(d) Maintenance of Security, if Any; Recordation of Interest.

(i) The City shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of the Resolution and the Collateral Documents so long as any amount is owing under the Resolution or the Series 2016 Bond;

(ii) The City shall forthwith, after the execution and delivery of the Series 2016 Bond and thereafter from time to time, cause the Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by the Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(iii) Except to the extent it is exempt therefrom, the City shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (ii), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2016 Bond and the Collateral Documents and the documents described in subparagraph (ii).

(e) Additional Agreements. The City covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 8.06 of the Original Resolution, as amended by Section 11.3 hereof. The City agrees that for each Fiscal Year it shall furnish to the DNRC and the DEQ, promptly when available:

(1) the preliminary budget for the System, with items for the 2016 Project shown separately; and

(2) when adopted, the final budget for the System, with items for the 2016 Project shown separately.

(g) 2016 Project Accounts. The City shall maintain 2016 Project accounts in accordance with generally accepted government accounting standards, and as separate accounts, as required by Section 602(b)(9) of the Clean Water Act.

(h) Records. After reasonable notice from the EPA or the DNRC, the City shall make available to the EPA or the DNRC such records as the EPA or the DNRC

reasonably requires to review and determine compliance with Title VI of the Clean Water Act, as provided in Section 606(e) of the Clean Water Act.

(i) Compliance with Clean Water Act. The City has complied and shall comply with all conditions and requirements of the Clean Water Act pertaining to the 2016 Loan and the 2016 Project.

(j) Compliance with DEQ Requirements. The City shall comply with plan, specification and other requirements for public storm drainage systems established by the DEQ, as required by Section 75-5-113(1)(g) of the State Act.

(k) Program Covenant. The City agrees that neither it nor any “related person” to the City (within the meaning of Section 147(a)(2) of the Code) shall, whether pursuant to a formal or informal arrangement, acquire bonds issued by the State under the Indenture in an amount related to the amount of the Series 2016 Bond.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The City covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2016 Bond or any other funds of the City in respect of the 2016 Project or the Series 2016 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The City agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2016 Loan or the portion of the 2016 Loan derived directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The City shall not use or permit the use of the 2016 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2016 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2016 Loan, be owned by the City and not by any other Person. Any portion of the 2016 Project being financed shall be acquired by and shall, during the term of the 2016 Loan, be owned by the City and not by any other Person. Notwithstanding the previous two sentences, the City may transfer the 2016 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Clean

Water Act or adversely affect the exclusion of interest on the Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the City may sell or otherwise dispose of any portion of the 2016 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the City or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(e) At the Closing of the 2016 Loan the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the City instructions concerning compliance by the City with the arbitrage rebate requirements of Section 148 of the Code (the "Arbitrage Rebate Instructions"). The City shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The City agrees that during the term of the 2016 Loan it will not contract with or permit any Private Person to manage the 2016 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on State Bonds from gross income for purposes of federal income taxation.

(g) The City may not lease the 2016 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the City and the State not to cause any default to occur under the Resolution; provided the City may lease all or any portion of the 2016 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The City shall not change the use or nature of the 2016 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The City shall maintain the System, including the 2016 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The City shall not grant or permit to exist any lien on the 2016 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2016 Bond;

provided that this Section 2.5 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the City uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.;
Disposition of Assets. The City shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the City) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the City under the Resolution, the Series 2016 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the City under the Resolution, the Series 2016 Bond and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2016 Bond or the State Bonds from gross income for federal income tax purposes and (c) the City delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the City shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the City delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

ARTICLE III

USE OF PROCEEDS; THE 2016 PROJECT

Section 3.1 Use of Proceeds. The City shall apply the proceeds of the 2016 Loan from the DNRC solely as follows:

(a) The City shall apply the proceeds of the 2016 Loan solely to the financing, refinancing or reimbursement of the costs of the 2016 Project as set forth in Appendix A hereto and this Section 3.1. The 2016 Loan will be disbursed in accordance with Article IV hereof and Article VII of the Indenture. If the 2016 Project has not been completed prior to Closing, the City shall, as quickly as reasonably possible, complete the 2016 Project and expend proceeds of the 2016 Loan to pay the costs of completing the 2016 Project.

(b) No portion of the proceeds of the 2016 Loan shall be used to reimburse the City for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the 2016 Loan are to be used to reimburse the City for 2016 Project costs paid prior to the date of adoption of this Supplemental Resolution, the City shall have complied with Section 1.150-2 of the Regulations.

(c) Any Debt to be refinanced with proceeds of the 2016 Loan was incurred after March 7, 1985 for a Project the construction or acquisition of which began after March 7, 1985. No proceeds of the 2016 Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2016 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2016 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the 2016 Loan (the 2016 Project may consist of more than one facility or activity) and an estimated budget relating to the 2016 Project. The 2016 Project may be changed and the description thereof in Appendix A may be amended from time to time by the City but only after delivery to the DNRC of the following:

(a) A certificate of the City setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2016 Project, an increase or decrease in the amount of Loan proceeds which will be required to complete the 2016 Project and whether the change will materially accelerate or delay the construction schedule for the 2016 Project;

(b) A written consent to such change in the 2016 Project by an Authorized DNRC Officer;

(c) An Opinion or Opinions of Bond Counsel stating that the 2016 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2016 Bond was issued, eligible for financing under the Act, such amendment will not violate the State Act or the Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2016 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The City acknowledges and agrees that an increase in the principal amount of the 2016 Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the City of a resolution amendatory of or supplementary to the Resolution authorizing the additional loan and delivery of written certifications by officers of the City to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in the resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such Debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The City acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their

agents, employees or representatives shall have any liability to the City and have made no representations to the City as to the sufficiency of the 2016 Loan to pay costs of the 2016 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2016 Loan.

Section 3.3 2016 Project Representations and Covenants. The City hereby represents to and covenants with the DNRC that:

(a) all construction of the 2016 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2016 Project will be done only pursuant to fixed price construction contracts. The City shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the City's, the DNRC's and the DEQ's satisfaction;

(c) all future construction will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2016 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) the iron and steel products used in the 2016 Project comply with the "American Iron and Steel" requirements of Section 436 of the Consolidated Appropriations Act of 2015 (P.L. 113-76), as those requirements are further interpreted by applicable EPA guidance;

(f) the 2016 Project is a project of the type permitted to be financed under the Act, the State Act and the Program and Title VI of the Clean Water Act; and

(g) the City will undertake the 2016 Project promptly after the Closing and will cause the 2016 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the City; it is estimated by the City that the 2016 Project will be substantially completed by the Estimated Completion Date.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2016 Project.

(a) Upon completion of the 2016 Project, the City shall deliver to the DNRC a certificate stating that the 2016 Project is complete, stating the amount, if any, of the Reserved Amounts, and releasing the remaining amount, if any, of the Committed Amount. If any Reserved Amount is not later needed, the City shall so inform the DNRC

and release such amount. If Appendix A describes two or more separate projects as making up the 2016 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2016 Project is cancelled or cut back or its costs are reduced or for any other reason the City will not require the full Committed Amount, the City shall promptly notify the DNRC in writing of such fact and release the portion of the Committed Amount which will not be needed.

ARTICLE IV

THE 2016 LOAN

Section 4.1 The 2016 Loan; Disbursement of Loan. The DNRC has agreed to lend to the City, from time to time as the requirements of this Section 4.1 are met, an amount up to \$5,000,000 (the “Committed Amount”) for the purposes of financing, refinancing or reimbursing the City for the costs of the 2016 Project; provided the DNRC shall not be required to loan any proceeds of the State Bonds to the City after 360 days following the Estimated Completion Date. The Committed Amount may be reduced as provided in Sections 3.2(a) and 3.4 of this Supplemental Resolution. The 2016 Loan shall be disbursed as provided in this Section 4.1. The DNRC intends to disburse the 2016 Loan through the Trustee.

(a) In consideration of the issuance of the Series 2016 Bond by the City, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2016 Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2016 Bond and the security therefor and stating in effect that interest on the Series 2016 Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2016 Bond, fully executed and authenticated;

(3) a certified copy of the Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2016 Loan;

(5) if all or part of the 2016 Loan is being made to refinance a Project or reimburse the City for the costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in (1) above, (A) that the acquisition or construction of the Project was begun no earlier than March 7, 1985 or the debt was incurred no earlier than March 7, 1985, (B) of the City’s title to the Project, (C) of the costs of such Project and that such costs have been paid by the City and (D) if such costs were paid before adoption of this Supplemental Resolution that the City has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2016 Loan to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or the Bond Counsel giving the opinion referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(b) In order to obtain a disbursement of a portion of the 2016 Loan to pay costs of the 2016 Project, the City shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The City may obtain disbursements only for costs which have been legally incurred and are due and payable. All 2016 Loan disbursements will be made to the City only upon proof that cost was incurred.

(c) For refinancings, a disbursement schedule complying with the requirements of the Clean Water Act shall be established by the DNRC and the City at Closing. The Trustee shall disburse Loan amounts directly to the holder of the debt being refinanced according to such schedule. If the City should repay all or a portion of the debt to be refinanced from other sources or should otherwise not need any portion of the 2016 Loan which was to have been used to refinance such debt, it shall inform the DNRC and the Trustee of such fact pursuant to Section 3.4(b) and a new disbursement schedule shall be drawn up by the DNRC. The DNRC shall obtain a receipt from the holder of the debt being refinanced for each disbursement made to pay or prepay a portion of such debt.

(d) If all or a portion of a Loan is made to reimburse a City for Project costs paid by it prior to Closing, the City shall present at Closing the items required by Section 4.1(b) relating to such costs. The Trustee shall disburse such amounts to the City pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the City at the Closing.

(e) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the 2016 Loan any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving Fund. The DNRC shall not be required to do "overmatching" pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The City acknowledges that if Project costs are incurred faster than the City projected at Closing, there may be delays in making Loan disbursements for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its commercially reasonable efforts to obtain an acceleration of such schedule if necessary.

(f) Upon making each Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2016 Bond.

(g) The City agrees that it will deposit in the Reserve Account upon receipt any proceeds of the 2016 Loan borrowed for the purpose of causing the balance in the Reserve Account to equal the Reserve Requirement, either at the Closing of the 2016

Loan or upon any disbursement date. The City further acknowledges and agrees that any portions of the 2016 Loan representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2016 Bond and interest thereon shall accrue only from the date of transfer.

(h) Compliance by the City with its representations, covenants and agreements contained in the Resolution and Collateral Documents shall be a further condition precedent to the disbursement of the Loan in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the 2016 Loan.

Section 4.2 Commencement of Loan Term. The City's obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under Article V hereof shall commence only upon the first disbursement by the Trustee of Loan proceeds.

Section 4.3 Termination of Loan Term. The City's obligations under the Resolution and the Collateral Documents shall terminate upon payment in full of all amounts due under the Series 2016 Bond and the Resolution in respect thereof; provided, however, that the covenants and obligations provided in Article VI and Section 10.4 of this Supplemental Resolution shall survive the termination of the Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the City will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

ARTICLE V

REPAYMENT OF 2016 LOAN

Section 5.1 Repayment of 2016 Loan. The City shall repay the amounts lent to it pursuant to Section 4.1 hereof, plus interest on the unpaid amounts lent at the rate of two percent (2.00%) per annum, in semiannual Loan Repayments. In addition, the City shall pay an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge, each at the rate of twenty-five hundredths of one percent (0.25%) per annum on the outstanding principal amount of the 2016 Loan. For purposes of this Supplemental Resolution, the term "interest" on the 2016 Loan shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The City shall pay all Loan Repayments and Administrative Expense Surcharge and Loan Loss Reserve Surcharge in lawful money of the United States of America to the DNRC. Interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

The 2016 Loan Repayments required by this Section 5.1, and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge, shall be due on each January 1 and July 1 (the “Payment Dates”), as follows:

(1) interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2016 Loan shall be payable on each January 1 and July 1, beginning on January 1, 2017; and

(2) the principal of the 2016 Loan shall be repayable on each Payment Date, beginning on January 1, 2017 and concluding on July 1, 2036, and the amount of each principal payment shall be calculated on the basis of level debt service at an interest rate of 2.50% per annum; provided that principal of the 2016 Loan is payable only in amounts that are multiples of \$1,000.

The payments of principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2016 Loan shall be due on the dates and in the amounts shown in Schedule B to the Series 2016 Bond, as such Schedule B shall be modified from time to time as provided below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2016 Bond. Upon each disbursement of Loan amounts to the City pursuant to Section 5.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2016 Bond under “Advances” and the total amount advanced under Section 4.1, including such disbursement, under “Total Amount Advanced.”

If the advance was made to pay costs of the 2016 Project pursuant to Section 4.1(b), interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on such advance shall accrue from the date the advance is made and shall be payable on each Payment Date thereafter. Once the completion certificate for a 2016 Project has been delivered to the DNRC, the Trustee shall revise Schedule B to the Series 2016 Bond in accordance with this Section 5.1 and the Trustee shall send a copy of such Schedule B to the City within one month after delivery of the completion certificate.

Past-due payments of principal, interest, Administrative Expense Surcharges and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest, Administrative Expense Surcharge or Loan Loss Reserve Surcharge under this Section 5.1 shall also be credited against the same payment obligation under the Series 2016 Bond.

Section 5.2 Additional Payments. The City shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2016 Loan, if the City so chooses, all reasonable expenses of the DNRC and the Trustee in connection with the 2016 Loan, the Collateral Documents and the Series 2016 Bond, including, but not limited to:

(1) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2016 Bond;

(2) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the 2016 Loan, the Resolution, the Collateral Documents and the Series 2016 Bond and the enforcement thereof; and

(3) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2016 Bond, whether or not the Series 2016 Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2016 Bond, the Collateral Documents and the Resolution (and with the exceptions noted therein) and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The City may not prepay all or any part of the outstanding principal amount of the Series 2016 Bond unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment, Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2016 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4 Obligations of City Unconditional. The obligations of the City to make the payments required by the Resolution and the Series 2016 Bond and to perform its other agreements contained in the Resolution, the Series 2016 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The City (a) shall not suspend or discontinue any payments provided for in the Resolution and the Series 2016 Bond, (b) shall perform all its other agreements in the Resolution, the Series 2016 Bond and the Collateral Documents and (c) shall not terminate the Resolution, the Series 2016 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2016 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with the Resolution.

Section 5.5 Limited Liability. All payments of principal of and interest on the 2016 Loan and other payment obligations of the City hereunder and under the Series 2016 Bond shall be special, limited obligations of the City payable solely out of the Net Revenues and shall not, except at the option of the City and as permitted by law, be payable out of any other revenues of the City. The obligations of the City under the Resolution and the Series 2016 Bond shall never constitute an indebtedness of the City within the meaning of any state constitutional

provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the City or a charge against its general credit or taxing power. The taxing powers of the City may not be used to pay principal of or interest on the Series 2016 Bond, and no funds or property of the City other than the Net Revenues are pledged to pay principal of or interest on the Series 2016 Bond.

ARTICLE VI

INDEMNIFICATION OF DNRC AND DEQ

The City shall, to the extent permitted by law, indemnify and save harmless the DNRC and the DEQ and their officers, employees and agents (each an “Indemnified Party” or, collectively, the “Indemnified Parties”) against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the City or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2016 Project. The City shall also, to the extent permitted by law, indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys’ fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of such claim or demand, the City shall, upon notice from an Indemnified Party, defend such proceeding on behalf of the Indemnified Party.

ARTICLE VII

ASSIGNMENT

Section 7.1 Assignment by City. The City may not assign its rights and obligations under the Resolution or the Series 2016 Bond.

Section 7.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in the Resolution, the Series 2016 Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the City.

Section 7.3 State Refunding Bonds. In the event the State Bonds are refunded by bonds which are not Additional State Bonds, all references in the Resolution to State Bonds and Additional State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the “Refunding Bonds”) or, in the case of a crossover refunding, to the State Bonds and Additional State Bonds and the Refunding Bonds. In the event the State Bonds are refunded by an issue of Additional State Bonds, all references in the Resolution to the State Bonds shall be deemed to refer to such Additional State Bonds or, in the case of a crossover refunding, both the State Bonds and such Additional State Bonds.

ARTICLE VIII

THE SERIES 2016 Bond

Section 8.1 Net Revenues Available. The City is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Outstanding Bonds and the Series 2016 Bond the Net Revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2016 Bond will be more than sufficient to pay the principal and interest when due on the Series 2016 Bond, and to create and maintain reasonable reserves therefor and to provide an adequate allowance for replacement and depreciation, as herein prescribed.

Section 8.2 Issuance and Sale of the Series 2016 Bond. The Commission has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the City to issue the Series 2016 Bond to evidence the 2016 Loan. The Series 2016 Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433.

Section 8.3 Terms. The Series 2016 Bond shall be in the maximum principal amount equal to the original Committed Amount of the 2016 Loan, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2016 Loan. The principal of and interest on the Series 2016 Bond shall be payable on the same dates and in the same amounts as the 2016 Loan Repayments are payable. Advances of principal of the Series 2016 Bond shall be deemed made when advances of the 2016 Loan are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2016 Bond, as it may be revised by the DNRC from time to time in accordance with Section 5.1.

The City may prepay the Series 2016 Bond, in whole or in part, only upon the terms and conditions under which it can prepay the 2016 Loan under Section 5.3.

Section 8.4 Negotiability, Transfer and Registration. The Series 2016 Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC. While so registered, principal of and interest on the Series 2016 Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1625 Eleventh Avenue, Helena, Montana 59620-2301 or such other place as may be designated by the DNRC in writing and delivered to the City. The Series 2016 Bond shall be negotiable, subject to the provisions for registration and transfer contained in this Section. No transfer of the Series 2016 Bond shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2016 Bond, and (2) the City Fiscal Services Director (or successors, the "Registrar"), as Bond Registrar, has duly noted the transfer on the Series 2016 Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The City shall be entitled to deem and treat the Person

in whose name the Series 2016 Bond is registered as the absolute owner of the Series 2016 Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the City's liability upon such Bond to the extent of the sum or sums so paid.

Section 8.5 Execution and Delivery. The Series 2016 Bond shall be executed on behalf of the City by the manual signatures of the Mayor, City Manager, City Fiscal Services Director and City Clerk. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2016 Bond. In the event that any of the officers who shall have signed the Series 2016 Bond shall cease to be officers of the City before the Series 2016 Bond is issued or delivered, their signatures shall remain binding upon the City. Conversely, the Series 2016 Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Supplemental Resolution. The Series 2016 Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6 Form. The Series 2016 Bond shall be prepared in substantially the form attached as Appendix B.

ARTICLE IX

SECURITY FOR THE SERIES 2016 Bond

The Series 2016 Bond is issued as an Additional Bond under the Resolution and shall, with the Series 2004 Bond and any other Additional Bonds issued under the provisions of Section 6 of the Original Resolution, excluding Section 6.04 thereof, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Debt Service Account of the Storm Drainage System Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in Section 7.05 of the Original Resolution. On the Closing Date, the City Fiscal Services Director shall deposit in the Reserve Account, from available funds of the System, an amount sufficient to cause the balance in the Reserve Account to equal the Reserve Requirement, treating all of the principal amount of the Series 2016 Bond as advanced at Closing. In the event the amount in the Reserve Account exceeds the Reserve Requirement as of the date of the final disbursement of proceeds of the Series 2016 Bond, the City shall reduce the amount then in the Reserve Account to equal the Reserve Requirement, recognizing that none of the amounts in the Reserve Account shall be from proceeds of the Series 2016 Bond. Thereafter, upon each monthly apportionment, from the Net Revenues remaining after the apportionment to the Debt Service Account, the City shall credit to the Reserve Account such additional Net Revenues as may be required to establish and thereafter maintain the balance in an amount equal, as of the date of calculation, to the Reserve Requirement. The City shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered owners from time to time of the Series 2004 Bond and the Series 2016 Bond.

ARTICLE X

TAX MATTERS

Section 10.1 Use of 2016 Project. The 2016 Project will be owned and operated by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2016 Project or the System or security for the payment of the Series 2016 Bond which might cause the Series 2016 Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The City covenants and agrees with the owners from time to time of the Series 2016 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2016 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2016 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The City Manager, the City Fiscal Services Director and the City Clerk are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2016 Bond, it is reasonably expected that the proceeds of the Series 2016 Bond will be used in a manner that would not cause the Series 2016 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate. The City acknowledges that the Series 2016 Bond is subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2016 Bond from gross income for federal income tax purposes, unless the Series 2016 Bond qualifies for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2016 Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the City Manager, the City Fiscal Services Director and the City Clerk are hereby authorized and directed to execute a Rebate Certificate, substantially in the form prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

Section 10.5 Information Reporting. The City shall file with the Secretary of the Treasury, not later than November 15, 2016, a statement concerning the Series 2016 Bond containing the information required by Section 149(e) of the Code.

ARTICLE XI

AMENDMENTS

Section 11.1 Authorization. Pursuant to Section 9.02 of the Original Resolution, the City reserved the right to amend the Resolution with the written consent of the Holders of two-thirds in principal amount of Outstanding Bonds. On the date hereof, the DNRC is the Holder of all Outstanding Bonds.

Section 11.2 Consent of DNRC. The DNRC has consented in writing to the amendments of the provisions of the Resolution set forth herein.

Section 11.3 Amendments.

(a) Definitions. Section 1.01 of the Original Resolution is hereby amended to amend the following definition, in its entirety, as follows:

“‘Reserve Requirement’ means, as of the date of calculation, an amount equal to one-half the sum of the highest amount of principal of and interest payable on all Outstanding Bonds in any future fiscal year (giving effect to mandatory sinking fund redemption, if any).”

(b) Section 2.3(f). Section 2.3(f) of the 2004 Resolution is hereby amended to read, in its entirety, as follows:

“(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 8.06 of the Original Resolution. The City agrees that for each Fiscal Year it shall furnish to the DNRC and the DEQ, promptly when available:

- (1) the preliminary budget for the System, with items for the 2004 Project shown separately; and
- (2) when adopted, the final budget for the System, with items for the 2004 Project shown separately.

The City will cause proper and adequate books of record and account to be kept showing complete and correct entries of all receipts, disbursements and other transactions relating to the System, the monthly gross revenues derived from its operation, and the segregation and application of the gross revenues in accordance with this Resolution, in such reasonable detail as may be determined by the City in accordance with generally accepted governmental accounting practice and principles. It will cause such books to be maintained on the basis of the same fiscal year as that utilized by the City. The City shall, within 270 days after the close of each Fiscal Year, cause to be prepared and supply to the DNRC a financial report with respect to the System for such Fiscal Year. The report shall be prepared at the direction of the financial officer of the City in accordance with applicable generally accepted governmental accounting principles and, in addition to whatever matters may be thought proper by the financial officer to be included therein, shall include the following:

(A) A statement in detail of the income and expenditures of the System for the Fiscal Year, identifying capital expenditures and separating them from operating expenditures;

(B) A balance sheet as of the end of the Fiscal Year;

(C) The number of premises connected to the System at the end of the Fiscal Year;

(D) The amount on hand in each account of the Storm Drainage System Fund at the end of the Fiscal Year;

(E) A list of the insurance policies and fidelity bonds in force at the end of the Fiscal Year, setting out as to each the amount thereof, the risks covered thereby, the name of the insurer or surety and the expiration date of the policy or bond; and

(F) A determination that the report shows full compliance by the City with the provisions of this Resolution during the Fiscal Year covered thereby, including proper segregation of the capital expenditures from operating expenses, maintenance of the required balance in the Reserve Account, and receipt of Net Revenues during each fiscal year at least equal to 110% of the maximum amount of Principal and Interest Requirements on Outstanding Bonds in any subsequent Fiscal Year, or, if the report should reveal that the revenues have been insufficient for compliance with this Resolution, or that the methods used in accounting for such revenues were contrary to any provision of this Resolution, the report shall include a full explanation thereof, together with recommendations for such change in rates or accounting practices or in the operation of the System as may be required.

The City shall also have prepared and supplied to the DNRC and the DEQ, within 270 days of the close of every Fiscal Year, an audit report prepared by an independent certified public accountant or an agency of the state in accordance with generally accepted governmental accounting principles and practice with respect to the financial statements and records of the System. The audit report shall include an analysis of the City's compliance with the provisions of this Resolution."

(c) Section 8.09. Section 8.09 of the Original Resolution is hereby amended to read, in its entirety, as follows:

"Section 8.09. Rates and Charges. While any Bonds are Outstanding, the rates, charges and rentals for all services and facilities furnished and made available by the System to the City and its inhabitants, and to all customers within or without the boundaries of the City, shall be reasonable and just, taking into consideration the cost and value of the System and the cost of maintaining and operating them, and the amounts necessary for the payment of all Bonds and the interest accruing thereon and all Subordinate Obligations and the interest accruing thereon, and the proper and necessary allowances for the depreciation of the System. No free service shall be provided to any person or corporation. The City covenants and agrees that the rates, charges and rentals to be charged to all recipients of storm drain services shall be maintained and shall be revised, whenever and as often as may be necessary, according to schedules such that the Revenues for each Fiscal Year will be at least sufficient to pay the current expenses of operation and maintenance as herein defined, to maintain the Operating Reserve herein established, to fund

the Reserve Account to the Reserve Requirement, and to produce Net Revenues during each Fiscal Year commencing with the fiscal year ending June 30, 2003, not less than 110% of the maximum annual principal and interest payable on any Outstanding Bonds in the current or any future Fiscal Year.

