CONTINUING EDUCATION INSTRUCTORS

Great Falls, Montana – Scheels Aquatic and Recreation Center is looking for those interested in teaching continuing education classes. Continuing education classes consist of short and part-time courses in a non-academic setting. Those who teach these courses would be willing to share their skills and talents, whether it be arts, dancing, language, music, photography etc. Instructors earn 70% of the registration fee, and the registration fees includes all costs and supplies.

For more information on teaching a continuing education course, please call the Scheels Aim High Aquatic and Recreation Center at 406-727-6099 or email parkrequests@greatfallsmt.net.
