- David Maggietti voiced concerns that City staff oftentimes gives inconsistent answers to the same questions. He wondered who would be liable for costs incurred when wrong information is given to the public and then changes must be made to property in order to bring it up to code. Patty Cadwell suggested that David keep records of date/time and name of staff and report to supervisor when that occurs.

NEXT MEETING OF NEIGHBORHOOD COUNCIL 4:

September 26, 2013

ADJOURNMENT:
