

RESOLUTION NO. 10574

**A RESOLUTION ESTABLISHING RESIDENTIAL AND COMMERCIAL
WATER, SEWER, AND STORM DRAIN UTILITY SERVICE RATES
EFFECTIVE JULY 1, 2025**

WHEREAS, an annual review is performed of the water and wastewater cost of service for the municipal water and wastewater utilities, and rate and fee schedules prepared to generate sufficient revenue to pay all costs for the operation and maintenance, administration, and routine functions of the existing and such future facilities as may be established within the service area;

WHEREAS, the cost of service review indicates a need for extension, repair, improvement, and continued operation and maintenance of existing and proposed water and wastewater system facilities for the providing of water and wastewater services to the inhabitants of the City of Great Falls; and

WHEREAS, pursuant to Title 13 of the Official Code of the City of Great Falls, the City of Great Falls is authorized to regulate the City's municipal water and wastewater utility and to establish all rates, fees and charges for use of the utility systems or for permits, licenses, connections or inspections; and

WHEREAS, it is essential to the public health, welfare and safety of the inhabitants of the City of Great Falls to provide an adequate public water and wastewater system and to provide adequate funding to meet the cost of constructing, maintaining, and operating the same; and

WHEREAS, notice having been provided as required by law, the City Commission of the City of Great Falls conducted a public hearing on Tuesday, June 3, 2025, at the Civic Center, 2 Park Drive South, Commission Chambers Room 206, Great Falls, Montana, at 7:00 p.m., and did consider the cost of operation, equipment, facilities, debt service, and capital improvements for the Water, Sewer, and Storm Drain Utility systems.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF GREAT FALLS, MONTANA, that:

Water, Sewer, and Storm Drain Utility Service Rates are hereby established as set forth in Appendix A, attached hereto and made a part hereof.

PASSED AND ADOPTED by the City Commission of the City of Great Falls, Montana, this 3rd day of June, 2025.

Cory Reeves, Mayor

ATTEST:

Lisa Kunz, City Clerk

2025

Connection Fees are for connection of service line to WATER AND SEWER mains, and do not include installation or general plumbing permits.

There is no fee to connect to the STORM SEWER SYSTEM.

Call City of Great Falls Community Development for more information @ 406-453-8430

Inspections and the associated fees are for the inspection and approval of all water and sewer service work and connections under OCCGF, Title 13.

Call City of Great Falls Engineering for more information @ 406-771-1258

Where one meter serves one multi-purpose development, either mobile home, multiple family housing units, local business, commercial, industrial, residential use zones or variance, the connection charge will be based upon the size of the water tap. If there is no water tap, the charge will be based upon the the sewage being discharged on the same ratio as for other sewer connections.

TAPPING FEES (Water)

Fee for any new or replacement tap being made on a water main.

Water Service Line Size (inches)
