(d) Maintenance of Security, if Any; Recordation of Interest.

(i) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of the Resolution and the Collateral Documents so long as any amount is owing under the Resolution or the Series 2012 Bond;

(ii) The Borrower shall forthwith, after the execution and delivery of the Series 2012 Bond and thereafter from time to time, cause the Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by the

Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(iii) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (ii), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2012 Bond and the Collateral Documents and the documents described in subparagraph (ii).

(e) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 8.06 of the Original Resolution. The Borrower agrees that for each Fiscal Year it shall furnish to the DNRC and the DEQ, promptly when available, in addition to those matters specified in Section 8.06 of the Original Resolution:

(1) the preliminary budget for the System, with items for the 2012 Project shown separately; and

(2) when adopted, the final budget for the System, with items for the 2012 Project shown separately.

(g) Project Accounts. The Borrower shall maintain Project accounts in accordance with generally accepted government accounting standards, and as separate accounts, as required by Section 602(b)(9) of the Clean Water Act.

(h) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with Title VI of the Clean Water Act, as provided in Section 606(e) of the Clean Water Act.

(i) Compliance with Clean Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Clean Water Act pertaining to the 2012 Loan and the 2012 Project.

(j) Compliance with DEQ Requirements. The Borrower shall comply with plan, specification and other requirements for public Sanitary Sewerage Systems established by the DEQ, as required by Section 75-5-1113(1)(g) of the State Act.

(k) Program Covenant. The Borrower agrees that neither it nor any “related person” to the Borrower (within the meaning of Section 147(a)(2) of the Code) shall, whether pursuant to a formal or informal arrangement, acquire bonds issued by the State under the Indenture in an amount related to the amount of the Series 2012 Bond.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2012 Bond or any other funds of the Borrower in respect of the 2012 Project or the Series 2012 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The Borrower agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2012 Loan or the portion of the 2012 Loan derived directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The Borrower shall not use or permit the use of the 2012 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2012 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2012 Loan, be owned by the Borrower and not by any other Person. Any portion of the 2012 Project being financed shall be acquired by and shall, during the term of the 2012 Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2012 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on the Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2012 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(e) At the Closing of the 2012 Loan the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the “Arbitrage Rebate Instructions”). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds or any Additional State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The Borrower agrees that during the term of the 2012 Loan it will not contract with or permit any Private Person to manage the 2012 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on State Bonds from gross income or purposes of federal income taxation.

(g) The Borrower may not lease the 2012 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the Borrower and the State not to cause any default to occur under the Resolution; provided the Borrower may lease all or any portion of the 2012 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The Borrower shall not change the use or nature of the 2012 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The Borrower shall maintain the System, including the 2012 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2012 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2012 Bond; provided that this Section 2.5 shall not be deemed to be violated if a mechanic’s or contractor’s lien is filed against any such property so long as the Borrower uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under the Resolution, the Series 2012 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under the Resolution, the Series 2012 Bond and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2012 Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the Borrower shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the Borrower delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

### Article III USE OF PROCEEDS; THE 2012 PROJECT

Section 3.1 Use of Proceeds. The Borrower shall apply the proceeds of the 2012 Loan from the DNRC solely as follows:

(a) The Borrower shall apply the proceeds of the 2012 Loan solely to the financing, refinancing or reimbursement of the costs of the 2012 Project as set forth in Appendix A hereto and this Section 3.1, funding a deposit to the Reserve Account, and associated costs of issuing the Series 2012 Bond. The 2012 Loan will be disbursed in accordance with ARTICLE IV hereof and Article VII of the Indenture. If the 2012 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2012 Project and expend proceeds of the 2012 Loan to pay the costs of completing the 2012 Project.

(b) No portion of the proceeds of the 2012 Loan shall be used to reimburse the Borrower for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the 2012 Loan are to be used to reimburse the Borrower for Project costs paid prior to the date of adoption of this Supplemental Resolution, the Borrower shall have complied with Section 1.150-2 of the Regulations in respect of such costs.