If at the close of any Fiscal Year the Net Revenues actually received during such year have been less than required hereby, the City will forthwith prepare a schedule of altered rates, charges and rentals which are just and equitable and sufficient to produce Net Revenues in such amount, and will do all things necessary to the end that such schedule will be placed in operation at the earliest possible date.

The establishment of the above ratio of Net Revenues available for the Debt Service Account is deemed necessary to sell the Series 2003 Bonds upon terms most advantageous to the City. The excess of the Net Revenues over the annual Principal and Interest Requirements and the Reserve Requirement may be used as authorized in Article VII. The Series 2003 Bonds may be redeemed according to their terms on and after January 1, 2004, and in the estimation of this Commission any excess prior to that date of Net Revenues over Principal and Interest Requirements and required maintenance of the Reserve Account will be needed to pay or to provide reserves for payment of replacements, renewals and improvement costs, in order to provide adequate service for the present population and the increase thereof reasonably to be expected; and after that date, any excess not required for such purposes in the judgment of the governing body of the City may be used to redeem Bonds and thereby reduce the interest cost thereon to the City and to the persons served by the System.”

(d) Section 6. Section 6 of the Original Resolution is hereby amended to read, in its entirety, as follows:

“Section 6. Priorities and Additional Debt.

Section 6.01. General Limitations; Issuable in Series. The aggregate principal amount of Bonds that may be authenticated and delivered and outstanding under this Resolution is not limited, except as provided herein and except as may be limited by law.

The Bonds may be issued in series as from time to time authorized by the City Commission. With respect to the Bonds of any particular series, the City may incorporate in or add to the general title of such Bonds any words, letters or fixtures designed to distinguish that series.

The Bonds shall be special, limited obligations of the City. Principal of, premium, if any, and interest on the Bonds shall be payable solely from Net Revenues (other than to the extent payable out of proceeds of the Bonds). The Bonds shall not be or constitute a pledge of the general credit or taxing powers of the City of any kind whatsoever. Neither the Bonds nor any of the agreements or obligations of the City contained herein shall be construed to constitute an indebtedness of the State or the City within the meaning of any constitutional or statutory provisions whatsoever.

Each and all of the Bonds shall be equally and ratably secured without preference or priority of any one Bond over any other by reason of serial number, date of issue, or otherwise;

provided that if at any time the Net Revenues on hand in the Fund are insufficient to pay principal and interest then due on all such Bonds, any and all Net Revenues then on hand shall be first used to pay the interest accrued on all outstanding Bonds, and the balance shall be applied toward payment of the maturing principal of such Bonds to be paid first, and pro rata in payment of Bonds maturing on the same date.

Each series of Bonds (except the Series 2003 Bonds, which are created by Section 4) shall be created by a Supplemental Resolution. The Bonds of each series (other than the Series 2003 Bonds, as to which specific provision is made in this Resolution) shall bear such date or dates, shall be payable at such place or places, shall have such stated maturities and redemption dates, shall bear interest at such rate or rates, from such date or dates, shall be payable in such installments and on such dates and at such place or places, and may be redeemable at such price or prices and upon such terms (in addition to the prices and terms herein specified for redemption of all Bonds) as shall be provided in the Supplemental Resolution creating that series, all upon such terms as the City may determine. The City may, at the time of the creation of any series of Bonds or at any time thereafter, make, and the Bonds of that series may contain provision for:

- i. a sinking, amortization, improvement or other analogous fund;
- ii. limiting the aggregate principal amount of the Bonds of that series and of Additional Bonds thereafter to be issued;
- iii. exchanging Bonds of that series, at the option of the Holders thereof, for other Bonds of the same series of the same aggregate principal amount of a different authorized kind or authorized denomination or denominations; or
- iv. registration, transfer and delivery.

Section 6.02. Refunding Revenue Bonds. The City reserves the right and privilege of refunding any or all of the Bonds subject to the following terms and conditions:

(a) Any matured Bonds may be refunded if moneys available for the payment thereof at maturity, within the limitation prescribed in Section 6.01, should at any time be insufficient to make such payment in full.

(b) Any Bonds may be refunded prior to maturity as and when they become prepayable according to their terms.

(c) Provision may be made for the payment and refunding of any unmatured Bonds by the deposit with a duly qualified depository bank, as escrow agent, of cash sufficient, or of securities of the kinds authorized by law, the payments of interest on and principal of which are sufficient, to pay the principal amount of and premium, if any, on such Bonds with interest to maturity or to any prior date or dates on which they are prepayable, and have been called for redemption or provision has been irrevocably made for their redemption, on such date or dates.

(d) Any refunding revenue Bonds issued for the above purposes may be made payable from the Net Revenues on a parity as to interest with all then outstanding Bonds; provided that (1) if not all of the Bonds of a series are refunded, the maturity of each refunding

revenue Bond shall be subsequent to the last maturity of any then outstanding Bonds of such series which are not refunded or to be refunded out of moneys on deposit with such escrow agent, and (2) no Bondowner shall be required to accept a refunding revenue Bond in exchange for any Bond owned by him.

Section 6.03. Other Parity Bonds. The City reserves the right to issue Additional Bonds payable from the Debt Service Account of the Fund, on a parity as to both principal and interest with the Series 2003 Bonds, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such Additional Bonds have equaled at least 110% of the maximum amount of principal and interest payable from said Debt Service Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the Additional Bonds proposed to be issued. For the purpose of the foregoing computation, the Net Revenues for the fiscal year preceding the issuance of Additional Bonds shall be those shown by the financial reports caused to be prepared by the City pursuant to Section 2.3(f) of the 2004 Resolution, except that if the rates and charges for services provided by the System have been changed since the beginning of such preceding fiscal year, then the rates and charges in effect at the time of issuance of the Additional Bonds or finally authorized to go into effect within 60 days thereafter shall be applied to the quantities of service actually rendered and made available during such preceding fiscal year to ascertain the gross revenues, from which there shall be deducted to determine the Net Revenues, the actual operation and maintenance costs plus any additional annual costs of operation and maintenance which a Consultant estimates will be incurred because of the improvement or extension of the System to be constructed from the proceeds of the Additional Bonds proposed to be issued. In no event shall any Additional Bonds be issued and made payable from the Debt Service Account if the City is then in default in any payment of principal of or interest on any outstanding Bonds payable therefrom or if there then exists any deficiency in the balances required by this Resolution to be maintained in any of the accounts of the Fund, which will not be cured or restored upon the issuance of the Additional Bonds. In connection with the issuance of a series of Additional Bonds, the City shall cause amounts in the Reserve Account to be increased, from the proceeds of the Additional Bonds or from surplus Net Revenues, to an amount equal to the Reserve Requirement during the term of the outstanding Bonds or so much thereof as will not cause the City to violate the provisions of Section 11.02 hereof.

Section 6.04. Subordinate Bonds. Nothing in this Resolution shall preclude the City from issuing additional bonds or notes which are expressly made a charge on only the Surplus Net Revenues of the System subordinate to the pledge of Net Revenues to the Debt Service Account (such additional bonds, the "Subordinate Obligations") or designating Debt that is subordinate to the Bonds as Subordinate Obligations; provided, however, no obligations may be issued pursuant to this Section 6.04 if a deficiency exists in the Debt Service Account or the Reserve Account which is not to be restored by the issuance of the subordinate obligations. Any Surplus Net Revenues segregated to pay such subordinate lien obligations in the Fund are subject to the prior appropriation thereof to the Debt Service Account or the Reserve Account if necessary to meet the requirements thereof."

ARTICLE XII

CONTINUING DISCLOSURE

The City understands and acknowledges that the DNRC is acquiring the Series 2016 Bond under the Program pursuant to which the State issues from time to time State Bonds to provide funds therefor. The City covenants and agrees that, upon written request of the DNRC from time to time, the City will promptly provide to the DNRC all information that the DNRC reasonably determines to be necessary or appropriate to offer and sell State Bonds or to provide continuing disclosure in respect of State Bonds, whether under Rule 15c2-12 (17 C.F.R. § 240.15c2-12) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or otherwise. The City will also provide, with any information so furnished to the DNRC, a certificate of the City Manager, the City Fiscal Services Director and the City Clerk to the effect that, to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.

FOR VALUE RECEIVED, THE CITY OF GREAT FALLS, MONTANA (the “Borrower”), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and, for value received, hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”), or its registered assigns, solely from the Debt Service Account of its Storm Drainage System Fund, the principal amount of FIVE MILLION DOLLARS (\$5,000,000.00), with interest thereon from the date hereof at the rate of two percent (2.00%) per annum on the unpaid balance until paid.
