RESOLUTION NO. 10000

RESOLUTION RELATING TO AMENDED AND RESTATED WATER SYSTEM REVENUE BONDS (DNRC DRINKING WATER STATE REVOLVING LOAN PROGRAM)

BE IT RESOLVED by the City Commission of the City of Great Falls, Montana (the “City”), as follows:

Section 1. Recitals.

1.01. Issuance of Bonds. Pursuant to Resolution No. 9226 adopted by the City Commission on May 7, 2002 (the “2002 Resolution”), as amended and supplemented by Resolution No. 9755 adopted on June 17, 2008 (the “2008 Resolution”) and Resolution No. 9842 adopted on July 7, 2009 (collectively, the “Prior Resolutions”), the City authorized the issuance of its First Amended and Restated Water System Revenue Bond (DNRC Drinking Water State Revolving Loan Program), Series 2000, in the maximum principal amount of \$3,000,000 (the “First Amended and Restated Series 2000 Bond”) and its Water System Revenue Bond (DNRC Drinking Water State Revolving Loan Program), Series 2008, in the maximum principal amount of \$4,010,000 (the “Series 2008 Bond”), in order to finance improvements (collectively, the “Improvements”) to its municipal water distribution system (the “System”), as more particularly described in the Prior Resolutions. The First Amended and Restated Series 2000 Bond and the Series 2008 Bond (collectively, the “Prior Bonds”) were originally issued as of May 15, 2002 and July 17, 2008, respectively, and were purchased and are currently held by the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”). There are no other bonds or indebtedness of the City that are outstanding and payable from revenues of the System, except the City’s Water System Revenue Refunding Bonds, Series 2002A, issued in the maximum principal amount of \$8,030,000 (the “Series 2002A Bond”) and Water System Revenue Bond, Series 2009B (DNRC Drinking Water State Revolving Loan Program), issued in the maximum principal amount of \$333,700 (the “Series 2009B Bond”). Terms with initial capital letters used but not defined herein have the meanings given them in the Prior Resolutions.

1.02. Interest Rate Reduction. Pursuant to the Intended Use Plan for fiscal year 2013 (the “IUP”) for the Drinking Water State Revolving Loan Program (the “Program”), the DNRC and the Department of Environmental Quality of the State of Montana have determined that it is in the best interests of borrowers of loans made under the Program and the Program to reduce the interest rates available under the Program.

1.03. Reduction in Interest Rate on Prior Bonds. It is proposed that debt service on the Prior Bonds be reduced in accordance with the interest rate reduction proposal under the IUP, thereby reducing the interest rate on (i) the First Amended and Restated Series 2000 Bond from four percent (4.00%) per annum to two (2.00%) per annum from and after the date of delivery of the Second Amended and Restated Series 2000 Bond; and (ii) the Series 2008 Bond from three and three-quarters percent (3.75%) per annum to three percent (3.00%) per annum from and after the date of delivery of the First Amended and Restated Series 2008 Bond.

1.04. Redemption of Series 2002A Bonds. In connection with the reduction in interest rates on the First Amended and Restated Series 2000 Bond and the Series 2008 Bond, it is proposed that the Series 2002A Bonds with maturities on and after August 1, 2013 (the “Series 2002A Refunded Bonds”) be redeemed on December 31, 2012. Thereafter, the Series 2002A Bonds would no longer be outstanding.

2.01. Authorization for Amendment. the Series 2008 Resolution is hereby amended and restated in its entirety substantially as set forth on the attached Appendix B (the “First Amended and Restated Series 2008 Bond”).

2.05. Effect of Amendments. Except as amended by Sections 2.03 and 2.04 of this Resolution, the Prior Resolutions shall remain in full force and effect as amended by Sections 2.03 and 2.04 of this Resolution for the benefit of the holders from time to time of the Second Amended and Restated Series 2000 Bond, the Series 2002A Bonds, the First Amended and Restated Series 2008 Bond, the Series 2009B Bond and any other Bonds now outstanding and any Additional Bonds that may be issued thereunder.

Section 3. Preparation and Delivery of Amended and Restated Bonds. The Second Amended and Restated Series 2000 Bond and the First Amended and Restated 2008 Bond (collectively, the “Amended and Restated Bonds”) shall be prepared under the direction of the City Fiscal Services Director and shall be executed on behalf of the City by the signatures of the Mayor, the City Manager, the City Fiscal Services Director and the City Clerk and sealed with the official corporate seal of the City. When the Amended and Restated Bonds have been executed, the City Fiscal Services Director shall cause them to be dated as of the date of delivery and delivered to the DNRC, as purchaser thereof, in anticipation of the surrender of the Prior Bonds.