(c) Any Debt to be refinanced with proceeds of the 2012 Loan was incurred after March 7, 1985, for a Project the construction or acquisition of which began after

March 7, 1985. No proceeds of the 2012 Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2012 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2012 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the 2012 Loan (the 2012 Project may consist of more than one facility or activity) and an estimated budget relating to the 2012 Project. The 2012 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) A certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2012 Project, an increase or decrease in the amount of 2012 Loan proceeds which will be required to complete the 2012 Project and whether the change will materially accelerate or delay the construction schedule for the 2012 Project;

(b) A written consent to such change in the 2012 Project by an Authorized DNRC Officer; and

(c) An Opinion or Opinions of Bond Counsel stating that the 2012 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2012 Bond was issued, eligible for financing under the Act, such amendment will not violate the State Act or the Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2012 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The Borrower acknowledges and agrees that an increase in the principal amount of the 2012 Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a resolution amendatory of or supplementary to the Resolution authorizing the additional loan and delivery of written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in the resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such Debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The Borrower acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made

no representations to the Borrower as to the sufficiency of the 2012 Loan to pay costs of the 2012 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2012 Loan.

Section 3.3 2012 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2012 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2012 Project will be done only pursuant to fixed price construction contracts. The Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2012 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) the 2012 Project is a project of the type permitted to be financed under the Act, the State Act and the Program and Title IV of the Clean Water Act; and

(f) the Borrower will undertake the 2012 Project promptly after the Closing Date and will cause the 2012 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2012 Project will be substantially completed by the Estimated Completion Date.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2012 Project.

(a) Upon completion of the 2012 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2012 Project is complete and stating the amount, if any, of the Undisbursed Committed Amount. If Appendix A describes two or more separate projects as making up the 2012 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2012 Project is cancelled or cut back or its costs are reduced or for any other reason the Borrower will not require the full Committed

Amount, the Borrower shall promptly notify the DNRC in writing of such fact and the amount of the Undisbursed Committed Amount.

Article IV  
THE LOAN

Section 4.1 The Loan; Disbursement of Loan. The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to \$3,800,000 (the “Committed Amount”) for the purposes of financing, refinancing or reimbursing the Borrower for all or a portion of the costs of the 2012 Project, funding a deposit to the Reserve Account, and paying costs of issuance of the Series 2012 Bond; provided the DNRC shall not be required to loan any proceeds of the State Bonds to the Borrower after the Estimated Completion Date. The Committed Amount may be reduced as provided in Section 3.2 and Section 3.4 of this Supplemental Resolution and subject to the operation of Section 5.6.

(a) The DNRC intends to disburse the 2012 Loans through the Trustee.

(b) In consideration of the issuance of the Series 2012 Bond by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2012 Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2012 Bond and the security therefor and stating in effect that interest on the Series 2012 Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2012 Bond, fully executed and authenticated;

(3) a certified copy of the Original Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2012 Loan;

(5) if all or part of the 2012 Loan is being made to refinance a Project or reimburse the Borrower for the costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in (1) above, (A) that the acquisition or construction of the 2012 Project was begun no earlier than March 7, 1985 or the debt was incurred no earlier than March 7, 1985, (B) of the Borrower’s title to the 2012 Project, (C) of the costs of the 2012 Project and that such costs have been paid by the Borrower and (D) if such costs were paid before adoption of this Supplemental Resolution that the Borrower has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2012 Loan to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or the Bond Counsel giving the opinion referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(c) In order to obtain a disbursement of a portion of the 2012 Loan to pay costs of the 2012 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All 2012 Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(d) For refinancings, a disbursement schedule complying with the requirements of the Clean Water Act shall be established by the DNRC and the Borrower at Closing. If the Borrower should repay all or a portion of the debt to be refinanced from other sources or should otherwise not need any portion of the loan which was to have been used to refinance such debt, it shall inform the DNRC and the Trustee of such fact pursuant to Section 3.4(b) and a new disbursement schedule shall be drawn up by the DNRC. The DNRC shall obtain a receipt from the holder of the debt being refinanced for each disbursement made to pay or prepay a portion of such debt.

(e) If all or a portion of the 2012 Loan is made to reimburse a Borrower for Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the Borrower at the Closing.

(f) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the 2012 Loan any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving Fund. The DNRC shall not be required to do “overmatching” pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The Borrower acknowledges that if Project costs are incurred faster than the Borrower projected at Closing, there may be delays in making disbursements of the 2012 Loan for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its commercially reasonable efforts to obtain an acceleration of such schedule if necessary.

(g) Upon making each 2012 Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2012 Bond.

(h) The Borrower agrees that it will deposit in the Reserve Account upon receipt thereof, on the Closing Date of the 2012 Loan and upon any disbursement date, any proceeds of the 2012 Loan borrowed for the purpose of increasing the balance in the Reserve Account to the Reserve Requirement. The Borrower further acknowledges and agrees that any portion of the 2012 Loan representing capitalized interest shall be

advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall, as appropriate, be a credit against the interest payments due on the Series 2012 Bond, and interest thereon shall accrue only from the date of transfer.

(i) Compliance by the Borrower with its representations, covenants and agreements contained in the Original Resolution, this Supplemental Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the Loan in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the Loan.

Section 4.2 Commencement of Loan Term. The Borrower's obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under ARTICLE V hereof shall commence only upon the first disbursement by the Trustee of the 2012 Loan proceeds.

Section 4.3 Termination of Loan Term. The Borrower's obligations under the Resolution and the Collateral Documents in respect of the Series 2012 Bonds shall terminate upon payment in full of all amounts due under the Series 2012 Bond and the Resolution in respect thereof; provided, however, that the covenants and obligations provided in ARTICLE VI and Section 10.4 of this Supplemental Resolution shall survive the termination of the Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

## Article V REPAYMENT OF 2012 LOAN

Section 5.1 Repayment of 2012 Loan. The Borrower shall repay the amounts lent to it pursuant to Section 4.1 hereof, plus interest on the unpaid amounts lent at the rate of two percent (2.00%) per annum, in semiannual Loan Repayments. In addition, the Borrower shall pay an Administrative Expense Surcharge on the outstanding principal amount of the 2012 Loan at the rate of seventy-five hundredths of one percent (0.75%) per annum and a Loan Loss Reserve Surcharge on the outstanding principal amount of the 2012 Loan at the rate of twenty-five hundredths of one percent (0.25%) per annum. For purposes of this Resolution and the Program, when not used in conjunction with a reference to any surcharges, the term "interest" on the 2012 Loan shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The Borrower shall pay all Loan Repayments and the Administrative Expense Surcharge and Loan Loss Reserve Surcharge in lawful money of the United States of America to the DNRC. Interest, the Administrative Expense Surcharge, and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

The Loan Repayments required by this Section 5.1 and the Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be due on each January 1 and July 1 (the “Payment Dates”), as follows:

- (1) interest and the Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2012 Loan shall be payable on each January 1 and July 1, beginning on January 1, 2013, through and including July 1, 2032;
- (2) the principal of the 2012 Loan shall be repayable on each Payment Date, beginning on January 1, 2013, through and including July 1, 2032, and the amount of each principal payment shall be calculated on the basis of substantially level debt service at a rate of 3.00% per annum.

The Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge on the 2012 Loan shall be due on the dates specified above and on the dates and in the amounts shown in Schedule B to the Series 2012 Bond, as such Schedule B shall be modified from time to time as provided below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2012 Bond. Upon each disbursement of 2012 Loan amounts to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2012 Bond under “Advances” and the total amount advanced under Section 4.1, including such disbursement, under “Total Amount Advanced.”

Past-due Loan Repayments and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge under this Section 5.1 shall also be credited against the same payment obligation under the Series 2012 Bond.

Section 5.2 Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2012 Loan, if the Borrower so chooses, all reasonable expenses of the DNRC and the Trustee in connection with the 2012 Loan, the Collateral Documents and the Series 2012 Bond, including, but not limited to:

- (a) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2012 Bond;
- (b) the fees and disbursements of bond counsel and other Counsel utilized by the DNRC and the Trustee in connection with the 2012 Loan, the Resolution, the Collateral Documents and the Series 2012 Bond and the enforcement thereof; and
- (c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2012 Bond, whether or not the

Series 2012 Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2012 Bond, the Collateral Documents and the Resolution (and with the exceptions noted therein) and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2012 Bond unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment, Administrative Expense Surcharge, or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2012 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4 Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by the Resolution and the Series 2012 Bond and to perform its other agreements contained in the Resolution, the Series 2012 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in the Resolution and the Series 2012 Bond, (b) shall perform all its other agreements in the Resolution, the Series 2012 Bond and the Collateral Documents and (c) shall not terminate the Resolution, the Series 2012 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2012 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with the Resolution. Provided, however, if the 2012 Loan contemplated herein is not made and no funds are disbursed to the Borrower, the Resolution may be terminated.

Section 5.5 Limited Liability. All payments of principal of and interest on the 2012 Loan and other payment obligations of the Borrower hereunder and under the Series 2012 Bond shall be special, limited obligations of the Borrower payable solely out of the Net Revenues or out of the Debt Service Account and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other funds or revenues of the Borrower. The obligations of the Borrower under the Resolution and the Series 2012 Bond shall never constitute an indebtedness of the Borrower within the meaning of any state constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower are not pledged to pay principal of or interest on the Series 2012 Bond, and no funds or property of the Borrower other than the Net Revenues are pledged to pay principal of or interest on the Series 2012 Bond.

Article VI  
INDEMNIFICATION OF DNRC AND DEQ

The Borrower shall, to the extent permitted by law, indemnify and save harmless the DNRC, and the DEQ and their officers, employees and agents (each an “Indemnified Party” or, collectively, the “Indemnified Parties”) against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2012 Project. The Borrower shall also, to the extent permitted by law, indemnify and save harmless the Indemnified Parties against and from all costs, reasonable attorneys’ fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. Article VII  
ASSIGNMENT

Section 7.1 Assignment by City. The Borrower may not assign its rights and obligations under the Resolution or the Series 2012 Bond.

Section 7.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in the Resolution, the Series 2012 Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the Borrower.

Section 7.3 State Refunding Bonds. In the event the State Bonds and Additional State Bonds are refunded by bonds which are not Additional State Bonds, all references in the Resolution to State Bonds and Additional State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the “Refunding Bonds”) or, in the case of a crossover refunding, to the State Bonds and Additional State Bonds and the Refunding Bonds. In the event the State Bonds are refunded by an issue of Additional State Bonds, all references in the Resolution to the State Bonds shall be deemed to refer to such Additional State Bonds or, in the case of a crossover refunding, both the State Bonds and such Additional State Bonds.

Article VIII  
THE SERIES 2012 BOND

Section 8.1 Net Revenues Available. The Borrower is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond and the Series 2012 Bond the Net Revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof

hereafter constructed or acquired. The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2012 Bond are expected to be more than sufficient to pay the principal and interest when due on the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond and the Series 2012 Bond, and to create and maintain reasonable reserves therefor and to provide an adequate allowance for replacement and depreciation, as prescribed herein.

Section 8.2 Issuance and Sale of the Series 2012 Bond. The Commission has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the Borrower to issue the Series 2012 Bond to evidence the 2012 Loan. The Series 2012 Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433(2)(a).

Section 8.3 Terms. The Series 2012 Bond shall be in the maximum principal amount equal to the original Committed Amount, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2012 Loan. The principal of and interest on the Series 2012 Bond shall be payable on the same dates and in the same amounts on which Loan Repayments are payable. Advances of principal of the Series 2012 Bond shall be deemed made when advances of the 2012 Loan are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2012 Bond as it may be revised by the DNRC from time to time in accordance with Section 5.1. The Series 2012 Bond is an Additional Bond.

The Borrower may prepay the Series 2012 Bond, in whole or in part, only upon the terms and conditions under which it can prepay the 2012 Loan under Section 5.3.

Section 8.4 Negotiability, Transfer and Registration. The Series 2012 Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC. While so registered, principal of and interest on the Series 2012 Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1625 Eleventh Avenue, Helena, Montana 59620 or such other place as may be designated by the DNRC in writing and delivered to the Borrower. The Series 2012 Bond shall be negotiable, subject to the provisions for registration and transfer contained in this Section. No transfer of the Series 2012 Bond shall be valid unless and until (1) the holder, or his duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2012 Bond, and (2) the City Fiscal Services Director of the Borrower (or successors, the "Registrar"), as Bond Registrar, has duly noted the transfer on the Series 2012 Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The Borrower shall be entitled to deem and treat the Person in whose name the Series 2012 Bond is registered as the absolute owner of the Series 2012 Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the Borrower's liability upon such Bond to the extent of the sum or sums so paid.

Section 8.5 Execution and Delivery. The Series 2012 Bond shall be executed on behalf of the Borrower by the manual signatures of the Mayor, City Manager, City Fiscal

Services Director and City Clerk. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2012 Bond. The Series 2012 Bond shall be sealed with the corporate seal of the Borrower. In the event that any of the officers who shall have signed the Series 2012 Bond shall cease to be officers of the Borrower before the Series 2012 Bond is issued or delivered, their signatures shall remain binding upon the Borrower. Conversely, the Series 2012 Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Supplemental Resolution. The Series 2012 Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6 Form. The Series 2012 Bond shall be prepared in substantially the form attached as Appendix B.

Section 8.7 Construction Account. To the Construction Account shall be credited as received the portion of the proceeds of the Series 2009 Bonds and any other funds appropriated by the Borrower to the Construction Account for improvements to the System, and all income received from the investment of the Construction Account.

## Article IX SECURITY FOR THE SERIES 2012 BOND

The Series 2012 Bond is issued as an Additional Bond under Section 6.01 of the Original Resolution and shall, with the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds and the Series 2009B Bond, and any other Additional Bonds issued under the provisions of Section 6.01 of the Original Resolution, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Debt Service Account of the Sanitary Sewerage System Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in Section 7.05 of the Original Resolution. Upon advancement of principal of the Series 2012 Bond, the City Fiscal Services Director shall transfer from proceeds of the Series 2012 Bond such amount or amounts to the Reserve Account to cause the balance therein to equal the Reserve Requirement, treating such principal amount as outstanding. Upon each advance of the Series 2012 Bond, the deposit to the Reserve Account shall be sufficient to cause the balance in the Reserve Account to equal the Reserve Requirement in respect of the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond, and the principal of the Series 2012 Bond so advanced. The Borrower shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered owners from time to time of the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond and the Series 2012 Bond.

## Article X TAX MATTERS

Section 10.1 Use of Project. The 2012 Project will be owned and operated by the Borrower and available for use by members of the general public on a substantially equal basis. The Borrower shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2012 Project or the System or security for the payment of the

Series 2012 Bond which might cause the Series 2012 Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The Borrower covenants and agrees with the owners from time to time of the Series 2012 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2012 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2012 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The Mayor, the City Manager and the City Fiscal Services Director, being the officers of the Borrower charged with the responsibility for issuing the Series 2012 Bond pursuant to the Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2012 Bond, it is reasonably expected that the proceeds of the Series 2012 Bond will be used in a manner that would not cause the Series 2012 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate. The Borrower acknowledges that the Series 2012 Bond is subject to the rebate requirements of Section 148(f) of the Code. The Borrower covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2012 Bond from gross income for federal income tax purposes, unless the Series 2012 Bond qualify for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2012 Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the Fiscal Services Director is hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the Borrower hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

Section 10.5 Information Reporting. The Borrower shall file with the Secretary of the Treasury, not later than November 15, 2012, a statement concerning the Series 2012 Bond containing the information required by Section 149(e) of the Code.

Section 10.6 “Qualified Tax-Exempt Obligations.” Pursuant to Section 265(b)(3)(B)(ii) of the Code, the Borrower hereby designates the Series 2012 Bond as a “qualified tax-exempt obligation” for purposes of Section 265(b)(3) of the Code. The Borrower has not designated any obligations in 2012 other than its \$855,000 Tax Increment Urban Renewal Revenue Refunding Bonds, Series 2012 (West Bank Urban Renewal District) and the Series 2012 Bond under Section 265(b)(3). The Borrower hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the

Code and including “qualified 501(c)(3) bonds” but excluding other “private activity bonds,” as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the Borrower and all “subordinate entities” of the Borrower in 2012 in an amount greater than \$10,000,000.

## Article XI CONTINUING DISCLOSURE

The Borrower understands and acknowledges that the DNRC is acquiring the Series 2012 Bond under the Program pursuant to which the State issues from time to time State Bonds to provide funds therefor. The Borrower covenants and agrees that, upon written request of the DNRC from time to time, the Borrower will promptly provide to the DNRC all information that the DNRC reasonably determines to be necessary or appropriate to offer and sell State Bonds or to provide continuing disclosure in respect of State Bonds, whether under Rule 15c2-12 (17 C.F.R. § 240.15c2-12) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or otherwise. Such information shall include, among other things and if so requested, financial statements of the Borrower prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Montana law, as in effect from time to time (such financial statements to relate to a Fiscal Year or any period therein for which they are customarily prepared by the Borrower, and, if for a Fiscal Year and so requested by the DNRC, subject to an audit report and opinion of an accountant or government auditor, as permitted or required by the laws of the State). The Borrower will also provide, with any information so furnished to the DNRC, a certificate of the Mayor, the City Clerk and the City Fiscal Services Director of the Borrower to the effect that, to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.

## Article XII REIMBURSEMENT EXPENDITURES

Section 12.1 Recitals. The United States Department of Treasury has promulgated final regulations governing the use of proceeds of tax-exempt bonds, all or a portion of which are to be used to reimburse the City for project expenditures paid by the City prior to the date of issuance of such bonds. Those regulations (Treasury Regulations, Section 1.150-2) (the “Reimbursement Regulations”) require that the City adopt a statement of official intent to reimburse an original expenditure not later than 60 days after payment of the original expenditure. The Reimbursement Regulations also generally require that bonds be issued and the reimbursement allocation be made from the proceeds of such bonds within 18 months (or three years, if the reimbursement bond issue qualifies for the “small issuer” exception from the arbitrage rebate requirement) after the later of (i) the date the expenditure is paid or (ii) the date the project is placed in service or abandoned, but (unless the issue qualifies for the “small issuer” exception from the arbitrage rebate requirement) in no event more than three years after the date

the expenditure is paid. The Reimbursement Regulations generally permit reimbursement of capital expenditures and costs of issuance of the bonds.

Section 12.2 Official Intent Declaration. The City reasonably expects to reimburse the expenditures made for costs of the 2012 Project out of the proceeds of Bonds in an estimated maximum aggregate principal amount of \$3,800,000 after the date of payment of all or a portion of the costs of the 2012 Project. All reimbursed expenditures shall be capital expenditures, a cost of issuance of the Bonds or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.

