

Minutes of the 10/17/2013
Neighborhood Council District 8 Meeting

Meeting began with the Pledge of Allegiance at 6 pm. Carlie presided over the meeting.

Council members present: Carlie Boland, Robin Schreiner and Barbara Going.

Absent: Michael Brainard, Karen Grove

Neighborhood member in attendance: Casey Schreiner

Minutes: MSC to approve the October minutes.

Reports Robin reported on the last which took place in the new facility. He spoke of his concern for the communication system in the police cars with the narrow band which necessitates two police men to be in each car. There did not seem to be adequate funds to fix this problem and other cities are facing the same situation. Carlie indicated she would discuss this issue with the Weed and Seed Committee.

Business: Aaron Pursell, a mayoral candidate was on the schedule but was unable to come.

National Drug Disposal is October 26 from 10 am to 2pm outside of the Hwy Patrol Building. Twice a year a truck picks up the collected amount of prescription drugs to be taken to an incinerator. Carlie indicated that Weed and Seed has a small incinerator that disposes of the items on a regular basis but twice a year there is a big collection date.

Email addresses for those in attendance will be gathered on a regular basis so that in the event a meeting is canceled, anyone who attends even infrequently can be notified.

Council of Council Meeting is October 30. Anyone on the neighborhood councils is welcome to attend.

Re Entry Task Force: Casey Schreiner is the legislator on that committee and will be attending meetings in Helena. Since we meet in a pre-release facility, he would be willing to give us updates on the meetings

Meeting adjourned at 6:45 pm.

Barbara Going, secretary
