The five members of Neighborhood Council 3 thank you for helping keep our Great Falls, **GREAT!**

WHO WE ARE

Neighborhood Council 3 is made up of five members representing residents living in the Riverview, Valley View, Skyline and Eagles Crossing neighborhoods of Great Falls, Montana. The five council members are elected by voters living within the district during regularly scheduled city general elections for two-year terms.

A Montana Air National Guard F-106 Delta Dart and F-16 Fighting Falcon fly over the Valley View and Riverview neighborhoods in 1986.

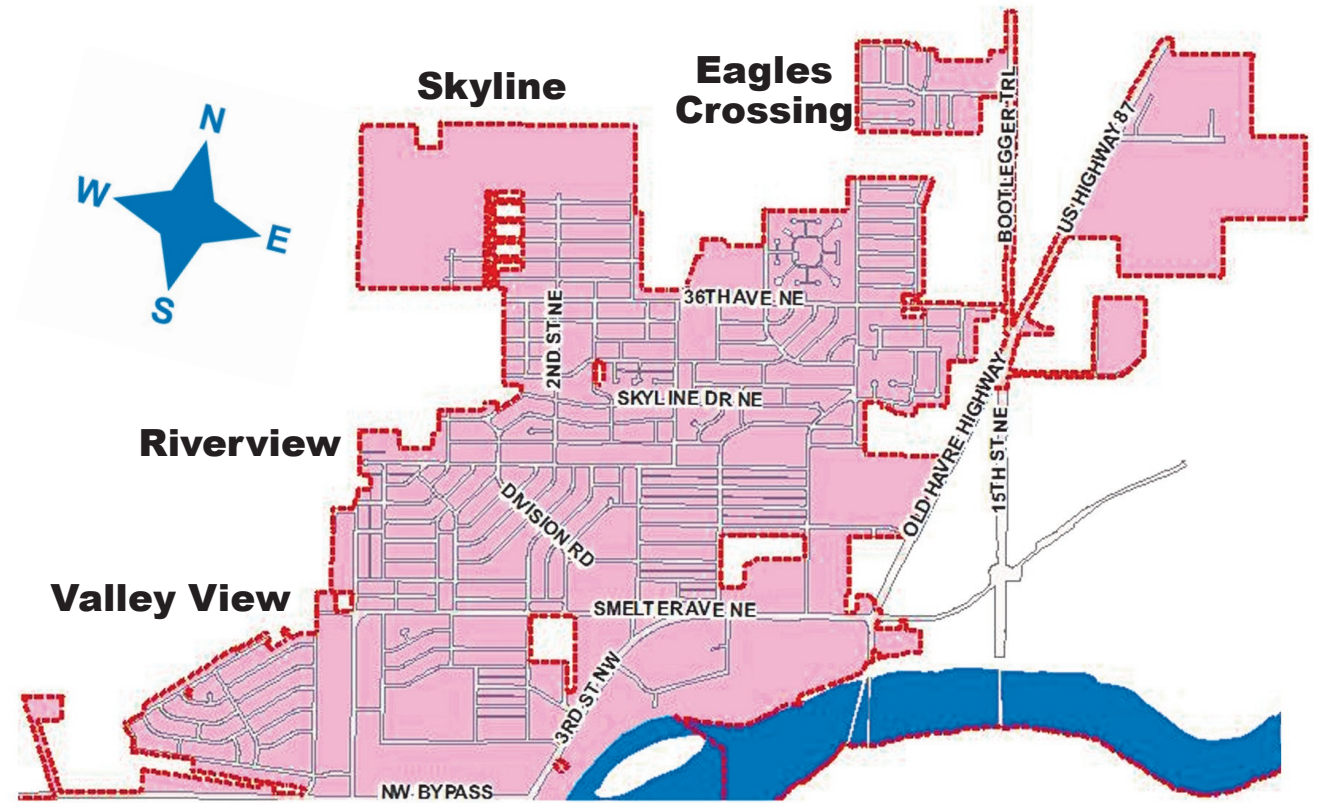

WHAT DO WE DO?

Neighborhood Council 3 provides advice and recommendations to the City Commission, City Manager, and other City advisory bodies on issues, affairs, and services that may impact any of our four neighborhoods.

Topics and issues the council may be involved with include public finance, public works, public safety, social services, transportation, planning and zoning, economic development, public health and sanitation, parks and recreation, and environmental issues.

As you can see, there probably isn't any issue or problem affecting you in your neighborhood that your neighborhood council can't help you resolve.