Other than (i) expenditures to be paid or reimbursed from sources other than the Bonds, (ii) expenditures permitted to be reimbursed under the transitional provision contained in Section 1.150-2(j)(2) of the Reimbursement Regulations, (iii) expenditures constituting preliminary expenditures within the meaning of Section 1.150-2(f)(2) of the Reimbursement Regulations, or (iv) expenditures in a “de minimus” amount (as defined in Section 1.150-2(f)(1) of the Reimbursement Regulations), no expenditures for the 2012 Project have heretofore been paid by the City and no expenditures will be paid by the City until after the date of this Resolution.

The City reasonably expects to reimburse some or all of the expenditures made for costs of the 2012 Project out of proceeds of the Bonds after the date of payment of all or a portion of the costs of the 2012 Project. All reimbursed expenditures shall be capital expenditures, a cost of issuance of the Bonds or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.

Section 12.3 Budgetary Matters. As of the date hereof, there are no City funds reserved, allocated on a long-term basis or otherwise set aside (or reasonably expected to be reserved, allocated on a long-term basis or otherwise set aside) to provide permanent financing for the expenditures related to the 2012 Project, other than pursuant to the issuance of the Bonds. The statement of intent contained in this resolution, therefore, is determined to be consistent with the City’s budgetary and financial circumstances as they exist or are reasonably foreseeable on the date hereof.

Section 12.4 Reimbursement Allocations. The City Fiscal Services Director shall be responsible for making the “reimbursement allocations” described in the Reimbursement Regulations, being generally the transfer of the appropriate amount of proceeds of the Bonds to reimburse the source of temporary financing used by the City to make prior payment of the costs of the 2012 Project. Each allocation shall be evidenced by an entry on the official books and records of the City maintained for the Bonds or the 2012 Project and shall specifically identify the actual original expenditure being reimbursed.

No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced by the DNRC or the provider of any Collateral Document shall be paid immediately to the party making such advance and shall bear interest at the rate of ten percent (10.00%) per annum from the date of the advance until repaid. SERIES 2012

R-1

\$3,800,000

FOR VALUE RECEIVED, THE CITY OF GREAT FALLS, MONTANA (the “Borrower”), a duly organized municipal corporation and political subdivision of the State of Montana, acknowledges itself to be specially indebted and, for value received, hereby promises to pay to the Department of Natural Resources and Conservation of the State of Montana (the “DNRC”), or its registered assigns, solely from the Debt Service Account of its Sanitary Sewerage System Fund, the principal sum equal to the sum of the amounts entered on Schedule A attached hereto under “Total Amount Advanced,” with interest on each such amount from the date such amount is advanced hereunder at the rate of 2.00% per annum on the unpaid balance until paid. In addition, the Borrower shall pay, solely from said source, an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge on the outstanding principal amount of this Bond at the rates of seventy-five hundredths of one percent (0.75%) per annum and twenty-five hundredths of one percent (0.25%) per annum, respectively. Interest and Administrative Expense Surcharge and a Loan Loss Reserve Surcharge shall be payable in semiannual installments payable on each January 1 and July 1 (each a “Loan Repayment Date”) commencing January 1, 2013. Principal shall be payable on the dates set forth in Schedule B hereto. Each installment shall be in the amount set forth opposite its due date in Schedule B attached hereto under “Total Loan Payment.” The portion of each such payment consisting of principal, the portion consisting of interest and the portion consisting of Administrative Expense Surcharge and the portion consisting of Loan Loss Reserve Surcharge shall be as set forth in Schedule B hereto. Upon each disbursement of 2012 Loan amounts to the Borrower pursuant to the Resolution described below, the DNRC shall enter (or cause to be entered) the amount advanced on Schedule A under “Advances” and the total amount advanced under the Resolution (as hereinafter defined), including such disbursement, under “Total Amount Advanced.” The DNRC shall prepare Schedule B and any revised Schedule B, or cause Schedule B and any revised Schedule B to be prepared, as provided in Section 5.1 of the supplemental resolution authorizing this Bond. Schedule B shall be calculated and recalculated on a level debt service basis assuming an interest rate of 3.00% per annum. Past-due payments of principal and interest shall bear interest at the rate of ten percent (10.00%) per annum, until paid. Interest shall be