Section 4. Redemption of Series 2002A Refunded Bonds. The Series 2002A Refunded Bonds are hereby called for redemption on December 31, 2012. The City Fiscal Services Director shall forthwith transmit to U.S. Bank National Association, Seattle, Washington, as registrar and paying agent for the Series 2002A Bonds, the notice of redemption attached hereto as Appendix C and cause to be deposited with such registrar and paying agent the amount necessary, without regard to investment earnings thereon, to redeem the Series 2002A Refunded Bonds at a redemption price equal to the principal amount of the Series 2002A Refunded Bonds, together with interest accrued thereon to December 31, 2012, without premium.

Section 5. Debt Service Account; Reserve Account. The City Fiscal Services Director is authorized and directed to transfer amounts in the Debt Service Account to pay interest owing on the Prior Bonds as of the date of delivery of the Amended and Restated Bonds. The City Fiscal Services Director is further authorized and directed to transfer amounts made available in the Reserve Account because of the foregoing interest rate adjustments to the Debt Service Account to prepay any one or more Prior Bonds or any other Bonds outstanding as of the date of delivery of the Amended and Restated Bonds, to pay costs of issuance of the Amended and Restated Bonds, or to any other eligible fund or account or for any other eligible purpose, as described more particularly in certificates or documents delivered in conjunction with the delivery of the Amended and Restated Bonds.

Section 6. Tax Matters.

6.01. General Covenants. The City covenants and agrees with the owners from time to time of the Amended and Restated Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Amended and Restated Bonds to become includable in gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Code”), and applicable Treasury Regulations

(the “Regulations”), and covenants to take any and all actions within its powers to ensure that the interest on the Amended and Restated Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations. The Improvements and the System are each owned and maintained by the City and available for use by members of the general public on a substantially equal basis. The City agrees not to enter into any lease, use or other agreement with any non-governmental person relating to the use of the Improvements or the System or security for the payment of the Amended and Restated Bonds which might cause the Amended and Restated Bonds to be considered “private activity bonds” or “private loan bonds” within the meaning of Section 141 of the Code.

6.02. Arbitrage Rebate. The City acknowledges that the Amended and Restated Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Amended and Restated Bonds from gross income for federal income tax purposes. In furtherance of the foregoing, the City Finance Director is hereby authorized and directed to execute a Rebate Certificate, substantially in the form of the Rebate Certificate prepared by Bond Counsel and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

6.03. Certification. The Mayor, the City Finance Director and the City Clerk, being the officers of the City charged with the responsibility for issuing the Amended and Restated Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the DNRC certifications to satisfy the provisions of Sections 1.148-2(b) of the Treasury Regulations relating to a reasonable expectation that the proceeds of the Amended and Restated Bonds will be used in a manner that will not cause them to be arbitrage bonds.

6.04. Information Reporting. The City shall file with the Secretary of the Treasury, not later than May 15, 2013, a statement concerning the Amended and Restated Bonds containing the information required by Section 149(e) of the Code.

6.05. No Bank Qualification or Counting Toward Qualified Small City Status. Because the reissuance effected by the Amended and Restated Bonds is a deemed current refunding and the principal amount of the Amended and Restated Bonds does not exceed the principal amount of the outstanding Prior Bonds, pursuant to Section 265(b)(3)(C)(ii)(III) of the Code, the Amended and Restated Bonds is hereby not taken into account in determining the City’s status as a qualified small issuer under Section 265(b)(3) of the Code.

6.06. Program Covenants. The City agrees that (i) neither it nor any “related person” to the City (within the meaning of Section 147(a)(2) of the Code) shall, whether pursuant to a formal or informal arrangement, acquire bonds issued by the State under the Trust Indenture for the Program in an amount related to the amount of the Amended and Restated Bonds; and (ii) for purposes of the Program, the issuance of the Amended and Restated Bonds constitutes a “deemed” refunding of the Prior Bonds effective as of the date of delivery of the Amended and Restated Bonds and the DNRC shall be deemed to have relented the proceeds of the Prior Bonds under the Program effective as of such date.

Section 7. Certification and Effective Date.

7.01. Certification. The officers of the City are authorized and directed to prepare and furnish to the DNRC and to the attorneys rendering an opinion as to the legality of the Amended and Restated Bonds, certified copies of all ordinances, resolutions and records and such other certificates, affidavits and other instruments as may be required to evidence the validity, status of tax-exempt interest, or marketability of the Amended and Restated Bonds and all such certified copies, certificates and affidavits shall constitute representations of the City as to the truth of all statements of fact contained therein.

7.02. Effective Date. This Resolution shall be in full force and effect from and after its passage. The amendments to the Amended and Restated Bonds noted herein, however, shall be effective only from and after the date of delivery of the Amended and Restated Bonds.

Adopted by the City Commission of the City of Great Falls, Montana, on this 20th day of November, 2012.
