(d) No Defaults. No event has occurred and no condition exists that, upon execution and delivery of the Series 2004 Bond and the Collateral Documents, would constitute a default under the Resolution or the Collateral Documents. It will cause such books to be maintained on the basis of the same fiscal year as that utilized by the City. The City shall, within 180 days after the close of each Fiscal Year, cause to be prepared and supply to the DNRC a financial report with respect to the System for such Fiscal Year. The report shall be prepared at the direction of the financial officer of the City in accordance with applicable generally accepted governmental accounting principles and, in addition to whatever matters may be thought proper by the financial officer to be included therein, shall include the following:

The City will also provide, with any information so furnished to the Department, a certificate of the City Manager and the City Controller to the effect that, to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The City covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2004 Bond or any other funds of the City in respect of the 2004 Project or the Series 2004 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation. In addition, the City agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the Loan or the portion of the Loan derived

directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(b) The City shall not use or permit the use of the 2004 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(c) Any portion of the 2004 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the Loan, be owned by the City and not by any other Person. Any portion of the 2004 Project being financed shall be acquired by and shall, during the term of the Loan, be owned by the City and not by any other Person. Notwithstanding the previous two sentences, the City may transfer the 2004 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Sections 2.2(h) and 2.2(i) of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on the Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the City may sell or otherwise dispose of any portion of the 2004 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the City or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(d) At the Closing of the Loan the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the City instructions concerning compliance by the City with the arbitrage rebate requirements of Section 148 of the Code (the “Arbitrage Rebate Instructions”). The City shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludibility of interest on the State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(e) The City agrees that during the Loan Term it will not contract with or permit any Private Person to manage the 2004 Project or any portion thereof except according to a written management contract which complies with the following provisions:

(1) If any contract between the City and the Private Person with respect to the 2004 Project provides for compensation based on a percentage of fees charged for services rendered by the Private Person, the contract may not exceed a term of five years (including any renewal options). At least 50% of the compensation to the Private Person must be based upon a periodic fixed fee. In addition, the City must be able to cancel the contract without penalty or cause at the end of any three-year period of the contract term. The compensation must be reasonable, and it may not be based on a percentage of the net profits of the 2004 Project or the System or any portion thereof or any other division or activity of the City.

(2) If any contract between the City and the Private Person with respect to the 2004 Project provides for compensation based on a periodic flat fee, the compensation must be reasonable and the contract may not exceed a term of five years (including any renewal options). In addition, the City must be able to cancel the contract without penalty or cause at the end of any three-year period of the contract term. If the contract provides for automatic increases in the periodic flat fee, the increases may not exceed the percentage increases determined by particular external standards for computing such increases that are mutually agreed upon in the contract. The percentage increases reflected in the Consumer Price Index compiled by the Bureau of Labor Statistics, U.S. Department of Labor, or the actual percentage increases for services that result from the application of external criteria (for example, increases in rates paid by insurance companies) are illustrations of two external standards that may be used.

(3) If a Private Person and the City enter into a contract described in subparagraph (1) or (2) above and the governing body of the City contains five or more members, no more than one member of the governing body of the City may be the Private Person or a related person (as described in Section 144(a)(3) of the Code) (a "Related Person"), an employee of the Private Person or a Related Person, or a member of the governing body of the Private Person or a Related Person. However, such Private Person or a Related Person, employee of the Private Person or a Related Person or a member of the governing body of the Private Person or a Related Person may not serve as the chief executive of the City. If a Private Person and the City enter into a contract described in (1) or (2) above and the governing body contains less than five members, no member of the governing body may be the Private Person or a Related Person, an employee of the Private Person or a Related Person or a member of the governing body of the Private Person or a Related Person.