calculated on the basis of a 360-day year comprising 12 months of 30 days each. All payments under this Bond shall be made to the registered holder of this Bond, at its address as it appears on the Bond register, in lawful money of the United States of America.

This Bond is one of an issue of Sanitary Sewerage System Revenue Bonds of the Borrower authorized to be issued in one or more series from time to time, and constitutes a series in the maximum authorized principal amount of \$3,800,000 (the "Series 2012 Bond"), issued to finance a portion of the costs of construction of certain improvements to the Sanitary Sewerage System of the Borrower (the "System"), to fund deposits to the Reserve Account, and to pay costs of issuance of the Series 2012 Bond. The Series 2012 Bond is issued pursuant to and in full conformity with the Constitution and laws of the State of Montana thereunto enabling, including Montana Code Annotated, Title 7, Chapter 7, Part 44 and 45, as amended, and ordinances and resolutions duly adopted by the governing body of the Borrower, including Resolution No. 9227, adopted by this Commission on May 7, 2002 (the "Original Resolution"), as amended and supplemented by Resolution Nos. 9228, 9454 and 9863, adopted May 7, 2002, January 18, 2005 and September 1, 2009, respectively, as further amended and supplemented by Resolution No. 9986, adopted July 17, 2012 (as so amended and supplemented, the "Resolution"). Terms used with initial capital letters but not defined herein have the meanings given to them in the Resolution. The Series 2012 Bond is issuable only as a single, fully registered bond. The Series 2012 Bond is issued on a parity and is equally and ratably secured by the Net Revenues of the System with the Borrower's outstanding Sanitary Sewerage System Revenue Refunding Bonds, Series 2002A (the "Series 2002A Bonds"), its Sanitary Sewerage System Revenue Bond (DNRC Revolving Loan Program), Series 2002B (the "Series 2002B Bond"), its Sanitary Sewerage System Revenue Bonds, Series 2005 (the "Series 2005 Bonds") and its Sanitary Sewerage System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2009B (the "Series 2009B Bond").

Reference is made to the Resolution for a more complete statement of the terms and conditions upon which the Series 2012 Bond has been issued, the Net Revenues of the System pledged and appropriated for the payment and security thereof, the conditions upon which additional bonds may be issued under the Resolution and made payable from such Net Revenues on a parity with the Series 2002A Bonds, the Series 2002B Bond, the Series 2005 Bonds, the Series 2009B Bond and the Series 2012 Bond (collectively, the "Bonds") or otherwise, the conditions upon which the Resolution may be amended, the rights, duties and obligations of the Borrower, and the rights of the owners of the Series 2012 Bond.

The Borrower may prepay the principal of the Series 2012 Bond only if (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2012 Bond is prepaid in part, such prepayments shall be applied to principal payments in inverse order of maturity.

The Bonds, including interest and any premium for the redemption thereof, are payable solely from the Net Revenues pledged for the payment thereof and do not constitute a debt of the Borrower within the meaning of any constitutional, statutory or charter limitation or provision.

The Borrower may deem and treat the person in whose name this Series 2012 Bond is registered as the absolute owner hereof, whether this Series 2012 Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and the Borrower shall not be affected by any notice to the contrary. The Series 2012 Bond may be transferred as hereinafter provided.

This Series 2012 Bond has been designated by the Borrower as a “qualified tax-exempt obligation” pursuant to Section 265 of the Internal Revenue Code of 1986, as amended.
