Hello,

I am sorry to inform you that due to an injury that I suffered this past Sunday evening while working at the Arrowpeak Lodge, I need to resign my seat on the PAC as soon as possible.

The doctor believes that I have torn my Meniscus Tendon in my right knee and will need surgery followed by rehab.

I am having an MRI to confirm the status but she is pretty much sure that it is torn based on the pain level, lack of strength and movement.

Great! 30-years of competitive hockey and I tear it while moving a water hose....

Thank you for a very interesting, passionate and spirited ride on the PAC. I appreciate everyone who has been a part of the team to make Great Falls - Greater!!!

If you have any questions, please feel free to give me a call.

Again, thank you.

Dave