(4) The City may depart from any of its agreements contained in subparagraphs (1) through (3) if it delivers to the DNRC, at the City's expense, an Opinion of Bond Counsel that to do so would not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

(f) The City may not lease the 2004 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the City and the State not to cause any default to occur under the Resolution; provided the City may lease all or any portion of the 2004 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(g) The City shall not change the use or nature of the 2004 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The City shall maintain the System, including the 2004 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The City shall not grant or permit to exist any lien on the 2004 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2004 Bond; provided that this Section 2.6 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the City uses its best efforts to

obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The City shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the City) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the City under the Resolution, the Series 2004 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the City under the Resolution, the Series 2004 Bond and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2004 Bond or the State Bonds from gross income for federal income tax purposes and (c) the City delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the City shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the City delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

ARTICLE III

USE OF PROCEEDS; THE 2004 PROJECT

Section 3.1 Use of Proceeds. The City shall apply the proceeds of the Loan from the DNRC solely as follows:

(a) The City shall apply the proceeds of the Loan solely to the financing, refinancing or reimbursement of the costs of the 2004 Project as set forth in Appendix A hereto and this Section 3.1. The Loan will be disbursed in accordance with Article IV hereof and Article VII of the Indenture. If the 2004 Project has not been completed prior to Closing, the City shall, as quickly as reasonably possible, complete the 2004 Project and expend proceeds of the Series 2004 Bond to pay the costs of completing the 2004 Project.

(b) No portion of the proceeds of the Loan shall be used to reimburse the City for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the Loan are to be used to reimburse the City for 2004 Project costs paid prior to the date of adoption of this Supplemental Resolution, the City shall have complied with Section 1.150-2 of the Regulations.

(c) Any Debt to be refinanced with proceeds of the Loan was incurred after March 7, 1985 for a Project the construction or acquisition of which began after March 7, 1985. No proceeds of the Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2004 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2004 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the Loan (the 2004 Project may consist of more than one facility or activity). The 2004 Project may be changed and the description thereof in Appendix A may be amended from time to time by the City but only after delivery to the DNRC of the following:

(a) A certificate of the City setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2004 Project, an increase or decrease in the amount of Loan proceeds which will be required to complete the 2004 Project and whether the change will materially accelerate or delay the construction schedule for the 2004 Project;

(b) A written consent to such change in the 2004 Project by an Authorized DNRC Officer;

(c) An Opinion or Opinions of Bond Counsel stating that the 2004 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2004 Bond was issued, eligible for financing under the Act, such amendment will not violate the State Act or the Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2004 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The City acknowledges and agrees that an increase in the principal amount of the Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the City of a resolution amendatory of or supplementary to the Resolution authorizing the additional loan and delivery of written certifications by officers of the City to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in the resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such Debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The City acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the City and have made no representations to the City as to the sufficiency of the Loan to pay Project Costs or as to the availability of additional funds under the Program to increase the principal amount of the Loan.

Section 3.3 2004 Project Representations and Covenants. The City hereby represents to and covenants with the DNRC that:

(a) all construction of the 2004 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2004 Project will be done only pursuant to fixed price construction contracts. The City shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the City's, the DNRC's and the DEQ's satisfaction;

(c) all future construction will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ; and

(d) the 2004 Project is a project of the type permitted to be financed under the Act, the State Act and the Program and Title VI of the Clean Water Act.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2004 Project.

(a) Upon completion of the 2004 Project, the City shall deliver to the DNRC a certificate stating that the 2004 Project is complete, stating the amount, if any, of the Reserved Amounts, and releasing the remaining amount, if any, of the Committed Amount. If any Reserved Amount is not later needed, the City shall so inform the DNRC and release such amount. If Appendix A describes two or more separate projects as making up the 2004 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2004 Project is cancelled or cut back or its costs are reduced or for any other reason the City will not require the full Committed Amount, the City shall promptly notify the DNRC in writing of such fact and release the portion of the Committed Amount which will not be needed.

ARTICLE IV

THE LOAN

Section 4.1 The Loan; Disbursement of Loan. The DNRC has agreed to lend to the City, from time to time as the requirements of this Section 4.1 are met, an amount up to \$4,400,000 (the "Committed Amount") for the purposes of financing, refinancing or reimbursing the City for the costs of the 2004 Project; provided the DNRC shall not be required to loan any proceeds of the State Bonds to the City after 360 days following the Estimated Completion Date. The Committed Amount may be reduced as provided in Sections 3.2(a) and 3.4 of this Supplemental Resolution. The Loan shall be disbursed as provided in this Section 4.1. The DNRC intends to disburse the Loan through the Trustee.

(a) In consideration of the issuance of the Series 2004 Bond by the City, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2004 Bond and the security therefor and stating in effect that interest on the Series 2004 Bond is not includable in gross income for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2004 Bond, fully executed;

(3) a certified copy of the Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the Loan;

(5) if all or part of a Loan is being made to refinance a Project or reimburse the City for the costs of a Project paid prior to the Closing, evidence, satisfactory to the

DNRC and the Bond Counsel referred to in (1) above, (A) that the acquisition or construction of the Project was begun no earlier than March 7, 1985 or the debt was incurred no earlier than March 7, 1985, (B) of the City's title to the Project, (C) of the costs of such Project and that such costs have been paid by the City and (D) if such costs were paid before adoption of this Supplemental Resolution that the City has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the Loan to be disbursed at Closing;

(7) payment or provision for payment of the Administrative Fee and the Origination Fee; and

(8) such other certificates, documents and other information as the DNRC, the DEQ or the Bond Counsel giving the opinion referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(b) In order to obtain a disbursement of a portion of the Loan to pay costs of the 2004 Project, the City shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The City may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the City only upon proof that cost was incurred.

(c) On the date of Closing, the Trustee is authorized to make an initial disbursement of the Loan in an amount sufficient to pay the Administration Fee and the Origination Fee. The DNRC will retain, and not physically advance to the City, an amount equal to the sum of Administration Fee and the Origination Fee, and the City acknowledges and agrees that such retainage constitutes a disbursement of proceeds of the Loan in an amount equal to the amount retained by the DNRC.

(d) For refinancings, a disbursement schedule complying with the requirements of the Clean Water Act shall be established by the DNRC and the City at Closing. The Trustee shall disburse Loan amounts directly to the holder of the debt being refinanced according to such schedule. If the City should repay all or a portion of the debt to be refinanced from other sources or should otherwise not need any portion of the Loan which was to have been used to refinance such debt, it shall inform the DNRC and the Trustee of such fact pursuant to Section 3.4(b) and a new disbursement schedule shall be drawn up by the DNRC. The DNRC shall obtain a receipt from the holder of the debt being refinanced for each disbursement made to pay or prepay a portion of such debt.

(e) If all or a portion of a Loan is made to reimburse a City for Project costs paid by it prior to Closing, the City shall present at Closing the items required by Section 4.1(b) relating to such costs. The Trustee shall disburse such amounts to the City pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the City at the Closing.

(f) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the Loan any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving Fund. The DNRC shall not be required to do "overmatching" pursuant to Section 5.04(b) of the Indenture, but may

do so in its discretion. The City acknowledges that if Project costs are incurred faster than the City projected at Closing, there may be delays in making Loan disbursements for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its best efforts to obtain an acceleration of such schedule if necessary.

(g) Upon making each Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2004 Bond.

(h) The City agrees that it will deposit in the Reserve Account upon receipt any proceeds of the Loan borrowed for the purpose of causing the balance in the Reserve Account to equal the Reserve Requirement, either on the Closing Date of the Loan or upon any disbursement date. The City further acknowledges and agrees that any portions of the Loan representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2004 Bond and interest thereon shall accrue only from the date of transfer.

Section 4.2 Commencement of Loan Term. The City's obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under Article V hereof shall commence only upon the first disbursement by the Trustee of Loan proceeds.

Section 4.3 Termination of Loan Term. The City's obligations under the Resolution and the Collateral Documents shall terminate upon payment in full of all amounts due under the Series 2004 Bond and the Resolution in respect thereof; provided, however, that the covenants and obligations provided in Article VI and Section 10.4 shall survive the termination of the Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the City will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

ARTICLE V

REPAYMENT OF LOAN

Section 5.1 Repayment of Loan. The City shall repay the amounts lent to it pursuant to Section 4.1 hereof, plus interest on the unpaid amounts lent at the rate of two percent (2.00%) per annum, in semiannual Loan Repayments. In addition, the City shall pay an Administrative Expense Surcharge on the outstanding principal amount of the Loan at the rate of seventy-five hundredths of one percent (0.75%) per annum and a Loan Loss Reserve Surcharge equal to one percent (1.00%) per annum on the outstanding principal amount of the Loan. For purposes of the Resolution, the term "interest" on the Loan shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The City shall pay all Loan Repayments and Administrative Expense Surcharges and Loan Loss Reserve Surcharge in lawful money of the United States of America to the DNRC. Interest and Administrative Expense Surcharges and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

The Loan Repayments required by this Section 5.1, and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge, shall be due on each January 1 and July 1 (the "Payment Dates"), as follows:

(1) interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the Loan shall be payable on each January 1 and July 1, beginning on July 1, 2004, which is the first Payment Date after the closing of the Loan; and

(2) the principal of the Loan shall be repayable on each Payment Date, beginning on July 1, 2004 and concluding on January 1, 2024, and the amount of each principal payment shall be calculated on the basis of level debt service at an interest rate of 3.75% per annum; provided that principal of the Loan is payable only in amounts that are multiples of \$1,000.

The payments of principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the Loan shall be due on the dates and in the amounts shown in Schedule B to the Series 2004 Bond, as such Schedule B shall be modified from time to time as provided below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2004 Bond. Upon each disbursement of Loan amounts to the City pursuant to Section 5.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2004 Bond under "Advances" and the total amount advanced under Section 4.1, including such disbursement, under "Total Amount Advanced."

If the advance was made to pay costs of the 2004 Project pursuant to Section 4.1(b), interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on such advance shall accrue from the date the advance is made and shall be payable on each Payment Date thereafter. Once the completion certificate for a 2004 Project has been delivered to the DNRC, the Trustee shall revise Schedule B to the Series 2004 Bond in accordance with this Section 5.1 and the Trustee shall send a copy of such Schedule B to the City within one month after delivery of the completion certificate.

Past-due payments of principal and interest and Administrative Expense Surcharges and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest or Administrative Expense Surcharge and Loan Loss Reserve Surcharge under this Section 5.1 shall also be credited against the same payment obligation under the Series 2004 Bond.

Section 5.2 Additional Payments. The City shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the Loan, if the City so chooses, all reasonable expenses of the DNRC and the Trustee in connection with the Loan, the Collateral Documents and the Series 2004 Bond, including, but not limited to:

(1) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2004 Bond;

(2) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the Loan, the Resolution, the Collateral Documents and the Series 2004 Bond and the enforcement thereof; and

(3) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2004 Bond, whether or not the Series 2004 Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest

in and to the Series 2004 Bond, the Collateral Documents and the Resolution under the Board Resolution (and with the exceptions noted therein) and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The City may not prepay all or any part of the outstanding principal amount of the Series 2004 Bond unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2004 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4 Obligations of City Unconditional. The obligations of the City to make the payments required by the Resolution and the Series 2004 Bond and to perform its other agreements contained in the Resolution, the Series 2004 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The City (a) shall not suspend or discontinue any payments provided for in the Resolution and the Series 2004 Bond, (b) shall perform all its other agreements in the Resolution, the Series 2004 Bond and the Collateral Documents and (c) shall not terminate the Resolution, the Series 2004 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2004 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with the Resolution.

Section 5.5 Limited Liability. All payments of principal of and interest on the Loan and other payment obligations of the City hereunder and under the Series 2004 Bond shall be special, limited obligations of the City payable solely out of the Net Revenues and shall not, except at the option of the City and as permitted by law, be payable out of any other revenues of the City. The obligations of the City under the Resolution and the Series 2004 Bond shall never constitute an indebtedness of the City within the meaning of any state constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the City or a charge against its general credit or taxing power. The taxing powers of the City may not be used to pay principal of or interest on the Series 2004 Bond, and no funds or property of the City other than the Net Revenues may be required to be used to pay principal of or interest on the Series 2004 Bond.

ARTICLE VI

INDEMNIFICATION OF DNRC, DEQ AND TRUSTEE The City shall indemnify and save harmless the DNRC, the DEQ, the Trustee and their officers, employees and agents (each an "Indemnified Party" or, collectively, the "Indemnified Parties") against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of, resulting from or in any way connected with the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2004 Project. The City shall also indemnify and save harmless the Indemnified Parties against and from all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. If any proceeding is brought against an Indemnified Party by reason of any such claim or demand, the City shall, upon notice from the Indemnified Party, defend such proceeding on behalf of the Indemnified Party. Notwithstanding the foregoing, the City shall not be obligated to indemnify an Indemnified Party or any of its officers, employees or agents or hold any of them harmless against or from or in respect of any claim, damage, demand, expense, liability or loss arising from the intentional or willful misconduct or gross negligence of the Indemnified Parties.

ARTICLE VII

ASSIGNMENT

Section 7.1 Assignment by City. The City may not assign its rights and obligations under the Resolution or the Series 2004 Bond.

Section 7.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in the Resolution, the Series 002B Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds.

Section 7.3 State Refunding Bonds. In the event the State Bonds and Additional State Bonds are refunded by bonds which are not Additional State Bonds, all references in the Resolution to State Bonds and Additional State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the "Refunding Bonds") or, in the case of a crossover refunding, to the State Bonds and Additional State Bonds and the Refunding Bonds. In the event the State Bonds are refunded by an issue of Additional State Bonds, all references in the Resolution to the State Bonds shall be deemed to refer to such Additional State Bonds or, in the case of a crossover refunding, both the State Bonds and such Additional State Bonds.

ARTICLE VIII

THE SERIES 2004 BOND

Section 8.1 Net Revenues Available. The City is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Outstanding Bonds and the Series 2004 Bond the net revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The net revenues to be produced by such rates, charges and rentals during the term of the Series 2004 Bond will be more than sufficient to pay the principal and interest when due on the Series 2004 Bond, and to create and maintain reasonable reserves therefor and to provide an adequate allowance for replacement and depreciation, as herein prescribed.

Section 8.2 Issuance and Sale of the Series 2004 Bond. The Commission has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the City to issue the Series 2004 Bond to evidence the Loan. The Series 2004 Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433(2)(a).

Section 8.3 Terms. The Series 2004 Bond shall be in the maximum principal amount equal to the original Committed Amount of the Loan, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the Loan. The principal of and interest on the Series 2004 Bond shall be payable on the same dates and in the same amounts as principal and interest of the Loan Repayments are payable. Advances of principal of the Series 2004 Bond shall be deemed made when advances of the Loan are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2004 Bond, as it may be revised by the DNRC from time to time in accordance with Section 5.1.

The City may prepay the Series 2004 Bond, in whole or in part, only upon the terms and conditions under which it can prepay the Loan under Section 5.3.

Section 8.4 Negotiability, Transfer and Registration. The Series 2004 Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC. While so registered, principal of and interest on the Series 2004 Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1625 Eleventh Avenue, Helena, Montana 59620-2301 or such other place as may be designated by the DNRC in writing and delivered to the City. The Series 2004 Bond shall be negotiable, subject to the provisions for registration and transfer contained in this Section. No transfer of the Series 2004 Bond shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2004 Bond, and (2) the City Controller (or successors, the "Registrar"), as Bond Registrar, has duly noted the transfer on the Series 2004 Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The City shall be entitled to deem and treat the Person in whose name the Series 2004 Bond is registered as the absolute owner of the Series 2004 Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the City's liability upon such Bond to the extent of the sum or sums so paid.

Section 8.5 Execution and Delivery. The Series 2004 Bond shall be executed on behalf of the City by the manual signatures of the Mayor, City Manager and the City Controller. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2004 Bond. In the event that any of the officers who shall have signed the Series 2004 Bond shall cease to be officers of the City before the Series 2004 Bond is issued or delivered, their signatures shall remain binding upon the City. Conversely, the Series 2004 Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Supplemental Resolution. The Series 2004 Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6 Form. The Series 2004 Bond shall be prepared in substantially the form attached as Appendix B.

ARTICLE IX

SECURITY FOR THE SERIES 2004 BOND

The Series 2004 Bond is issued as a Bond under the Resolution and shall, with the Series 2003 Bonds and any other Additional Bonds issued under the provisions of Article VI of the Resolution, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Debt Service Account of the Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in Section 7.05 of the Resolution. Upon advancement of principal of the Series 2004 Bond, the City Controller shall transfer from available funds of the System or proceeds of the Series 2004 Bond such amount or amounts to the Reserve Account to cause the balance therein to equal the Reserve Requirement, treating such principal amount as Outstanding. The City shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered owners from time to time of the Series 2004 Bond.

ARTICLE X

TAX MATTERS

Section 10.1 Use of 2004 Project. The 2004 Project will be owned and operated by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2004 Project or the System or security for the payment of the Series 2004 Bond which might cause the Series 2004 Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The City covenants and agrees with the owners from time to time of the Series 2004 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2004 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2004 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The Mayor, the City Manager and the City Controller, being the officers of the City charged with the responsibility for issuing the Series 2004 Bond pursuant to the Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2004 Bond, it is reasonably expected that the proceeds of the Series 2004 Bond will be used in a manner that would not cause the Series 2004 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate. The City acknowledges that the Series 2004 Bond is subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2004 Bond from gross income for federal income tax purposes, unless the Series 2004 Bond qualifies for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2004 Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the

foregoing, the City Manager and the City Controller are hereby authorized and directed to execute a Rebate Certificate, substantially in the form prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

Section 10.5 Information Reporting. The City shall file with the Secretary of the Treasury, not later than May 15, 2004, a statement concerning the Series 2004 Bond containing the information required by Section 149(e) of the Code.

STORM DRAINAGE SYSTEM REVENUE BOND
(DNRC REVOLVING LOAN PROGRAM)
SERIES 2004

R- 1

\$4,400,000

FOR VALUE RECEIVED, the City of Great Falls, Montana (the "City"), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the "DNRC"), or its registered assigns, solely from the Debt Service Account of its Storm Drainage System Fund, the principal sum equal to the sum of the amounts entered on Schedule A attached hereto under "Total Amount Advanced," with interest on each such amount from the date such amount is advanced hereunder at the rate of two percent (2.00%) per annum on the unpaid balance until paid. In addition, the City shall pay, solely from said source, an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge on the outstanding principal amount of this Bond at the rates of seventy-five hundredths of one percent (0.75%) and one percent (1.00%), respectively, per annum. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be payable in semiannual installments payable on each January 1 and July 1 (each a "Loan Repayment Date") commencing July 1, 2004. Principal shall be payable on the dates set forth in Schedule B hereto. Each installment shall be in the amount set forth opposite its due date in Schedule B attached hereto under "Total Loan Payment." The portion of each such payment consisting of principal, the portion consisting of interest and the portion consisting of Administrative Expense Surcharge shall be as set forth in Schedule B hereto. Upon each disbursement of Loan amounts to the City pursuant to the Resolution described below, the DNRC shall enter (or cause to be entered) the amount advanced on Schedule A under "Advances" and the total amount advanced under the Resolution (as hereinafter defined), including such disbursement, under "Total Amount Advanced." The DNRC shall prepare Schedule B and any revised Schedule B, or cause Schedule B and any revised Schedule B to be prepared, as provided in Section 5.1 of the Resolution. Schedule B shall be calculated and recalculated on a level debt service basis assuming an interest rate of 3.75% per annum. Past-due payments of principal and interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a 360-day year comprising 12 months of 30 days each. All payments under this Bond shall be made to the registered holder of this Bond, at its address as it appears on the bond register, in lawful money of the United States of America.

This Bond is one of an issue of Storm Drainage System Revenue Bonds of the City authorized to be issued in one or more series from time to time, and constitutes a series in the maximum authorized principal amount of \$4,400,000 (the "Series 2004 Bond"). The Series 2004 Bond is issued to finance a portion of the costs of the construction of certain improvements to the Storm Drainage System of the City

(the "System"), to make a deposit to a reserve account for the Bonds and to pay costs of issuance of the Series 2004 Bond. The Series 2004 Bond is issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 7, Part 44 and 45, as amended, and ordinances and resolutions duly adopted by the governing body of the City, including Resolution No. 9334 of the City adopted on July 15, 2003, as amended and supplemented by Resolution No. 9360, adopted by the Commission on January 20, 2004 (as so supplemented and amended and as hereafter amended or supplemented from time to time in accordance with its terms, the "Resolution"). The Series 2004 Bond is issuable only as a single, fully registered bond. The Series 2004 Bond is issued on a parity and is equally and ratably secured by the Net Revenues of the System with the City's outstanding Storm Drainage System Revenue Refunding Bonds, Series 2003 (the "Series 2003 Bonds").

