GREAT. BULLY FREE STARTS WITH ME is the motto in our schools.

Eric Ray called everyone to action by being involved in our neighborhood and school. This was followed by "question and answer" time. The PTA graciously provided coffee and cookies and we thank Mrs. McKittrick for her hospitality.

Marcia made motion to adjourn at 8:20, Gloria seconded it. Mac and Terry were both absent.

Next meeting is Monday, February 18, GF Clinic Speciality Center, 3000 15th Avenue South at 7:00 pm.

Gloria Bedker, Secretary
