Great Falls Park and Recreation**

Great Falls, Montana – Due to a glitch with the electrical system that is beyond the control of the contractor and owner, the ribbon cutting and tours for the Scheels Aim High Big Sky Recreation Center that was scheduled for Friday, June 28, 2024 has been postponed. Along with this, the opening of the facility that was scheduled for Saturday, June 29, 2024 has been postponed as well.

Once we have a clear fix and for definitive information for the situation, we will publish a new date for the ribbon cutting and opening of the facility. We apologize for any inconveniences this may cause.

For more information on the grand opening and ribbon cutting follow the department on Facebook, or contact Great Falls Park and Recreation Office Administration office (406) 771-1265.