Reference is made to the Resolution for a more complete statement of the terms and conditions upon which the Series 2004 Bond has been issued, the net revenues of the System pledged and appropriated for the payment and security thereof, the conditions upon which additional bonds may be issued under the Resolution and made payable from such net revenues on a parity with the Series 2003 Bonds and the Series 2004 Bond (collectively, the "Bonds") or otherwise, the conditions upon which the Resolution may be amended, the rights, duties and obligations of the City, and the rights of the owners of the Series 2004 Bond.

The City may prepay the principal of its Series 2004 Bond only if (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If this Series 2004 Bond is prepaid in part, such prepayments shall be applied to principal payments in inverse order of maturity.

The Bonds, including interest and any premium for the redemption thereof, are payable solely from the net revenues pledged for the payment thereof and do not constitute a debt of the City within the meaning of any constitutional or statutory limitation or provision.

The City may deem and treat the person in whose name this Series 2004 Bond is registered as the absolute owner hereof, whether this Series 2004 Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and the City shall not be affected by any notice to the contrary. The Series 2004 Bond may be transferred hereinafter as provided.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that the City will forthwith construct and complete the improvements to the System referred to above, that the City will prescribe and collect reasonable rates and charges for all services and facilities afforded by the System, and has created a special Storm Drainage System Fund into which the Revenues (as defined in the Resolution) of the System will be paid, and a separate and special Debt Service Account in that Fund, into which will be paid monthly, from and as a first and prior lien on the Net Revenues of the System then on hand (the gross revenues remaining after the payment of operating expenses of the System) an amount not less than one-sixth of the interest due on all Outstanding Bonds within the next six months and one-twelfth of the principal of all Outstanding Bonds due within the next twelve months; that the City has agreed to credit to the Reserve Account of the Storm Drainage System Fund from the proceeds of the Series 2004 Bond as advanced from time to time a sum sufficient to establish and thereafter to credit monthly to the Reserve Account, from the Net Revenues (Revenues less Operating Expenses, as defined in the Resolution) such additional amounts as may be necessary to maintain a balance therein at least equal to the Reserve Requirement (as defined in the Resolution); that the Debt Service Account and the

Reserve Account will be used only to pay the principal of, premium, if any, and interest on the Bonds; that the rates and charges for the System will from time to time be made and kept sufficient to provide Net Revenues for each fiscal year commencing after June 30, 2004, at least equal to 125% of the maximum of the principal of and interest on the Series 2003 Bonds, the Series 2004 Bond and any Additional Bonds to become due in all full future fiscal years, to establish and maintain the Reserve Requirement, to pay promptly the reasonable and current expenses of operating and maintaining the System, to pay principal of and interest on any subordinate obligations issued under the Resolution and to provide reserves for the repair and replacement of the System; that Additional Bonds may be issued and made payable from the Storm Drainage System Fund on a parity with the Series 2003 Bonds and the Series 2004 Bond upon certain conditions set forth in the Resolution, but no obligation will be otherwise incurred and made payable from the Net Revenues, whether or not such obligation shall also constitute a general obligation and indebtedness of the City, unless the lien thereof shall be expressly made subordinate to the lien of the Series 2003 Bonds and the Series 2004 Bond on such Net Revenues; that all provisions for the security of the holder of this Bond set forth in the Resolution will be punctually and faithfully performed as therein stipulated; that all acts, conditions and things required by the Constitution and laws of the State of Montana and the ordinances and resolutions of the City to be done, to exist, to happen and to be performed in order to make this Bond a valid and binding special, limited obligation of the City according to its terms have been done, do exist, have happened and have been performed as so required; and that this Bond and the interest and premium, if any, hereon are payable solely from the Net Revenues of the System pledged and appropriated to the Debt Service Account and do not constitute a debt of the City within the meaning of any constitutional or statutory limitation or provision and the issuance of the Series 2003 Bonds does not cause either the general or the special indebtedness of the City to exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City of Great Falls, acting by and through its City Commission, has caused this Series 2004 Bond to be executed in its behalf by the signatures of the Mayor, the City Manager and the City Controller, and has caused this Series 2004 Bond to be dated as of the __ day of _____, 2004.
