## RESOLUTION NO. 10500

A RESOLUTION OF THE CITY COMMISSION SUBMITTING TO THE QUALIFIED ELECTORS OF THE CITY OF GREAT FALLS, MONTANA, THE QUESTION OF PERMANENTLY INCREASING MILL LEVIES OF THE CITY TO PAY COSTS OF PUBLIC SAFETY SERVICES, INCLUDING OPERATION, MAINTENANCE AND CERTAIN CAPITAL COSTS OF THE POLICE DEPARTMENT, FIRE DEPARTMENT, CITY ATTORNEY AND MUNICIPAL COURT SERVICES AND RELATED PUBLIC SAFETY EXPENSES

BE IT RESOLVED by the City Commission (the “Commission”) of the City of Great Falls, Montana (the “City”) as follows:

### Section 1. Recitals.

1.01. Authorization. Pursuant to Sections 7-6-4431 and 15-10-425, Montana Code Annotated (“MCA”), the Commission is authorized to increase its mill levies for a specific purpose by conducting a mill levy election as prescribed by law.

1.02. Proposed Services; Mill Levy. The Commission has determined that the City’s current mill levy authority is inadequate to fund current and future public safety services necessary for a growing community. The Commission has therefore determined that it is in the best interests of the City to seek authority for a permanent mill levy increase to pay costs of public safety services, including operation, maintenance and certain capital costs of the police department, fire department, city attorney and municipal court services and related public safety expenses by presenting to the voters a mill levy question. If the mill levy question passes, the City intends to levy the additional mills approved by the voters and will create a separate fund or account for such mill levy, deposit therein the mill levy receipts attributable to the mill levy, and apply the receipts to pay the costs described in the mill levy question.

Section 2. Calling of the Election. The Commission hereby calls and directs that a special City election be held on November 7, 2023, to be conducted in accordance with the provisions of Title 13, Chapter 19, Parts 1-3, MCA, for the purpose of voting on the following question:

Shall the City Commission of the City of Great Falls, Montana (the “City”) be authorized to levy mills for the purpose of paying costs of public safety services, including operations, maintenance and certain capital costs of the police department, fire department, city attorney and municipal court services and related public safety expenses?

If this mill levy proposition is passed, the City will be authorized to levy permanently up to 103.75 mills per year, to raise approximately \$10,717,305. Based on the current taxable value of the City, the property taxes on a home with an assessed market value for tax purposes of \$100,000 would increase by \$140.06 per year and property taxes on a home with an assessed market value for tax purposes of \$200,000 would increase by \$280.11 per year.

Section 3. Conduct of Election. All qualified electors of the City shall be entitled to vote at the mill levy election. The City Clerk is hereby authorized and directed to give notice of the call and details of this election to the Cascade County Election Administrator promptly, and in any event on or the before the date required by the Cascade County Election Administrator, to inform the Cascade County Election Administrator of the details of the special election and the pertinent requests and authorizations as to the conduct of the special election. The Cascade County Election Administrator is requested to give notice of the close of registration and thereafter prepare printed lists of the qualified electors in the City entitled to vote in the election in the City and to conduct the election in the form and manner prescribed by law and consistent with the mail ballot plan.

Section 4. Notice of Election. The City Clerk is hereby authorized and requested to cause notice of the call and holding of the election to be given by publishing notice at least three times, no earlier than 40 days and no later than 10 days before the election, in the *Great Falls Tribune*, a newspaper of general circulation in Cascade County. The notice of election as published shall read substantially as shown on Exhibit A hereto (which is incorporated by reference and made a part hereof).

Section 5. Form of Ballot. The ballot shall be printed in substantially the following form:
