Animal Shelter Fees

Adoption Fees – The adoption fees for dogs and cats include spaying/neutering of the animal, a micro-chip, vaccinations and a nametag.

Spay/Neuter Deposit - Per Montana State Law (7-23-4202) any publicly operated animal shelter may not offer for adoption any cat or dog that has not been spayed or neutered; unless a deposit for spaying or neutering the animal has been paid. The Great Falls Animal Shelter (Shelter) is requiring a spay/neuter deposit for animals that are 6 months of age or younger (too young to be spayed at the time of adoption).

The cost of spaying/neutering all other dogs and cats is included in the adoption fee. Those animals not already altered at the time of adoption will be transported to a veterinarian who is participating in the Shelter's Guardian Angel Program to be spayed/neutered.

A spay/neuter deposit would also be required if a new adoptee selects to take the animal home immediately (before being spayed/neutered) or in the event the new adoptee lives outside the City limits.

The spay/neuter deposit will be returned to new pet owner once documentation is provided showing the dog or cat is altered. Per Montana State Law the spay/neuter deposit must be forfeited if the spaying or neutering is not done within 30 days if the cat or dog is more than 6 months old at the time of adoption; or by the time the animal reaches the age of 6 months if the animal is less than 6 months old at the time of adoption, or within 30 days of the adoption, whichever is longer.

Adoption Promotion Fee - The Shelter may hold adoption promotion events throughout the year. The amount of the Adoption Promotion Fee would vary and allows dogs and cats to be adopted from the Shelter at a discounted rate. Oftentimes, the promotional rate would be offset by the Guardian Angel Fund and the Adoption Fund. The Adoption Promotion Fee would be used based on space or on an as needed basis.

Nametags – Dog and cat nametags are sold at the Shelter for a nominal fee.

Surrender Fee – A surrender fee will be charged to an owner who surrenders an unwanted animal(s) to the Shelter. An additional fee will be charged to those owners who surrender a litter to the Shelter. The fee helps offset the initial intake/processing cost of the animal and general cost of care.

Animal Registration (also known as animal licenses) – Per City Code any person keeping or harboring any dog or domestic cat over six (6) months of age must register the animal by paying a registration fee. The Shelter sells both annual and lifetime registrations, proof of vaccinations are required. The cost of registration varies based on whether or not the animal is altered. Lifetime registrations are only available to be purchased for those animals that are altered. Animal registrations are sometimes referred to as animal licenses.

Impounded Animals/Redemption - The owner of any pet animal which has been impounded, upon proving ownership, may redeem the pet from the Great Falls Animal Shelter once they pay a registration fee (for unregistered pet animals); a daily cost of care fee for each day that the animal has been held in the Shelter; a fee for rabies vaccination if the pet is not vaccinated; and any veterinary fees incurred while the animal is at the Shelter.

Administration Fee – This fee helps off-set the cost of staff time involved in the intake process of impounded animals and includes the costs associated with setting up an animal up with shelter, food, water and bedding.

Triage/Vaccination Fee - This fee includes a basic health assessment (temperature, weight, eyes, ears, etc.) as well as the Da2PPv (distemper/parvo), bordatella (kennel cough) vaccinations and de-worming for dogs and the FvRCP (feline distemper) vaccinations and deworming for cats.

Vaccinations – Per City Code It is unlawful for any person to keep, maintain or harbor any dog, cat, ferret or horse over six (6) months of age unless it has had a current anti-rabies vaccine administered under the direction of the public health officer by a licensed veterinarian or with any other vaccine approved by the public health officer and the state veterinarian.

Veterinary Care/Bills – The owner of an impounded animal is responsible for any veterinary services and associated costs while their animal is at the Shelter.

Rabies Deposit - The owner of any dog or cat which does not have proof of rabies vaccination must pay a fifteen dollar (\$15) refundable fee. The fee will be refunded when the owner provides proof of vaccination.

Cost of Care – The cost of care covers the daily expenses associated with caring for impounded animals; it includes the cost of staff time, food, water and shelter as well as basic utility expenses (heat, electricity, water, etc.). It is calculated at \$10 a day.

Cost of Care - Court Mandated Cases – In the event that an animal is impounded at the Shelter due to a court mandated situation the daily cost of care for that animal will be charged at a daily rate of \$15 a day. This covers the daily expenses associated with caring for the animal including staff time, food, water and shelter as well as basic utility expenses (heat, electricity, water, etc.). In most situations court mandated animals tend to be aggressive or bite cases and may need to involve at least two staff members, these animals have longer stay times and need to be isolated from other animals.

Court Mandated Euthanasia – In the event of court mandated euthanasia, this fee is charged to the pet owner and covers the cost of the contracted vet who provides the service, decapitation if necessary (required in bite cases), rabies testing and the general disposal and processing of the animal.

Cremation Services – The Shelter offers pet cremation services to the Great Falls community, local veterinary offices and the surrounding areas. Owners have the option of selecting general, segregated or individual cremation options. The processing fee covers the cost of the urn, lapel pin, paw print and cremation certificate (the processing fee is not charged to those who select General Cremation).

Animal Control Definitions

Wild Animals License Certificate – Anyone who wishes to keep a wild animal in their home or on their property is required to obtain a Wild Animal License Certificate. An inspection of the property must be completed by an Animal Control Officer before the certificate can be granted. Written consent of at least 75% of the adjoining neighbor is also required (200 feet east and west and 150 feet north and south). A one-time fee of \$200 and an annual renewal fee of \$150 is required. Renewals are required within sixty (60) days of the expiration day of the initial application.

Multiple Animal Permits – A Multiple Animal Permit is required for any person, family, or household owning or harboring more than two (2) dogs over six (6) months of age and two (2) cats over six (6) months of age for more than thirty (30) days. Multiple Animal Permits are issued on a two (2) year basis. Those residents who have purchased and hold lifetime Multiple Animal Permits will continue to have their permit honored as long as the terms of the original permits continue to be met.

Multiple Animal Hobby Breeder Permit – A Multiple Animal Hobby Breeder Permit is required for any person, family, or household owning or harboring more dogs and cats than are permitted by City Code and who intend to breed their animals. The holder of a regular Multiple Animal Permit or a person holding no Multiple Animal Permit must apply for a Multiple Animal Hobby Breeder Permit within ten (10) days of the birth of a litter.

Commercial Kennels - A Commercial Kennel Permit is required for any individual who wishes to engage in the boarding and/or breeding of dogs, cats, reptiles, or any other pet animal for compensation. This process is currently coordinated through the Planning and Community Development Department and applicants are required to receive a Safety Inspection Certificate (SIC) before opening for business. Commercial kennels are only allowed in approved zoning districts outlined in Title 17 of the City Code (those zoning districts include C-2, C-3, GFIA and I-1).

Bee Hive Owner/Bee Keeper Registration & Licensing – Any person wishing to maintain honeybees on their property must submit a one-time registration fee of \$40 to be recognized as a “bee keeper or bee hive owner” and license their bee hives at the rate of \$10 per hive each year, including the first year. All hives shall be registered and licensed with Animal Control prior to April 1st of each year. No more than five (5) hives of honeybees are allowed on each one-quarter acre of property or less.
